NUMBER 1.

SENIOR DEGREES ACCEPT STUDENT GOVERNMENT

VISITORS ATTEND OPENING EXERCISES

New Students Given Cordial Welcome

The formal opening of the Georgia State Colleg for Women on September 15, 1926, was attended by the largest group of students that has ever yet been admitted to the college. The exercises were held in the Methodist church.

After a few words of introduction by Dr. Parks, Rev. Harding of the Episcopal church read the devotional and Rev. Thompson of the Presbyterian church lead a prayer. Both pastors extended the girls a hearty welcome to Milledgeville and to their respective churches.

Mr. M. S. Bell gave a welcome address in behalf of the trustees of the college. While commenting or the rapid growth and development of the college as a whole he mentioned the fact that twenty-two years ago there were seventeen graduates and this past year there were four hundred eighty-eight: He concluded with words that are ever present in the minds of all who are connected, either officially or as a student, with G. S. C. W .- "I am proud of the fact that I belong to such an institution."

Dr. J. L. Beeson, who entered that morning into his thirtieth year of service as a member of the G. S. C. W. faculty, brought a message of cheer and joy in work. "Blessed NOTED INSTRUCTORS JOIN is the man who has found work to

Then followed the welcome of the old girls to the new given by Mary Moss, president of the Senior Degree class; Grace Taylor, vice-president of Y. W.; Janet Christian, president of the Sophomores, now Juniors; Mary Jane Parker, president of the one time Freshmen. As Mary Jane expressed it, everybody was "tired of resting" and have come back to work with a greater zeal and a greater love.

After the Freshman class song, Dr. Parks commented upon the large number present and noting the crowded condition, announced that academic work, has had much exthe new auditorium could be used in a few weeks. SUPERINTENDENT OF ATLANTA SCHOOLS SPEAKS HERE

G. S. C. Students Attend Lecture

Mr. Willis A. Sutton, Superintendent of Atlanta schools, addressed a large audience at the Baptist church September 19. The speaker was introduced by Dr. M. M. Parks, President of Georgia State College for Women, by a short, interesting speech in which he praised Mr. Sutton for his accomplishments as Superintendent of Atlanta schools and reminded the audience of the opportunity it had of hearing Mr. Sut-

The theme of Mr. Sutton's address which was sponsored by the W. C. T. U. of Milledgeville was, "Is America Worth Saving?" He pointed out a number of reasons why America is worth saving, placing a weighty responsibility on each citizen of the United States the ways by which we might save America were enumerated, some of which he discussed as possible agencies of salvation were the newspapers, motion pictures, churches, all temperance organizations and clubs. The final appeal of the address was to the people of the United States to accept Christ the healer of all diseases and the source of all salva-

The faculty of the college is reinforced this year by the addition of many valuable members, all teachers of broad experience and recognized scholarship.

Dr. Alice Hunter, holding degrees of A.B., M.A. and PhD. from the University of Nebraska, comes to the English department from years of teaching in other great institutions, of which Ward-Belmont college was the last before this. Miss Hunter is a member of the Phi Beta Kappa Society, and, in addition to her perience in newspaper work.

|POLLY, MARY JANE & MISS GOODSON WELCOME FRESHMEN

Older Students Pledge Cooperation

Welcome, Freshmen! This is the message from the heart of every old girl to you. How happy we are that you have come to share with us, our college life.

What a rare treat is in store for us in the days to come, as we learr to know each other. Real adventures of friendship await us. Unexplored paths of comradship will be opened to us through our work and our fun together. A joyous experience of real growth and understandquest for life on our campus.

But most of all, Freshmen, we Alabama, comes this year to take | would welcome you to a college very truest and best. And under raphy and Sociology. have received many different kinds of welcomes. You have been given a hearty welcome by Dr. Parks, members of our faculty, and other college officials. You were welcomed in a most sincere way by representatives of the Y. W. C. A. The degree classes have assured you that your presence is most essential to our campus, but now we want to give you the kind of a welcome a fellow gives his "buddy." Because we do not want to appear as "elder sisters," outhere and lending advice, but we are anxious to be real companions and buddies to you; sharing in your every joy and sorrow, introducing you to the many phases of college life that we have learned to love, and incidentally helpting you in any possible way. It is our aim to make all your dreams and hopes of college life materialize in this your first year at G. S. C. W. A wonderful heritage is yours. Let us enter into your hearts and share it with you.

EVERY MEMBER ON HONOR ROLL

Dr. Parks Presented Class Ring

Wednesday night, the Senior Degree class was entertained by Dr. Parks at the Mansion. Dr. Parks made a very inspiring speech in which he reminded members of the class of the responsibilities which accompanied the pleasures and privileges they were about to receive. He also asked that the class remember the standards and ideals of the college which have been observed by so many girls. Mrs. Dozier spoke of the future responsibilities and pleasures of the class. Responses were given by the officers of the class who are: Miss Mary Moss, president; Miss Edith Fletcher, vice-president, Miss Mary Wood, secretary, and Miss Frances Thaxton, treasurer.

During the evening, Dr. Parks was presented a class ring. He then discarded the ring which he had treasured as a gift of the class of 1912, and which will still be treasured as will the one given by the class of '27.

After the class song was sung, delicious punch was served under the rotunda.

Friday night, the Senior Degrees in each dormitory were given the opportunity to "sign up" for privileges, and it is very gratifying to know that the name of each girl was placed on the honor roll of G. S. C.

On Saturday morning in Chapel, the class received privileges. Inspering talks were made by officers of the class. Mary Moss (Polly), president of the class made a beautiful comparison between the class of '27 and the stianed glass window made so much more beautiful by an Freshmen, since your arrival you expert worker in glass after it had been broken into bits by the wind. She left in the minds of the members of the class the question of what the class would be at the end of the year—if it would be more beautiful and valued by the college than it is now in the beginning of the year.

Officers were elected in each dormitory as a step toward the organization of the self government of the class. The officers elected in each dormitory are as follows:

ON TAKING OURSELVES TOO SERIOUSLY

It is not required of every man and woman to be, or to do, something great; most of us must content ourselves with taking small parts in the chorus. Shall we have no lyrics because Homer and Dante have written not—" well her expression told the I trembled in sheer fear. Why did ing me. I gasped for breath. I epics? Even those who have greatness thrust upon them will do well to lay the burden down now and then, and congratulate themselves that they are not altogether answerable for the conduct of the universe, or at least not all the time.

There is such a thing as taking ourselves too seriously, or at any rate, too anxiously. Half of the secular unrest and dismal, profane sadness of reply. modern society comes from the vain idea that every man is bound to be a critic of life, and to let no day pass without finding some fault with the general plan for its improvement. And the other half comes from the greedy notion that a man's life does consist, after all, in the abundance of things he possesses, and it is somehow or other more respectable and plous to be always at work making a larger living, than it is to lie you." on your back in the green pastures and beside the still waters and thank God that you are alive. -Henry Van Dyke.

The above article, written years ago is still applicable to us who take life too seriously. THE FRESHMAN

First Week.

We know that she's a Freshman. 'Tis easy to find this out: Her manner tells us surely. Her costume leaves no doubt.

She cannot find her classes. Her schedule's badly mixed; Her tie and waist give trouble, Her skirt just won't stay fixed.

Her mind is full of worry, Her eyes are wet with tears, She goes to meals not hungry. She goes to class with fears.

She can't forget her mother, And others at her home: She suffers from nostalgia, Is sorry that she's come.

Second Week

The picture now has faded, A week has passed and gone. The new girl's found her bearings, No longer is forlorn.

Her heart is gay and free; At good old G. S. C.

She'll fill with joy and work: She'll learn to live for others And never duty shirk.

ware. Miss Gray has traveled
widely through North America, has
taken special work in Teachers College, Columbia University, and comes

to us most highly recommended.

Miss Annette Steele, is associate professor in the English department.

Miss Horsbough violin instruc-

Miss Horsbough, violin instructor, studied abroad a number of years, and is especially trained for such work as she is doing at G. S. C. As a soloist few have visited Milledgeville who excell her.

Several of the departments have received additions of new assistants, among these are the history department which has Miss Marjorie Maxwell, B.S., G. S. C. W. 1926; the art department which has Miss Elizabeth Grant, B.S., G. S. C. W. 1926; the houshold art department which has Miss Wynell Otwell, 1926 graduate of G. S. C. W., and Miss Amy Jones, B.S., G. S. C. W., 1926; the household science department, which has Miss Rosabel Burch, B.S., G. S. C. W., 1926; and the physical education department, which has Miss Virginia Arnold, 1926 graduate of G. S. C. W. and Miss Mary Joyce Banks, B.S., G. S. C. W., 1926.

The dining room of Atkinson and Terrell is now in charge of Mrs. Hall, who is a highly recommended distillar.

Mrs. Frances Pennington is dietitian of the Terrell annex dining room. She has had several years of practical experience in dietary work at Martin College, Pulaski, Tenn.; Chownan College for Girls, Murphreeboro, N. C., and as matron of the Masonic Home in Nashville, Tenn.

Mrs. Christian, of Buena Vista, Ga., is dormitory matron of Parks Hall, having the position resigned by Mrs. Harwell because of illness. Mrs. Christian is not new to the college, having been matron of Terrell annexes B and C for the past two or three summer schools. She is well known and loved among the girls.

We take this opportunity to welcome the G. S. C. W. girls back to our town. May this term be one of much success for us all.
