Y. W. C. A. Play Saturday Night

The Y. W. C. A. will sponsor two one act plays written and directed by Mrs. Nelle Womack Hines, and to be given Saturday evening, Ap ril 19, at 8:30

The plays are unnamed, and a contest will be held in each of the four classes to determine the most suitable name for each play Mrs. Hines offers copies, of her book of poems to be used as the prizes, two going to each class.

The two plays are direct opposites. Play No. 1 has just five characters and its scene is a home on a farm.

G.S. C. W. Added To Accredited List

President J. L. Beeson has just received notice from the American Association of Teachers Colleges that the Georgia State College for Women was, in a recent meeting placed on the accredited list of the association, with no deficiencies.

This is a distinct honor to the institution, which has been a pioneer in the preparation of teachers for Georgia schools.

Bridgeport, Conn.—Beatrice Christie, pretty 20-year-old former Boston University co-ed who has only two years to live as a result of an automobile accident last April, has sued a Somerville Mass., resident The Alumnae of the Georgia State for \$50,000 because of the injuries which she says have shortened her life. Another, confused by a question, preceded his answer with the interrogation, "When it says here compare with civilized communities, would it be all right to take the United States?"

Probably the most cautious of all answers was given by a student who defined mass in this fashion— "Mass is any object that contains weight. Weight is what an object

The violin solos, judging from the applause, were thorougly enjoyed And the recognition was well meri ted, as the performers were very gifted violinists.

Hugh Hodgson, director and pian ist of the Glee Club held the audience spell bound as he played Etude from Chopin and Liebestraum as an encore. In the intermission between parts 1 and 2, he favored the audience with several pipe organ numbers.

Mr. Hodgson proved to be as accomplished an organist as pianist and it was indeed a privilege to hear him play.

Part 2 consisted mainly of popular songs and humorous numbers The banjo solos, Desert Song and St. Louis Blues were especially good. 'Chalk talk" by a clever cartoonist was very amazing...

A saxaphone solo and choruses of popular melodies, which were re peatedly encored, were outstanding numbers.

During the intermission the audience was very much entertained at a joke in which two prominent members of the faculty were featured. The excellent orchestra was a valuable asset to the Glee Club. During the evening it rendered several selections of the rhythm jazz which (Continued on back page)

The organization came into existence in 1929 under the able and intelligent leadership of the present chief advisor and director-inchief, Mr. Mell. Much discouragement and difficulties did not dampen the spirits of so persistent a group; it remained set in its purpose and determination eventually placed the young men on a road which turned out to be success. On this road, which led to the four corners of Georgia and even into other states the Tech Y Singers gained popularity in return for the enjoyment and pleasure which they offered.

Sketching Organized

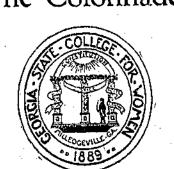

A Saturday afternoon sketching club has been organized by Mrs. Meadows, a member of the art department of Georgia State College for Women. The club is to meet from 2:15 until 6:00 o'clock every Saturday afternoon until the close of school.

The question was asked Mrs. Meadows as to whether the club would continue through-out the next year. She replied that it would all depend upon the enthusiasm the girls showed toward the club at present. The popularity of the sketching club seems assured, Saturdays, however, the club, will however, for twenty-one students try their hand at sketching one anhave already enrolled and plans are

beng made to begin sketching immediately.

Mrs. Meadows said that while she/did have the pupils' interest in mind when planning the club, still the idea was to a great extent instigated by the fact that she, herself, wished to have someone with her when she is doing outdoor sketching. So she thought the girls woold enjoy going out with

No matter how G. S.C. W. girls may act sometime, we are human and like all other humans are susceptible to this disease.

Some of the other colleges have golf courses, horseback riding and swimming to cure their girls, for they realize that the campus alone is not sufficient for recuperation.

But fortunately or unfortunately, we G. S. C. W. girls were not born the children of millionaires, and golf, horseback riding, and swimming are not a part of our college life. But in 1910, Dr. Parks had

a splendid way of curing his gfrls. Outside of Millédgeville are some long, winding, roads, These were the places he sent his ailing daughters and presently the miraculous cure was performed. Class work was continued; young ladies sat on benches. A perfect result for a perfect threatment!

But now our rules read. "Young ladies shall not walk in the vicinity of the railroad." And those red roads and high hills are on the other side of the railroad!

Dr. Beeson and the executive committee did not want to take this privilege away from us. for how well they knew that walking was the finest exercise possible for growing girls.

But a few thoughtless girls used this privilege in a different way and thus it was taken away from us. And so it is; everytime we break a rule we put a tack in our sisters' chairs. Up until a week or two ago,

Summer School Prospects Brighten

According to Dr. Scott, director of summer school, Monday afternoon, the applications for the summer session are coming in rapidly and the summer school of 1932 promises to be a capacity session.

Some feature courses are: Vocal Culture and Expression, Play Production taught by Mrs. LaFleur, and Debate, taught by Dr. Alice C. Hunter; Economic Geography of Foreign Countries, by Mrs. Dorris; School Health Supervision, by Miss Louise Smith; Georgia History, by Dr. Johnson.

Other courses in Home Economics, the languages, methods in primary,

intermediate, and high school departments, blology, chemistry, and physics are being offered as well as interesting art courses, and work in economics and sociology.

Students who have attended summer school at the college before will remember with pleasure the triweekly watermelon cuttings, the nightly entertainments, the interesting chapel lectures and other features. The summer school will have representatives of the American Girl Scouts, Incorporated, and the American Junior Red Cross on the campus for any who may be interested in these fields.

Y. W. C. A. PLAY SATURDAY NIGHT

(Continued from front page)

The girls taking part in this play are Susie Dell Reamy, Mary Snow Johnson, Bobby Burns, Helen Barron, and Lucie McDaniel.

Play No. 2 presents the activities in two homes trying to keep up with the time. The characters in this play will be portrayed by Miss Mary Moss, Elizabeth Cowart, Mary Posey, Mary Belle Gibson, Amelie Burrus, Frances Knox, Lillian Dillard, Margaret K. Smith, Sara Jo Murray, Maria Martin, Louise Hatcher, Irene Farren, Vera Hunt, Mary Rogers, and Maragret Trapnell.

Tuesday, Aprl 12th, at chapel, the officers of the four classes will distribute cards to members of each class to record names they wish to suggest. Only the students attending the performance on Saturday evening will be allowed to suggest a name. From the eight names selected as best, two will be chosen, one for each play, and special prizes will be awarded these winners.

The week after the plays, the classes in psychology will disucss names for the plays from psychological standpoint, and try to fit one to each play.

An unusual feature of the plays will be the fact that they will be presented on a stage set with two rooms, the action of the play passing from one to the other.
