Beauty Special Will Leave Here Next Wednesday

Seven Coaches of Georgia's Best and Most Beautiful to Go Home

Seven conches of feminine pulcheitude will bid farewell to the city of Milledgeville Wesnesday, December 21, at noon, when the BEAUTY SPECIAL leaves for regions remote, and points between.

Great will be the rush and excitement thereof when a thousand girls begin their march to freedom. Hats that started primly out, will be lost in the rush, and two girls are sure to forget their tickets. The train will probably have to be held but finally amid much shouting of good-bye to favorite teachers who are kind enough to preferd that they will miss their students, the train starts. And then the aisle visiting begins, to tell everyone to nend everyone else a Christmas card, which probably due to the increased one cent postage, they don't mean at all. Of course "he" also figures largely in these conversations—what "he" said, Miss Martha Berry Mrs. H.S. Wootten At G.S.C. Saturday with anything to you unless you and what "he" is going to give and what "he" is going to give her Christmas, and where "he' is going to meet her,

Then the train reaches Gordon, and the rest of the way, everyone stands in the aisle 'cause we are nearly to Macon." After an hour of standing up, Macon finally comes in sight, and one mad dash is made for the terminal to the tune of "good-by, have fun."

Thus ends our story until the next chapter introduced with the senseless question, "Did you have

Many Visitors Here Saturday For Dedication

Impressive Program Carried Out In Presence of Large Audience,

The dedication of the Ina Ditlard Russell Library of the Georgia State College for Women took place last Saturday morning in the college auditorium in the presence of the Board of Regents of the University System of Georgia, Judge Russell and Mrs. Russell, for whom the library was named, the faculty and student body of the college, and a number of distinguished visitors,

The program opened with a scieran procession headed by Dr. 4. L. Beeson, president of the collegs, 300. Hughes Spalding, chairman of the board, and Chancellor C. M. Snelling. Mr. Spalding in his introductory address spoke briefly of the work of the board and told some of its problems. He gave credit to G. S. C. W. for its achievements in educatice for women and told of the difficulties present in any worth while undertaking. In conclusion sacrifice something for it."

Hon. John T. Boifeuillet of Macan, prominent writer and public speaker, made the dedicatory address. "The library is the iron in the life blood that pulsates from the heart of Georgia," Mr. Boifcullet declared. "It is a shrine for the heart, mind and soul, and an altar for the fire of literature.' '

Mr. Boifcuillet praised Mrs. Russell for her contributions to our state. She is an ideal mother. Five of her thirteen children have attended G. C. S. W. and all have reflected the character and trainbug of their mother in their lives. "No station of life is more elevated than that of an educated (Continued On Page 3)

Good Deeds

"How far that little candle throws his beams to shines a good deed in a baughty world." -Merchant of Venice

The foregoing quotation is simply a striking way of saying that the worse the actions of the other fellow, the brighter your good deeds seems; or the brighter your good deeds are, the more they stand out from the other fellow's misconduct; or the blacker the othe fellow's actions, the more the world needs aur good deeds. Take your choice.

Anyway, the quotation suggests the obvious contrast between one fine action and world of pettiness. Christmas Seals

When you buy Christmas scals to stamp a letter or a Christmas present, do you ever realize just how much the buying of those seals mens to someone who is in need? War waged on tuberculosis by means of Christmas seals was instigated by Jacob Riis, noted author, editor, and settlement worker. In an article in the Outlook for July, 1907, he described a stamp he had received in the mail from Denmark, where they had been sold to raise money dren. Riis urged the adoption of

How Christmas Comes To Be Called Yuletide?

According to interesting origins of English words, a pamphlet put out by the publishers of Webster's New International Dictionary, the history of the word Yuletide, the dimmed a little by the mists of time. It is known, however, that its medieval English form was yol, from still older Anglo-Saxon Geol, and that it is akin to Icelandic jol, the mid winterfeast. This word jol may also be the ancester of jolly. So "Yuletide" from the beginning, perhaps, meant "a jolly time," as it still does, although now in its special Christmas significance.

Origin of Christmas Carols

Special times or events have been celebrated from time immemorial by feasting, dancing, and sog. Often the dancers formed a ring and sang as they danced, first the dance and later the song beng called a carot.

Some of the carols that are sung today are connected, with times before the Christian era. They have now lost their dance and the melody has changed but
