NUMBER 19

Catherine Mallory was the unanimous choice for the fourth president of the College Government Association at the elections held Monday night. Other officers who will serve with her are Sara Ruth Allmond, vice-president; Margaret Garbutt, secretary; Elizabeth Stewert, treasurer; Grace Greene, clerk of the court. Starting its fourth year on the campus under a new name, the College Government Association will be guided with capable hands. Like her predecessors—Virginia Tanner, Elizabeth Pollard, and Viola James-Miss Mallory has been highly instrumental in furthering the student control movement on the campus during her three years at G. S. C. W. She has served as the efficient president of her class for three years, and as a member of freshman council and sophomore commission. As the head of the dramatic club for two years, Miss Mallory has done much toward furthering dramatics on the campus. She has played leading roles in many Jester productions, and be Margaret Garbutt, as first cnly recently gave the out-standing performance of her career as Sydney Fairfield in "Bill of Divorcement." Minnie Allmond has served as junior representative to student council during the past year, and also as a member of Y. W. C. A. cabinet. During her second year at G. S. C. W., Minnie was on sophomore commission. The new secretary of the Col-Government Association, lege Elizabeth Burke, is a newcomer into the organization. Concert Series Closes With Russians

The concert of the Russian Imperial Singers in the Russell auditorium on Wednesday evening, March 11, will bring to a close the unusually fine artist series which has been presented here under the auspices of the Milledgeville Cooperative Concert Association.

Five astounding voices—a first tenor, a second tenor, a baritone, a basso, and a basso—profundo compose the concert group known as the Russian Imperial Singers. This ensemble possesses that stirring quality of rich deep tone which is the heritage of the Slav alone. It unites exact pitch with the incisive and colorful rhythms of Russian music of every type ranging from the tender moujik's ballad of the soil to the crisp marching beat of the soldier's song; from the haunting simple melodies

of the homeland that the distinguished Russian composers have in many instances made the basis of their symphonies to the lyric poems of the steppes, the river, the forest-now gay, now sad, now humorous

As a result of the official elections for the major organizations held Monday night, Myra Jenkins will head the Y. W. C. A., for next year. Serving with her will vice-president; Marjorie Lanier,, second vice-president; Marion Baughn, secretary; Dot Meadors, treasurer.

Election Held Monday Night

Elected to serve on the executive board of the "Y" are Edna Lattimore, Mary McGavock, and Catherine Calhoun.

Cabinet members include Eolyne Green, Grace Collar, Charlotte Edwards, Tommy Cooke, Margaret Fowler, Mary Winship, TeCoah Harner, Joan Butler, Anna Lee Gasque, and Mary John Brown. With such capable leaders, the Y. W. C. A. is assured of the continuance of the outstanding service which it has contributed to the campus formerly.

Myra Jenkins, president-elect. has been a class officer for three years, a member of freshman council, sophomore commission, and served as second vice-president of the "Y" during the past year. She has also been a member of the Jesters.

We Elect

Following the elections Monday and Tuesday night, we are forced to retract a statement-which must have seemed very naive and uninformed to the listeners-that we made a short while ago. The statement was to the effect that there were no politics in the elections held here, and that the system was all right, even if it did take half of the night to get anybody elected.

Under the present set-up, there very definitely a political line-up of cardidates-without the usual customary "running" for office in which candidates must state their qualifications. The method of nominating a candidate by secret ballot, and then electing him by mass vote, is most undemocratic, to say the least. It is very undesirable, full of loop holes, and is in very definite need of improvement.

We have been content to take cur present system of election as it was, and ask no questions. Students have gone to the elections, and voted for the first two or three nominees, and then leave in such huge numbers, that barely a hundred people stay to the bitter end-and bitter end it is when midnight rolls around and still all the returns have not been made.

Yes, we've taken the system, because we've been too lazy to do anything about it. We've gone along and accepted the whole thing unquestioningly-until a cog in the wheel slipped, and then when all sorts of doubting questions arise in the minds of many students as to the desirability of such a system, we decide something should be done, and done soon. The whole system, as it now stands, is in terrible shape. The whole trouble is

that it is like so many things-all "system" and nothing else. What we need is a more democratic

*** •• · ·

way of nominating people for offices prior to the election. It is too much to expect to nominate and elect the officers of the three major organizations in a school of twelve hundred in the short time of one evening. The whole thing should be given more time and thought, because after all, the offices are important and persons to fill them should be chosen by a majority of the students, and not by a bare hundred who are so sleepy and tired they can't think.

Our suggestion for a new system of electing campus leaders here would be: Have a nominating primary to take

place at least one week before the general election. At that time let all names

THE COLONNADE, WEDNESDAY, MARCH 11, 1936

be placed before the student body and a vote takon. The three highest names, or two as the case may be, are to be considered nominees. One week later balloting should begin, having certain designated balloting places on the campus the ballcting places to be open all day and ballot to be secret, or Australian style. Promptly at a designated time the balloting will close and a committee of the student government under such faculty supervision as may be deemed necessary, shall count the ballots and make known the results.

Such a system is in operation in varicus schools and universities in the country and while it has its defects it is much more sensible than the present system. Its greatest defect is that it lends itself io regular political campaigns by the nominees, but such campaigns often are very revealing and will at least serve the purpose of putting the candidates into the field in time to let the student electorate have a look at them rather than expect them to nominate and elect a person the same night and on snap judgement. Such a system would eliminate the hasty counting of ballots and as all ballots would be looked in the voting boxes and counted at one time after the balloting had stopped there would not be an opportunity for any of the ugly rumors that often, falsely perhaps, circulate following one of our present helter skelter elections. It is time that we had a sane and orderly election system rather than the ultimate of confusion and machine dominated system new in so called cperation.

Extra Special

With this edition of the COLONNADE, the staff wishes to call attention to the fact that it is the first "special" cr. "exra edition that has ever been printed at G. S. C. W. The special edition was made possible only through the efforts of all the staff members.

The COLONNADE does not claim to be the "South's livest college newspaper" or "the leading college newspaper in the state" or anything like that. Few of the staff members have had any previous training cr experience. They are endeavoring to "cover the campus" with the news, and to voice student opinion.

Cur efforts in different directions have been many, and the results of these efforts have not been as we would have desired. But we do feel that we have made some progress in a number of things-particularly in voicing student cpinion about conditions on the campus, and bringing to the attention of the authorities these conditions so that things could be changed for the better.

Progress has been made by the paper in a number of other things-witness the printing of the twelve-page Parents' Day edition last May, and the special edition today. With the establishment of a journalism department we feel that more students may become interested in the newspaper work, and add so much to the COLONNADE that soon we may become and justly claim to be the "outstanding woman's college weekly in the south."

A Final Word of Thanks

The concert of the Russian Imperial Singers will bring to a close what has certainly been the finest series of entertainments that this college or town has ever enjoyed. This paper has repeatedly expressed the students' appreciation of the Milledgeville Cooperative Concert Association and at this time it seems fitting that a final word of gratitude should be

Editorials From The State College Papers

On Sunday Movies

Definitely, we are for Sunday afterncon movies and we think ourselves as good a Christian as any of our condemners. At least, we are doing something to try to right evils that any open-minded person will admit. Not one of our condemners has offered a plan that will provide the students with something to do on Sunday afternoon.

We do not propose movies that will interfere in any way with church services. We have maintained and still do, that all should go to church on Sunday. Everyone knows that college students, if they are normal, do not go into hibernation when the Sabbath afternoon rolls around. They are active youths. University authorities recognize the need of something for students to do on Sunlay afternoon. Why should an intelligent person deny they exist and refuse to support a remedy when they cannot offer a better one?

We urge Sunday afternoon movies for charity: for the churches if they want it that way. The Red and Black will act as collector for the charities, if it is so desired.

Give the University students Sunday fternoon movies and they in turn will emain in the city on week-ends with more regularity and to a marked degree the Sunday afternoon poker playing, gambling, and running around, that exists, will be lessened.

We stand convinced that Sunday afternoon movies for charity would be a progressive step toward a more respectful observance of the Sabbath. If this be Heathenism, make the most of it .-- Red and Black.

expressed to the college entertainment

committee and the leaders of the town . issociation members who made the series possible.

Undcubtedly the unusually outstanding artists who have performed here have brought to the student body a new insight, a new appreciation of the arts, a new taste for the finest in entertainment. Of course we have not become a cultured, cosmopolitan audience in one season, but we are on the way toward that goal. Certainly, we have been appreciative.

Beyond the individual pleasure and artistic development which the programs have brought to the individual student, the artist series has been an important force in creating a favorable impression of G. S. C. W. throughout the state.

From the point we have attained there is no going back. It is with distinct satisfaction that we reflect that the battle is won. The issue for entertainment of a higher type, one for which this paper has always fought, is established. After artistic treats such as we have enjoyed in the four presentations of the concert association, a program de lesser calibre could not be offered to the students who have had a taste of the fine things that are available and are eager for more.

The programs we have heard were not merely to be enjoyed for the moment. Who will ever forget the gorgeously exotic dancing of Goya, the haunting strains of Tescha Seidel's Stradivarius, the engaging personality of Wilbur Evans, and the promise of further pleasant impressions of the Russian Imperial Singers who will be here this week? For these lovely memories, we are deeply indebted to the Milledgeville Community Concert Association.

there's hope for all of us yet.

Did you hear the one about the little gal who lost her tie-when that little thing was an indispensable part of the uniform here-and braved the elements and the wrath of her housemother-or did hear that they were "matrons" then?-by going to the postoffice without the little black tie. She (the girl in the question) spied her "next-door" matron standing in front of the Methodist church when she reached the mail box in front of the post office. (Those were the days when nobody except seniors could go to the postcffice.) That night the matron who was standing in front of the Methodist church called the ticless girl into her office, and asked about the tie. She, the matron, had seen her all the way from the church to the postoffice. so certainly the townspeople could see it-or the absence of it. Anyway. the girl walked off feeling as if

Begins This For Complexes Morning

The Georgia Congress of Parents and Teachers and The Georgia Home Economics Association will hold a conference at G. S. C. W. March 11-13, with home-mak-

ing and parent-education as the theme of the three-day program. A large number of persons throughout the state interested in parent-teacher affairs, parent

education study groups, and other. parent-teacher problems will be in attendance at the meetings which will be held in Ennis recreation hall.

A number of the delegates will stay in the dormitories, while the others will stay in hotels and boarding houses out in town. The opening days of the con-

ference will be devoted to homemaking problems, which will be under the direction of Miss Clara Lee Cone, state home economics chairman, and home economics supervisor in the Atlanta public schools.

The last two days of the conference will be directed by Miss Alice Sowers, specialist in parenteducation affairs from the Nation-

al Congress of Parents and Teachers, Washington, D. C. Miss Sowers, in carrying the national parent education program to the various states, has conducted many parent education conferences and leadership institutes. Acting as local hostesses will be Mrs. Guy Wells, and Miss Clara

Hasslock, president of the Georgia Home Economics Association. Included on the program on

Good medicine for that old inferiority complex is a collecting hobby. All sufferers from that unnecessary malady please take note or forever afterwards keep

quiet. It's just this way.

An average person, average in looks, personality and ability somehow stumbles onto collecting something-say clothespins. He gathers clothespins from his neighbors, from his friends, from his washerwoman, from all parts of the town in which he lives. from nearby towns, from faraway towns, from any place he can get them. It becomes not merely a pleasant way to pass time away, but very interesting, and his collection becomes very

valuable. He assembles the biggest clothespin collection in the world "Aha," says another collector, "he is the Mussolini of clothespin owners." He is famous, he rates front page newspaper stories, he is talked about by thousands of

people, his name becomes practically a household word, and presto! his inferiority complex is conquered.

The members of the library staff are endeavoring to help some of the people on the campus with their inferiority complexes, by offering suggestions for beginning a collecting hobby Ideas will be given elsewhere in next week's Colonnade. Books offering ideas on the subject can be found in the library.

A Hobby Show will be held in the library following the spring Wednesday will be Mrs. Wells, holidays. The object of the show Miss Hasslock, Miss Gussie Tabb, is to stimulate interest in the wise use of leisure time, to get more people to acquire hobbies, and to use the library more in acquiring hobbies. The motto for the show will be "Hobby horses need books for their saddle bags."

"Clothes Make The Woman"

It seems that the well-dressed junior is wearing white these days-especially to the junior dance where Jeane Parker, Scotchie McGavock, Minnie Allmond, Harriette Starke, Mary Carruth, and Daisy Peterson were outstanding examples. Our nomination for the "evening dress of the week" is Minnie Allmond's white chiffon. Minnie looked like a Grecian maiden in her filmy chiffon with a drift of rhinestones twinkling on it. Mrs. McGee looked even more charming than usual in white lace with blue flowers at the belt. She wore blue sandals.

Seen en route to church Sunday: Miss Mary Thomas Maxwell looking like an illustration from Vogue in her new spring suitblack and grey striped skirt, severe black coat, beautifully accentuated with yellow gloves and a ducky boutonnière. She wore a black felt hat with a love of a big "Pilgrim Fathers" buckle on

Did you see the inseparables Sunday on the walk way of Ennis Hall? Garnette Lynes, Martha Cheney, Martha Fleming, and Virginia Drewry all stepped out in sweaters made just exactly alike but of different colors. They really looked cute. Chinky wore blue, Fleming yellow, Virgie white, and Garnette orange, and they were as pretty a bevy of spring beauties as ever graced this campus.

State Deans Hold Annual Session Here

A two day conference of the state association of deans of women and advisors of girls was held on the campus during the past week-end. Miss Ethel Adams who is president of the state association presided at the sessions of the convention. The conference was called for the purpose of revising the constitution, planning a program for the G. E. A., and
