## Basketball Intramurals Begin With P.E. Majors Teaching New Rules

1949 Graduate Is Army Lieutenant

Second Lt. Charlotte N. Davis, Atlanta, GSCW graduate is one of sixteen young college women selected by the Army's Surgeon General for training at Brooke General Hospital, Brooke Army Medical Center, Fort Sam Houston Texas, who entered on a one year's dietetic internship on November 5.

Prior to beginning their training, the group attended the eight weeks Medical Department Female Officers' Basic course given at Medical Field Service School, another unit of Brooke Army Medical Center.

All dietetic interns enter training with the rank of second lieutenant in the Women's Medical Specialist Corps (Reserve,) Dietetic Sub-section, and upon completion of their internship are assigned to duty in the various Army general hospitals.

The dietetic internship consists of carefully coordinated class room instruction and on-the-job training in the various food service units of the hospital, furnishing excellent professional train- Jo Cox, Terrell B and C; Betty of Acworth; Juanita Fowler of Augusta, Ga., representing the ing which more than meets the Shuman, Bell Annex; Jewell As- Atlanta; Marlene Parker of Dal- Jewis Chautauqua Society, will requirements of the American Dietetic Association for approved internship.

The training includes institutional administration and organization; professional ethics; menu planning; food procurement, procurement, production and service; financial management; sanitation; equipment and personnel management; nutrition; diet therapy; child nutrition; and other subjects pertinent to the field.

#### FLIP KANDLE ELECTED SENIOR CLASS PRESIDENT

Returns from the late elections Tuesday, were Phillipa Kandle, Savannah, elected senior class president to replace Betty McNally. The senior class president also serves as president of Sanford

Basketball teams were organized last week in preparation for the intramurals which began Monday, January 16. At least three practices are required before a team can play.

This year for the first time, the sophomore, junior, and senior PE majors, who passed a coaching examination will work with the teams. This idea is mostly an experiment, and yet, rule changes this year make it almost necessary. These teams represent dortime, class teams will compete. If you don't play, be a good sport and come out and yell for your

Something else that no one wants to miss is the woman's tennis champion, Alice Marble's lecture Thursday night, January 19. Also on Thursday afternoon at 4 o'clock, she will hold a discussion in the gymnasium for all students who are interested. A large group is expected.

New freshman members of the General Rec Board as announced by Pinky Pittard, and appointed by the Rec Board are:

kew, Terrell.

Equipment Manager: Jeanette

Barbara Webber was appointed

secretary of CASCW. Other Rec events are:

of Atlanta. Betty Jean Rooks of Arlington; Edith Jacquelyn Rooks of Augusta; Margie Ann Screws of Atlanta; Turner of Camilla; Ann Smith of Elberton; Betty Lynn Smith of Reidsville; Gerta Smith of Milledgeville; Myra Taylor of Bainbridge; Dorothy iamson.

## Scotty Cowan To Lead Discussion For Religious Emphasis Week

RABBI NORMAN M. GOLD-BURG, Augusta, will speak in chapel on Jan. 20, and will visit the college that day.

#### Rabbi Goldburg To Address Assembly

Rabbi Norman M. Goldburg, visit the Georgia State College for Women, Jan. 20, and will address the student body at assembly.

In addition to his work as Rabbi, the Jewish leader is a lecturer and a teacher. At one time he was the chaplain of the California Legislature, and during the was was called to active service in the Chaplaincy where he remained until September, 1949, when he took over the pulpit of Temple Israel, Brockton, Mass. Prior to the war he served at the Temple B'nai Israel, Sacramenta, Calif. Last year, he began his present work as Rabbi of Temple Israel, Augusta.

#### Colonnade Observes 25th Anniversary

This month the Colonnade celebrates its 25th anniversary. The next issue of the paper will be in honor of its silver anniversary.

There will be a luncheon in honor of the first editor, Mrs. Haywood S. Phillips, Atlanta, and our present adviser, Miss Mar-Tarpley Miller, of Elberton; Norma | garet Meaders. Miss Meaders, Jac Mobley, of Fort Gaines; Ag- faculty adviser, was one of the first students to work on the Louise Moore of Atlanta; Ollie staff. The staff also expects to Carolyn Moorehead of Fitzgerald; have Mrs. Bernice Brown Mc-Ann Morris of Tifton; Ruth Caro- Cullar as guest at the luncheon lane Moo, of Milledgeville; Carolyn to speak to the group, but this is

> The special issue of the paper will carry some of the articles written in the first issue of The Colonnade, and articles on how it has changed in the past 25

> There is only one copy of the first paper that we know of. This copy is in the office of Miss Mary Burns, secretary to Dr. Wells.

Mary Ella Wallace of Andersonville, Tennessee; Sara Sue Wans-Smith of Blue Ridge; Kitty Marie ley of Tignell; Barbara Ann Webber of Avondale Estates; Betty Smith of Elberton; Christine Jeanette Westmoreland of Ellijay; Strickland of Columbus; Betty Sara Lavine Whatley of Milledge-Stubbs of Macon; Sara Alice ville; Marguerite Williams of Sweatt of Lindale; Sara Ann Buena Vista; Carolyn Williams of Swint, of Dublin; Dorothy Lucille | Moultrie and Anne Willis of Will;

Thomas B. (Scotty) Cowan, pastor, Everybody's Church, Lexington, Kentucky, will be the main speaker in the annual Religious Emphasis Week, Jan. 23, 24, 25. Mr. Cowan was the dynamic leader of the week four years ago.

Thetheme chosen for the week, sponsored by the Young Women's Christian Association, and the Coordinated Council of Religious Activities, is "Christ on Campus."

Mr. Cowan will talk in chapel on Monday and Wednesday. The regular Friday chapel program will be moved up until Wednesday this week.

There will be platform addresses on Monday, Tuesday, and Wednesday at 6:15 in Russell Audi-

Three seminars will be held in the afternoons at 4:00 in Russell Auditorium. On Monday afternoon Dr. George Beiswanger will speak on "Campus Resources for More Purposeful Living." Dean Frances Hicks will talk on "Personal Success and Failure on Campus," Tuesday afternoon. Mrs. Kerr Taylor will end the Seminars on Wdnesday with "Why I Believe in the Bible."

Tuesday night there will be discussions in all the dormitories on campus, at 10:00. These discussions will be open, but will be led by the local ministers, Father John Toomey, Rev. James Teresi, Rev. Kerr Taylor, Rev. George King, and Rev. F. H. Harding. Reverend Cowan will lead the discussion in Terrell Rec Hall.

Dorothy Boyd, Atco, is general chairman of the planning for the week. The advisers are Dr. George Beiswanger, Miss Oudia Woods, Miss Isabelle Rogers, and Miss Weylene Edwards.

Serving on the student steering committee are: Martha Jane Durden, Jean Bridges, Jocelyn Mathias, an BlackwelJl, and Huanne

You many sign up in the YWCA apartment any time this week for a personal conference with Rev. erend Cowan.

#### Seniors Elect New President

Elections will be held Tuesday to fill the office of president of the senior class. Those running are Caroline Crotwell, Leesburg, Ga. and Phillippa Kandel, Savannah. Phillippa, who transferred from Armstrong Jr. College, Savannah, a biology major is president of the Penquin Club, past president of Ennis, and a member

of the chemistry and tennis clubs. Caroline, a elementary ed. major, is a member of the Elementary ed club, member of the Y cabinet and Rec Board, and senior representative to Student

#### NOTICE

Alice Marble, famous tennis champ, and noted lecturer will not be on the campus this Thursday to fill her engagement with the lecture series. She is not able to come because of illness in her family. Dr. Beoswanger, head of the lecture series, announced in chapel Monday that Miss. Marble will be asked to pseak at a later date.

#### Resume Of 1949 Ushers In Fabulous Fifties

While listening to the numerous dormitory her fests on how each ushered in the Fabulous Fifties I pondered over a few things that had happened this past year, and possibly what would happen in the next 50 years.

One of the things the students looked forward to was the quarterly increase in tuition. Then, surprise! In our report cards Christmas there wasn't an announcement of any rise in matricula-

Last year was said to be one of the most successful years for the ditch diggers around Milledgeville. They probably dug up the whole area of the campus, replaced it and had it landscaped at least ten times.

Then there was the installation of the sprinkler system in Atkinson and Parks Hall. This was fine. but one poor child who didn't understand how the system worked, lit a match under one of the pipes and discovered she could have a private shower in her own room if she had shower curtains.

Another surprise of 1949 was when the Milledgeville movies showed two A movies in one week. We hoped the good fortune would last, but that was the only week.

Probably one of the most exciting things of the year was not to be witnessed by most of the students. This was, summer school, where there were 20 boys in classes with the girls. In the afternoons, the boys and girls were allowed to use the swimming pool and stay down town until 8:30. Them was the days!

Then in the line of rule changes, they were drastic. We can now ride to supper with dates until 7:30. This is good, I suppose, except we aren't provided with dates other than an occasional limmy, who doesn't have a car anyway. Also, we may listen to our radios, and pay -1.00 per quarter for use, until 12:00 p.m. It really is great to hear the 11:00 news and find out about the outside world.

There were other things like the changes in faculty, new doctor, drop in enfollment, successful parents day, renovation of Mansion Hall, new faculty-student lounge, dormitory improvements,

#### Jessies Vote "No" To Coed Issue By Slight Majority

Well, the subject has been dropped long enough After four years it was brought up again in the form of a questionnaire by The Colonnade. You've guessed it. Everyone is wondering if he Board of Regents will make our college coed or not.

The possibility is greater this year than it was when the last vote was taken four years ago, because the enrollment is off approximately 400 students. Some attribute the drop to lack of interest the graduation of the GI students, making room for the girls in oher schools, and the birth rate drop of the depression years.

We realize that the Board of Regents will not depend on our feelings in their decision, but maybe it would be interesting to see how you feel about it, en massee. The survey is not 100%, but gives a representative group from each dormitory. Those not included in the survey were not in the dormitories when the surveyors visited their rooms.

The results are as follows:

			DOIL .

#### Guest Writer Says, "GSCW Is You"

What constitutes GSCW? Is it the dormitories; the academic buildings; the campus grounds, or the campus organizations and activities? Just what is it? I think you will find the above-mentioned constitutes part of it, but by no means all of it. GSCW is consituted by the people who live in those dormitories; the people who enter those academic buildings; the people who tread the campus grounds, and certainly the people who enter into those organizations and activities.

GSCW is you!!! Everyone of you. Had you ever thought about it like that? You are a vital and integral part of GSCW. You ARE GSCW. is then what YOU make it.

Your dormitory life is what YOU make it. Your academic wrk is what YOU make it. Your clubs and organizations are what YOU make them. Yes, you make it or break it. Think about it. GSCW

creation of new sort of lists called "sub-standard," and too many others to mention that were of equal importance to change on the campus.

You will agree that 1949 was different and exciting, with an unusual amount of fun for everyone. The Golden Slipper event was one of the finest ever witnessed in the 15 years, Parents Day was give the fall quarter freshmen two weekends. the ditto, and Annual Hike second ditto.

What the past year here was, I cannot begin to tell you because you have your own highlights of of what happened, but the final analysis can be enjoyed by every Jessie. A feeling of betterment and success of a college year are the final words.

#### Weeek-end Situation Being Considered

What with the increase of the plunging neckline, the nervous tension left over from Rita's baby girl, the new equation that took a mere 20 years for Albert Einstein to figure out-Dr. Wells announces in chapel that there is a possibility that the weekend allowance may be increased, IF we want it

Well, we'll get used to the necklines and Rita's baby is running close competition with those of so many famous stars at the moment. Also, the Einstein equation has to be worked out, and that will take time, so let's think about our proposed increase in weekends.

First, we should consider the damage that the unlimited weekend rule would cause. If freshmen were allowed to go home evey weekend, I'm afraid they would start their college life by being merely day students spending every weekend at home. Look back,, and see if you can't remember how carefully you planned your two cherished weekends fall quarter of your freshman year. Unlimited weekends would certainly take much of the fun out of college life in the dormitories. The traditions of GSCW that all Jessies should be a part of would become rather scattered, whereas, when we have a special event like Golden Slipper or a dance, very few of the girls would go home.

You say there is nothing to do on our campus on the weekends. Well, I will suggest a few things for you. Friday night is no longer a study hall night, so there is opportunity to attend the movies, or possibly a GMC baskeball game. The library is full of novels that should interest every type girl. (South Pacific is in now.) The music room in the library is open where you can listen to any type music you like. Also, in the library is a large selection of slides with a projector. Then, of course, you might have studying to do in the library. The Rec Association sponsors a play night in the gym every Saturday night. The Student Union is open where you can meet your friends, eat, and smoke in the new student-faculty lounge.

In the Terrell Rec Hall there are two bowling alleys, a pool table, open to everyone. For afternoons the pool is open, there are skates and bicycles for rent in the gym. We are allowed to go to Lake Laurel in chaperoned groups for the weekend. There is always a demand for a fourth in bridge or canasta in every dormitory.

See, there is really a great deal to keep you busy in the way of recreation on Friday and Saturday nights. Of course, you may be lucky enough to have a date, too. On Sunday, the Milledgeville churches plan programs that will meet with the needs of all college students, in the morning and evening. If anyone has extra time on their hands for any weekend they would probably find good, clean fun in working on some phase of THE COL-ONNADE.

These are just a few suggestions for the weekends when there isn't a class dance, dormitory party, Play Day, conference weekend, campus dance, Parent's Day, Golden Slipper, Annual Hike, skill club demonstration, field trip, Alpha Psi Omega play, or retreat, etc.

Student Council agreed on a plan that would winter and spring quarter freshmen three weekends. the sophomores and juniors, four weekends, and the seniors, unlimited or to be decided in their code. This plan would leave the cutting system as it is.

Who knows, maybe if they made the school coed, nobody would go home.

more popular than golf and tennis with boys and young men; and tennis leads the other two sports by a wide margin among co-eds. But whether it is tennis, golf or fishing, and whether a young sportsman or sportwoman is involved, the survey indicated that makers' brand names are still first choice as guides in buying equipment.

In other fields surveyed, the extent and power of student purchasing was equally evident. In record players and recordings, findings showed that 85.5 per cent of the students interviewed were regular buyers of records and that the popularity of recordings was high in all age groups from 14 to 26 years of age.

In motor products, the Foundation study showed that 3 out of 4 of the male students interviewed own or have access to automobiles. Tabulations revealed that 76.1 per cent of the boys and young men interviewed buy gasoline and that both boys and girls are buyers of the tires, oil and other products used to maintain automobiles in good running order. In other sections of the study, results demonstrated that the greatest proportions of students consider makers brand names as the most reliable guides in their purchases of watches. personal jewelry, candy and when buying gifts.

> The girls from the Upper classmen and Underclassmen clubs have volunteered their services from 3:00 until 7:30 on Thursday and Fridays and from 8:00 a.m. until 9:00 p.m. on Saturday. All the proceeds for the project go to the improvement of the Home Economics club. These are some of the services that are offered for only 50 cents per hour.

For Three Days

and dishes, polish silver, wax, or mop floors. Sewing-fit dresses, hem, make children's or doll clothes, make lamp shades. Gardening — set out shrubs, ets. Laundrying-launder ten napkins, linens, or curtains. Illness-help with, read to elders or little ones. Shopping - clothes, groceries. Painting—furniture.

This is an opportunuity many tired housekeepers to sit back and relax at the expense of these capable students.

## Third In Nation

The third rural home-management house in the entire nation and the first in Georgia is now under construction at Georgia that you once spent looking 'nating to announcement, today, by Dr. Guy Wells, president, and Dr. any more—you now want to look TO GSCW CAMPUS State College for Women accord-Katherine Holtzclaw, chairman of dead or alive. the Division of Home Economics.

requirements of a current national survey of rural housing and incorporates the finest and most convenient ideas and features suggested by the results of the survey. It is located on the edge of Nesbit Woods.

The rural unit will also include two-acre plot for vegetable gardens, a barn, a poultry yard and nouse, and a pasture. Within the immediate vicinity of the project the College owns nine acres, a portion of which will be available to meet additional acreage needs of the project.

Eight home economics majors and a director will live in the house and manage the project, beginning with the spring quarter of the current school year.

The new home is being constructed to round out the program of the Home Economics Division in the home-management area of study and research. Already on the campus are a beautiful urban home and a typical urban apartment which are used by the Division to prepare its majors for life in two of the average housing situations of today. The rural home will afford experience in the third such situation.

Among Georgia colleges GSCW was the pioneer in home economics and is still blazing the trail.

THESE STUDENTS are Chinese college students on the long march home from their university's wartime quarters, find shelter for the night in a Shanghai Student Hostel, such those maintained all through China by the WSSF.

Make plans now to be liberal in campus contributions to the GSCW drive for the WSSF. The drive on our compus is headed by Pat Wall, and will begin in February.

THE COLONNADE

January 17, 1950

New York beauty, Virginia Wilson, puckered prettiest and came up with the most alluring and inviting prelude to a kiss to top competition and cop the crown as "Pucker Girl" of the year in a contest staged by Lip-Tex, new creation to prevent lipstick smear.

Ladies can now eat, drink, smoke and be merry without leaving red smears on hankys, glasses and cigarettes. Easy to apply, the new addition to milady's daily make-up routine is a liquid solution applied to the lips over the lipstick and keeps the original application in perfect condition from dawn to dusk. Lip-Tex is proving popular with the girls-and with the guys, too!

The alluring and curvaceous Miss Wilson, though "Pucker Girl" of the year, is not available to prove validity of claims that the lipstick sealer prevents lipstick smear in clinch.

week the students voted to do away with using the hostess system at breakfast and lunch and use it only at the evening meal

The hostess system has been rather abused in the past and has become completely passe in the dining hall at the morning meal.

Jean Crittenden asked for a comment from the student body on the question. Evelyn Knight, rules.

In a student body meeting last sophomore, suggested that the ritual takes too much time and that it be done away with completely. Amy Bartlett, junior, made a motion that the system be used only at night meal and Sunday lunch. The latter was voted and passed by a student body show of hands.

The hostess system is one of the old GSCW traditions set up under the "Campus Courtesies"
