Approximately 50 foreign students from Universities and Colleges over the state gathered on the GSCW campus last week end for the annual Georgia Rotary Students' Conference.

Arriving on Friday for registration, the bulk of the delegates were housed in the Alumnae Guest House and Ennis Hall for the three-day conference.

Saturday morning they were

welcomed by Miss Sofia B. Castro of the Philippines and present GSCW student, and Dr. Guy H. Wells, and the conference settled into the day's meetings and activities. Miss Aliki Zafiriadou of Greece and the University of Georgia gave the formal responce, followed by Mr. William A. Watt, chairman of the meeting with a discussion of the purpose of this yearly conference. In the afternoon session, delegates heard an address by Mr. Kendall Weisiger of the Atlanta Rotary Educational Foundation and the Georgia Rotary Committee, who then led an open discussion of the delegates on Ways to Improve the Rotary Foreign Student Program in Georgia.

Named As Outstanding Entertainment

Mata and Hari and Company, the nation's most famous comedy dancers, longtime concert favorites, and now top dance attraction on television, presented a concert at GSCW Monday, Jan. 14. Their performance was the second in this year's Milledgeville Community Concert series.

Ruth Mata and Eugene Hari have received wide acclaim as the outstanding novelties of the eentertainment world. Their recent T-V successes have greatly enlarged their public, and this season the five-member company is touring more than 70 U.S. cities.

The two stars lead the dance field as satirists and mimes. They spoof the ballet, the sports newsreel, the rarified precincts of Carnegie Hall, the circus, modern are, and Latin - American night clubs. In a program designed for the eye, the car, and the imagination, Mata and Hari have been delighting audiences ever since their American debut in "The Strawwhat Revue", a Broadway musical. More followers were won . by a year's run at Billy Rose's shoe in Ne w York and by frequent appearances on the stages at Radio City Music Hall.

The Swiss born dancers turned to the concert stage in 1947 and. have made nationwide tours every.

Consensus of the regents was that this sum is urgently needed for new buildings and construction at the University."

The quote above from a Red and Black student newspaper article last week sat side by side an article devulging that present enrollment is now at its lowest point since World War II. Of course, over on page 4, three editorials explain that the buildin program is to accommodate the 1960 expected enrollment of 10,000 students.

Now our problem is that surely there will be a Yew more college-ripe students than 10,000 in 1960, considering as one of the University editors points out, the whopping baby crop of World War II . . but then maybe the Committee forgot there are 17 other unts to the University System, including 10 other school campuse (that is, not counting the Extensions and Divisions). Plan Ahead For WSSF

Those of us who talked with any of the foreign students who were on campus last week end really got some first-hand knowledge of the hardships under which students are living in foreign countries.

When we gripe here at GSCW about the food in the dining hall or about our clothes, we should be ashamed because we have no idea about the deplorable conditions under which students over seas are living. We cannot possibly realize what

it is like to be hungry or to wear worn-out clothes. These facts should make us conscious in this land of plenty. Also these facts have made some of us think ahead to the World Student Service Fund (WSSF) Drive which will begin February 18.

The money which we give in this drive will go to help relieve the suffering of our fellow-students overseas.

Sale Of Calendars Will Start Soon

GSCW calendars will go on sale in the lobby of the SU again soon, announced Wynelle Oglesby. These calendars still have two quarters (Winter and Spring) to go and due to a deficit budget, their price cannot be cut from

It seems as though CGA is in the red for about \$60.00 unless more of the calendars are sold this quarter. If you miss the SU sale and want to buy a calendar, contact Wynelle or any member of Student Council and they can get one for you.

Student Teachers Are In Off-Campus Center

Ten home economics student teachers, under the supervision of GSCW's division of Home Economics, directed by Misses Gladys Gilbert and Neva Jones, associate professor of home economics, are now practice teaching in five Georgia high schools.
