#### Scandinavian Expert Speaks To Students On Lyceum Program

As the final program in our 1954 Lyceum Series Mr. Henry Goddard Leach was presented in an address in Russell Auditorium on Friday morning, April 2. The GSCW Lyceum Committee, headed by Dr. Donald MacMahon, have sponsored in the Lyceum programs this year, Miss Cornelia Otis Skinner, famed dramatist and author, and S. E. Gerard Priestley, English-born student of world affairs who spoke on "The Challenge of the Twentieth Century."

Mr. Leach is a native of Philadelphia and studied at Harvard University. He taught several years at Groton School and at Harvard and since 1912 has been an executive of The American-Scandinavian Foundation of which he is now Presirent Emeritus. The editor of The Forum and Century Magazine for nearly twenty years, Dr. Leach is regarded as one of the outstanding speakers at GSCW in several years.

1 In recent years, Mr. Leach has lectured in one hundred and twenty universities and colleges in the and Scandinavia, A Pageant of Old Jean Floy; Bray, June Susan. Scandinavia, and The Fire's Center. Among his awards are the degree of Doctor of Philosophy from Harvard University and the Uni- Christian, Dido; Collins, Martha versity of Upsala in Sweden, the Patricia; Combs, Mary Jim; Craig, titles of Commander of the North Star and Commander of Vasa from Sweden, Commander of the Dannebrog from Denmark, Command-Commander of the Falcon from Iceland, and the medals of Phi Beta Kappa and the Poetry Society of America.

According to the Seattle Times, he "has done more than any other living person to promote international education between Scandinavian lands and the United States." Wells College comments, "It was a new experience to many of the students to discover so much humor and humanity in one and the same speaker. As one Senior put it, it was a treat to shake, for one evening, the great world of letters by the hand." The title of Dr. Leach's GSCW address was "The Cultivation of the Beautiful."

#### Discussions Of Rule Changes At CGA Retreat

"The forward look" was emphasized in C.G.A's spring retreat which was held at Lake Laurel on Friday and Saturday, April 2nd and 3rd. One of the big issues of the retreat was 'rule changes. Each rule was seriously considered and thoroughly discussed. There were several suggested changes that the group immediately threw out because they felt that such changes would definitely defeat some of the objectives that CGA, Rec, and CGA, the Spectrum staff, and Pre-Y are promoting collectively. #### "Young and Fair"

"Young and Fair" is the title. The cast is composed of no less than twenty-one females! It is to be presented April 22, 23. And it's different!

Its appeal should be felt throughout the campus for it concerns life within a girls' college. And it depicts the triumphs and downfalls of student and faculty with warmth, humor, and tenderness. The plot is centered around a domineering girl whose drive for power succeeds only in bringing disaster to the school.

Of the twenty-one roles, some shall be filled by Caroline Griffith, Ann Johnson, Jeanine Tyre, Kathryn Reeves, Lee Strozier, Peggy Ann Von Pippen, June Bray, Della Ruth McKenzie, Nancy Kobs, Helen Barnhill, Jean Mitchell, and Peggy O'Neill.

## THE COLONNADE AND YOU

The Colonnade is a vital organ of the GSCW student body Unlike a mirror, it gives the reader more than a general idea of her appearance—it goes deeper, far deeper, because it shows the attitudes and convictions on this campus.

#### I AM GSCW

(Reprinted from the Sept. 30, 1952 issue of the Colonnade)

I am GSCW—I am an instrument to be used and polished to be wielded and wrought by the eager minds of striving students. -Next to Compus Theatre-

After a week of missing all of you during the Spring Holidays there were plenty of reunions at the Y Retreat Last weekend, when all of the old and new cabinets and Izzie and I gathered at Lake Laurel. See Billie Sue's article on Retreat on page three and get the details from all the people who went.

The next big get-to-gether I attended was the Cabinet meeting over in the 'Owlcove' last Wednesentered the Owlcove after Vespers, a long receiving line welcomed them, and our distinguished president, Erin Turner, passed out tooth paste (peppermint candy) with the dignity proper to her position. Following the minutes she started off with a BANG, exhibiting the iron hand she was given by Phyllis, the retiring president, and after reminding everyone of the new campus motto "VULTURES FOR CUL-TURE" (in light of the appreciationu hour at 8:30) she hurriedly began the agenda.

Various committee chairman gave their reports of the work they have already begun during the week's time. Bible Study Breakfast has a new subject for this quarter, First John. Dallas, announced that waffles will be served Tuesday to quench the fires of hunger. The Taps Committee has reported two new slogans, "SAVE SANFORD" and "TEAR OUT TO TAPS." It appears that the new taps groups have been organized, consisting of Izzie, Wizzie (yours truly) and Wong Cong from Hong Cong, which is held in the Owlcove every evening.

Patsy Blalock reminded us to register to vote by May 1st, and announced that Current Affairs is planning to have a mock political rally of the Georgia Primary in Chapel one day this quarter. Each gubernatorial candidate will be represented by a girl on campus, and his particular views and platform will be presented. I wonder who will represent my old friend of the swamps, POGO?

ATTENTION PLEASE! The new "Y's OWL BULLETIN BOARD with a picture of me on it has been put up in the S. U. Keep your eye on it!

Perhaps you didn't know it, but everyone is invited to the foreign student forums at 6:45 every Thursday evening in the language institute. Watch the bulletin board for the topics to be discuss-

It appears that Izzie is going to be very busy since Erin's favorite phrase is, "Will you arrange a meeting with Izzie?" I hope that. I don't get involved with all these arrangements.

We had very special guests present at cabinet meeting. Jan Anderson, Jo Strickland and Sue Osburn were there. Jan gave a very long speech with follows. "Huh?" Some very good news was told by Sue, The P. E. Dept. and Rec. are buying 25 pairs of roller skates for those girls who are little wheels". and maybe some bikes for the "big wheels".

And with that everyone scattered to get ready for the concert. See you around.
