Modern Dance Club To Perform In Recital Tuesday, February 15

On Tuesday night, February 15, in Russell Auditorium at 8:00 P. M. the GSCW Modern Dance Club will present its annual home program. Features of this program will be a new duet, Opening Dance, composed and danced by Joan Klecan of Guyton and Sally Robison of Monroe. The new big dance of the Senior Modern Dance Club is entitled, Kapers In The King's Kitchen. The audience will be ushered into the Kitchen where the Chef, maids, cooks and kitchen boys are excited over the preparations for an Important Event. The music is The Comedienne's by the modern composer, Kabalevsky. In this dance drama Joan Klecan has made a new solo which she titles Reminiscence; Angelyn Amis has composed a new solo, entitled Protector for the Lady Fair; and Sally Robison has choreographed a new solo which she calls Imaginary Queen. The dance drama opens with a Prologue in the Kitchen with cooks, maids, kitchen boys and the main chef all scurrying around to get ready for the big festivities. It closes with a Scherzo by the Maids and Cooks, and an Epilogue in which all the dancers appear

once again.

The new dance drama of the Junior Dance Club is Alice in Wonderland. The group dances will be the Wonderland Group; In a Flower Garden; The Unbirthday Dance; and The Cards. The various roles will be danced as follows: Alice — Carol Reynolds; The Rabbit — Nan Davis; The Queen — Angelyn Amis; The Cheshire Cat — Sally Robison*; The Walrus — Nelle Stanton*; The Carpenter — Luanne Harden*; The Mad Hatter—Jean Sparks*.

*These roles are supplied by members of the senior group.

Repeat performances of familiar dances will be the comedies, 'Hi! Sailor!'; Daisy at the Derby; Rehearsal Under the Big Top.

Mrs. John Kidd is in charge of the lighting effects. The light crew will be June Bray, Peggy O'Neal, Modene Jones, Sonya Reddick, Jo Anne Virden, Tot Crooke. The Dance Club is under the direction of Dr. Barbara Page Beiswanger.

Others on the production staff: The production staff is composed of the following people:

Costumes Committee — Junior and Senior Dance Club members and their mothers; Luanne Harden, Virginia Watts.

Cover Design Committee — Sherry Horne, Peggy Morgan, Charlsie Pritchett.

Programs Committee — Dr. Donald Fuller, Barbara Avant, Sylvia Hollis. Make Up Committee — Betty Smith; Posters Committee — Sherry Horne, Peggy Morgan; Properties Committee—June Daniel; Publicity Committee — Mr. Hugh Cheek, Angelyn Amis; Front Curtain Committee—Peggy Sosebee; Ushers Committee —Physical Education Majors; Victoria Committee — Sylvia Hollis.

GSCW's Alumnae Loyalty Fund Grows

At its last annual meeting the Alumnae Association endorsed an Alumnae Loyalty Fund, and eliminated the payment of annual dues. This Loyalty Fund, part of a long range program, gives each alumna the opportunity to participate in the association's program, according to her own ability and desire.

Alumna Helen Pace Thompson, of Atlanta is chairman of this first fund. Three mailings have been made to alumnae, and the third one which features "ALF" has brought the greatest response. The first contribution was received on October 15, 1954, and since that date 826 alumnae have contributed a total of \$3,787.15.

Some of the projects of the new program include the issuing of the alumnae paper "Columns" to replace the old "Alumnae Journal," providing additional scholarships, improving the Alumnae House as Campus Headquarters, and stimulating the return of more alumnae for Golden Slipper.

Miss Estelle States

Miss Estelle States Featured Speaker At BSU Banquet

The Annual BSU Banquet will be held Friday night, February 11, at 7 o'clock P.M., in the First Baptist Church of Milledgeville.

Miss Estelle States, from the Department of Student work of the Baptist Sunday School Board of Nashville will be the guest speaker. She is an outstanding participant in student work and has been a leader in all Baptist Southwide Youth movements. She is known for her wit and humor plus the wonderful ability to aid in the guidance of young people. Miss Slater is always one of the principal leading speakers at Ridgecrest during BSU week. She is, also, the Associate editor of the Baptist Student. Our BSU is indeed fortunate in getting Miss States because of the full schedule she always has. Also, we are proud of the fact that on her first trip to Middle Georgia, Miss States made our BSU among the first of her visits to the Southwide College Campuses.

The music for the evening will be furnished by the GMC Quartet. Mary Louise Burk, Social Vice president, is chairman of the committee which is planning the banquet.

"Anchors Aweigh" is the unique theme for the entertainments which are planned.

Get aboard the BSU Party Party Liner, which sails on Friday night.

Porter Art Gallery Exhibits Paintings By The Herrings

Frances Hall Herring and Frank Stanley Herring are showing a group of their paintings and sketches done in Europe last spring, and others done at different times in Nassau, Pawley's Island, Sea Island and St. Simons Island. Among Mr. Herring's work will be portraits in oil, watercolor, and pastel.

This is Frances Herring's first show in Milledgeville, but she has had a one man show in New York City and a joint show with her husband in Columbus. Her paintings have been included in group shows in New York, Miami, Asheville, Charlotte, Columbus, and Sarasota. She is executive secretary and a director of the Burnsville Painting Classes Inc., a summer art school in North Carolina, which has been operating for nine years. Mrs. Herring is a graduate of GSCW and Columbia University. She also studied painting at the Ringling School of Art and with her husband.

Frank Stanley Herring is a nationally known painter who has had several shows at GSCW and done several portrait demonstrations at the College. He is President of the Burnsville Painting Classes Inc., and conducts classes in Milledgeville during the winter.

Mr. Herring has endeared himself to the students of GSCW by giving much of his valuable time in advising the "Jessies" in the field of art. His lectures are of such caliber that everyone's eyes

On Tuesday, February 8, 375 girls out of 463 students on campus voted in the elections for presidents of the three major organizations, College Government, Recreational Association and Young Women's Christian Association.

Elected were Betty Jo Strickland of Hampton, Georgia, president of the College Government Association and Sue Ozburn of Savannah, Georgia, president of the Recreational Association, and Gloria Erwin, of Milledgeville, Georgia, who defeated Ruth Brown of Metter in a runover election on February 10, 1955.

The past records of the newly elected presidents are evidence of their capability and leadership abilities. All are quite active as members of the junior class and responsible leaders in students body function.

In the past, Sue, Ozburn, new president of "Rec", has worked hard as treasurer and vice president of that organization. Last year and this year she was president of the Penguin Club. She is sports editor of the "Colonnade" and Spectrum, treasurer and publicity chairman of the Physical Education Club, and fall quarter she was a junior advisor to the freshmen, and was the hard working chairman of the flats committee for the junior class during Golden Slipper.

Jo Strickland, president of College Government, 1956 style has done more than just matriculate for three years past. She has represented herself well in everything from discussions on Shakespeare, to playing a good game of softball in the softball intramurals. Jo has served, as vice president of her class in her freshman year, a member of "Rec" of which she is publicity manager and as a member of the Spectrum staff, occasionally she even writes for the "Colonnade". During her

March of Dimes Report

GSCW students and faculty contributed generously to the March of Dimes this year. Dr. Henry King Stanford, chairman of the campaign, reports the contributions as follows: Beeson, \$6.85; Bell, \$32.86; Ennis, \$6.39; Terrill Hall (A,B,C), \$31.00; Faculty, \$103.80. The total amount collected on the campus was \$180.85. Dr. Stanford was well pleased with the response and expressed his appreciation to the students and faculty for their cooperation in this worthy campaign.

In connection with this report we have an important announcement to make. Martha Collier is at home! Last week at Warm Springs she received a brace and is now learning how to use it. Martha continues to have that cheerful smile and winning spirit, and maybe she will be able to visit us soon.

For those who would like to send Martha a card, her home address is: Martha Collier, Route Two, Athens, Georgia.

are opened to the surrounding beauty of life.

The Art Department hopes the GSCW students will avail themselves of the opportunity of seeing the paintings, which are now on display at Porter Art Gallery.

Mrs. Wyatt New Alumnae Guest House Hostess

(By Betty Jones)

Mrs. T. F. Wyatt is the new hostess in the Alumnae Guest House of GSCW. She has been living in Haralson, near Griffin, Ga., since the death of her husband in 1951.

Mrs. Wyatt graduated from the State Normal School in Athens, Ga. It is now a part of the University System. She taught school eight years before her marriage. Three of these were spent in Virginia, and three in Atlanta, where she formerly lived, while her husband was connected with the Gulf Oil Corporation. He was transferred to Florence, South Carolina, where they made their home.

Mrs. Wyatt has two sons. Tom Wyatt, Jr. is a graduate of "The Citadel" or the "Little West Point of the South". He is now doing graduate work at the University of Florida, studying Electrical Engineering. Lynn Wyatt is a senior at Clemson College, in South Carolina, and expects to do graduate work in Electrical Engineering, also.

Mrs. Wyatt enjoys trying out new recipes. She also finds pleasure in the culturing of lovely flowers. While in Florence, she organized a garden club and was president of it for three years. She also served as President of the Literary Club of Florence.

She has traveled over a good part of the United States, having been in forty-four of the forty-eight states.

Mrs. Wyatt grew up in a family of twelve children, alternating, boy, girl — boy, girl — from the oldest to the youngest. Her sister, Miss Sadie Jacque Hutchinson, is a graduate of G.S.C.W.

Mrs. Wyatt reminds you that the hour to make reservations for your guest is from 6:30 to 7:30 after supper.

GSCW is very proud to have Mrs. Wyatt. We extend a very hearty welcome.

Notable Books of 1954 On Library Shelves

Recently issued is a pamphlet entitled, "Notable Books of 1954". This is an annual compilation first issued by the American Association in 1944. It has been the responsibility of the A.L.A. Public Libraries Division for the past eight years and is a venture in co-operative book selection.

Immediately following the appointment, the Notable Books Committee goes into action: establishing criteria, reading and re-reading countless books, and preparing and voting on preliminary and supplementary lists in co-operation with 79 participating libraries in all parts of the country. The final deadline for the hard pressed group is late December. The Notable Books of 1954 were selected in terms of quality, authenticity, honesty of purpose, and potential contribution to the resources of the reader as a citizen and as an individual.

The college hopes that all of you will get over to the library and see the display of these books; which have been put out to interest you in reading them. The library now has all 35 of these great books ready for you to check out and enjoy reading them. Just to mention a few well known ones:

THE EDITOR SPEAKS

LET'S GET THE 95%!

Two hundred GSCW students did not vote. Why? The election certainly was publicized with posters, "I have voted" tags, COLONNADE articles, and by various other means. The goal for this election was for 95 percent of the student body to vote. It was a woeful failure.

Lagerblad

It is important not only for you to select the girl you think most capable for the office, but to reassure the winner that she has the support of a student body which shows at least enough interest in what's going on around them to cast their vote. Were there 200 Jessies who didn't look in their mail boxes on February 8? You know the answer to that, yet the polls were only about six steps from the mail boxes!

Fortunately you will have capable officers. The petition plan of nomination assures that to a degree. But are the girls who will lead you next year, in minor offices as well as major ones, going to be prohibited from improving GSCW because their fellow students just don't care?

Going back a bit further than the election. What about petitions? There are many girls in this college who would do a good job in an office, yet only a very few, sometimes only two, petitions are received for the offices. This is not right. You know who can come through—nominate them!

The minor officers will be petitioned and elected soon. It's your duty to take part in these proceedings. Let's make that 95 per cent goal this time!

Lincoln... Yesterday's Railsplitter, Today's Political - Model

By RUTH DIXON

The record left for posterity by Abraham Lincoln is not merely the story of a railsplitter who became President, or a prairie lawyer who reached world fame. To the majority of his countrymen, Lincoln became the embodiment of democracy the ultimate in American genius. Perhaps no historian will ever penetrate deeply enough into the records left to discover the real source of his inner strength. No doubt many authors will attempt to explain his rise to fame and his claim to glory for generations to come, but each of them will find it hard if not impossible to answer where and how he learned statecraft, yet he will always serve statesmen as a guide and mentor. Today his words and the rugged vigor of his ideals have an even greater vitality than during the years of inner struggle within the nation that Lincoln sought to hold together. Men will continue to appeal to the spirit of Abe Lincoln the man, and to the wisdom of Abraham Lincoln, the statesman.

College Releases Summer Schedule

For all of the industrious students, who plan to attend summer school in 1955, there is a summer school bulletin awaiting them in the Registrar's office.

Courses will be offered in the many varying areas of study and the maximum credit for each term will be 10 quarter hours.

The first term will open June 13 and will end July 16. The second term runs from July 19 until August 20.

The doctrine that the end justifies the means, in the sense in which it is usually taken, is not only ugly and false but actually self-contradictory. For, to suppose that there is any end or good, however high, that would justify any means, however vile, is to forget that the high good itself must include as its most essential part the preservation of spiritual integrity. The reason why "it does not profit a man to gain the whole world and lose his own soul" is that world would really worth gaining would include that soul as an essential part.—William P. Montague.

Supervisors of Student Teachers 2nd Annual Conference To Meet

The Second Annual Conference of Supervisors of Student Teachers met on campus on February 10-11. Registration began at 3:30 on Thursday and the adjournment was at 4:30 on Friday. The Conference this year focussed on "The Supervising Teacher and the Program of Teacher Education—An Appraisal of Current Practices—A Forward Look."

Dr. John Goodlad, who directs the program of teacher education at Emory University, was the guest speaker. The address on Thursday night was "The Supervising Teacher's Role in the Program of Teacher Education." His address scheduled for Friday morning was titled "Whether Teacher Education?"

There was a panel discussion, which was under the direction of Mrs. Edna Tolbert, on the program. This panel was composed of teachers from the areas who have had recent student teaching experience. The discussion was on "Student Teaching and What it Contributed to my Work as a Teacher." Miss Emma Ruth Cawley, who is now teaching in Waynesboro schools, is GSCW's representative on the panel. Miss Cawley, originally from Sparta, has a B.S. in Home Economics. She is a graduate from the 1954 graduating class.

There were many discussion periods planned for general discussion of ideas for improving the work of the supervisors. Among others on the program were President Henry K. Stanford, Dr. D.F. Folger, Dr. Hayden Bryant, Mr. Lee Stoner, and Mr. Starr Miller. The coordinators of student teachers in four colleges participated in the conference. The coordinators were: Mr. Lee Stoner of Wesleyan College, Mrs. Edna Tolbert of Mercer University, Dr. Starr Miller of Bessie Tift, and Dr. Walter B. Mathews of GSCW.

Approximately seventy-five supervising teachers participated in this conference and five representatives from the State Department of Education were present. Instructional supervisors and principals from counties in which off-campus student teaching centers are located also attended the conference.

Dr. Mildred English helped to coordinate plans for this important conference.

Judiciary Charges Students To Set Standards High

By Louise Powell

When many people hear the word "Judiciary," they immediately think of court, placing girls under restrictions, or other thoughts similar to these. Not nearly enough of us realize the other responsibilities our representatives to Judiciary have. For some reason or another, we always think of them as the ones who make certain rules which are not broken. Judiciary definitely works very closely with the rules, but her duties lie not only in seeing that the rules we GSCW students have adopted as the ones we want to live by are not broken, but also in finding out what is wrong when rules are repeatedly violated.

We realize that all of our rules might not be good rules, but we also believe that as long as they are rules they should be obeyed. In order to find out which ones need to be changed, we work closely with the dormitory councils and keep our ears open for any complaints.

Last Spring while we were working on the Handbook, we found many things that we felt unnecessary, and we already have

JESSIES By Charlsie Pritchett

Were You An 'Inovoted on February 8?

Georgia Girls Guest Assembly

Students at the Georgia State College for Women were hostesses for the Georgia High School Seniors who attended the Georgia Girls Guest Assembly, January 28 - January 29, 1955. The Seniors were invited into the rooms of the Freshmen in Terrell, Sophomores and Juniors in Bell and Beeson, and the Seniors in Ennis.

Miss Gloria Vicedomini, professor of Modern Languages, acted as general chairman for the Assembly. Miss Mary Thomas Maxwell, Dr. Henry King Stanford, Miss Rosaline Ivey, Miss Lucy Robinson, Mr. Hugh Cheek, and Mr. Herbert Myers played important faculty roles. Many of the students held responsible planning positions and even more served as official guides or hostesses. These students included June Kitchens, Inez Layfield, Peggy Sessions, Peggy Jo Yearwood, Pinky Wilson, Marianne Berry, Sue Herndon, Yvonne Watson, Margarette Bass, Sara Frances Poney, Carolyn Fowler, Pat Davis, Austra Steinhards, Rosemary Cary, and Carol Carr.

The program included many of the activities included in a quarter at GSCW. The Seniors were invited to the activities provided by GMC, the program on the Lecture Series, the production by College Theater and the A Capella Choir, the cooperative and dedicated faculty, and the Social functions at GSCW. The YWCA, YCA, and CGA presented activities provided by their organizations—among these were Information, Please, Pajama parties and Taps programs, and Play Day!

Information, Please, gave the students an opportunity to explain academic and extra-curricular life at the college. The Seniors learned of the honorary fraternities, departmental clubs, religious denominations, opportunities for student aid work and Scholarships, the Appreciation Hours, Art Exhibits, College Choir trips and other functions of GSCW.

The Georgia Girls Guest Assembly was a success! The GSCW Students enjoyed their guests and feel that many of them will be Jessies!

World University Service Auction

One of the main features of World University Service Week was the auction held in the Student Union during chapel periods on February 8-9. The freshman "Y" Commission with Emily Carter as head was in charge of this project, and President Stanford served as auctioneer. Other students on the auction committee were Willene Ruffin, Jane Bonner, Jean Walker, Shirley Varnadoe, Carol Taylor, Mary Alice Summerlin, Jackie Parker, Myrtle Sanders, Frances Padgett, Sara Rice, Marty Camp, Betty Keaton, Frances Domingoes, Elizabeth Weldon, and Ann Robertson.

Among the items auctioned, were an informal supper for five girls in Dr. Dawson's home, an 8 x 10 photograph offered by Mr. Specht, an offer by Miss Ivy to hem two skirts, and a spaghetti supper at Mr. Noah's. The total of the two auctions amounted to \$59.80.

ATTENTION!! COLONNADE MEETING February 15th at Chapel period in the Colonnade Office. New officers are to be elected.

SPORTS & FEATURES

Inside The Jessie Sports World With Sue Ozburn

This past week end eleven GSCW students journeyed to La Grange College for a friendly game of basketball. The GSCW girls were given a very friendly welcome by the La Grange students and the trip was very enjoyable.

The trip was even more successful when we won the basketball game by the close score of 45-42. The game was hard fought and both teams played heads up ball.

The Jessie offensive cause was led by the freshmen, sophomore, Junior combination of Domingos, Barineau, and Ozburn, who all hit in the double column with 14, 16, and 12 points respectively.

The guards also played an outstanding game. Williams, Camp, Sims, and Brown all stood out defensively.

Those making the trip were: Stella Alston, Jan Haines, Sue Ozburn, Jo Virden, Mildred Barrett, Joyce Barineau, Judy Brown, Suetta Sims, Marty Camp, Gus Williams, Frances Domingos and Miss Joyce Mills, coach.

FRESHMEN TROUCE SENIORS

In the first class game the freshmen beat the seniors by a one sided 58-34 score. The freshmen took an early lead and the seniors never came within 10 points of catching them. The freshmen were led by Nancy Short, Frances Domingos, Marty Camp and Gus Williams, while the senior's losing cause was led by Stella Alston, Lil Parker, and Sally Robinson.

ALL-STAR TEAM

Ten players have been elected by your votes as the all-star team. This team will play the winner of the class tournament. Those selected to the team are: forwards, Nancy Short, Frances Domingos, Joyce Barineau, Dot Cook, and Sue Ozburn, guards, Marty Camp, Gus Williams, Reba Sutton, Judy Brown, and Dot Thrasher. These

Four Indonesian Students To Arrive For Study Here

By Mary Bonzo

February 12 is to be a big day on our campus, for four lovely young ladies will arrive here from Indonesia. Their names are: Miss Moeljati, Miss Custina Agus, Miss Utariyah, and Miss Nina Kardinah. They are graduates of an Agricultural College in Indonesia and are being jointly sponsored by the Agricultural Division of the Indonesian Government to study Home Economics here in the United States.

They are the first to be sent over by the Indonesian govern-

ment and we are very proud and happy to have them on the GSCW campus. Their sponsor is Miss Gladys Gilbert, Professor of Home Economics. Before arriving here they have been in Washington studying English. They will stay here until after graduation, studying Home Economics, and they will then go with a Home Demonstration Agent to some area in the South.

Wadad, whose educational tour is sponsored by the local AAUW, Delta Kappa Gamma, and International Relations Club, is traveling in the daytime by bus so she can see more of the country. At night she is staying in the homes of faculty members, GSCW Alumnae, and Rotary Club sponsors. Some of her activities include attending the State Rotary Convention in Savannah, giving talks about

her country to club meetings and to student assemblies, and attending study groups.

The first stop on her journey was Young Harris College where many teachers for the schools of that section of Georgia are trained. Last week, she visited schools and clubs in Florida and appeared on TV in Jacksonville. During February, Wadad will continue her travels, going through the South - western states and out to California. Then in March, she will travel eastward again stopping in Utah, Colorado, Missouri, Ohio and Michigan. In June, Wadad will come to GSCW for graduation and will later return to her native country, Israel.

Wadad El-Khazin Journeys Through Mountains, Prairies

by Jean Stokes

Foreign students, who are studying in the United States, always hope for an opportunity to travel in our country. Wadad El-Khazin, who came to GSCW on a Rotary Fellowship, is realizing such a dream. From January to June, 1955, she will be visiting schools, universities, clubs, and points of interest throughout the United States.

MISS MARIBELLE BENTON

Dr. James Bonner... Professor - Historian Journalist - Editor - Builder - Author

Dr. James C. Bonner, professor of History and Social Science at GSCW has been recognized for many years as one of the outstanding historians of Southern history, but the people of GSCW, also, respect him for his kindly teaching manner, and for the ability he possesses in making his classes interesting by quoting the traditions, quips, and incidents of the past.

Dr. Bonner was born in Heard County, Georgia and he states that it has never had a bank robbery or a railroad robbery since it had neither businesses until a bank was established several years ago.

He attended Texas College of Mines and studied Mining Engineering and later received an A.B. degree in Journalism at the University of Georgia. He received his Masters degree in History and Political Science at the University of Georgia, and his Ph.D. in history at the University of North Carolina.

He coached at Cave Springs, Georgia where he was principal,

and he later became Head Master at the Carleton A and M School.

He continued his teachings at West Georgia College (where he coached the first athletic team of West Georgia College that won the State Baseball Championship in their first year), and at Randolph Macon College in Virginia. In 1944, Dr. Bonner joined the faculty of GSCW and in 1952 he taught at Emory Graduate School on a leave of absence.

Dr. Bonner has written articles for the "American Historical Review," the "North Carolina Historical Review," the "Georgia Historical Quarterly," "Social Science," "Agriculture History," "Journal of Southern History," and he is co-author of the book "Studies of Georgia History and Government" which was published in 1940. Recently he was named to the Executive Committee of the "Agriculture Historical Society," and is an editor on the board of the "Journal of Southern History."

Dr. Bonner lives with his charming wife and three children, two sons and a daughter, in a beautiful Mount Vernon type home that he built himself of homemade bricks from homes in and around Baldwin County.

One has only to visit his home to know that Dr. Bonner's hobby is building and that his profession is truly that of a history teacher.

Miss Benton Enthralls Her Audience With Piano Recital

On February 9, 1955, Russell Auditorium was the scene of a brilliant piano recital presented by Miss Maribelle Benton.

Before coming to GSCW Miss Benton received her Bachelors and Master's Degree from the Cincinnati Conservatory of Music. After completing her work in Cincinnati, Miss Benton studied piano under Karol Lisznievke and later under Gaby Casadesus in N. Y. At GSCW, Miss Benton is an instructor in piano and is one of the three advisors of the Beta Rho Chapter of the Sigma Alpha Iota music fraternity.

The program Miss Benton presented included: "Prelude and Fugue in A Minor," Bach-Liszt; "Variations on a Theme" by Schumann, Brahms; "Nocturne in C Sharp Minor," and "Nocturne in F Minor," Chopin; "Ballade in F Minor," Chopin; "Gardens sans la Pluie," Debussy; "Voiles," Debussy; "Filius pres de Carantez," Rhene Baton. These pieces were well received by a very much appreciative audience.

Dean of Women of Muskogawa College, Japan, Visits Campus

Lattie Stancil

During the past two weeks the GSCW campus has been visited by Mr. Akira Kusaka, Dean of Muskogawa Women's University in Nishimomiya, Japan, for the purpose of observing the education of women in America.

Mr. Kusaka, sponsored by the Ministry of Education of Japan, the U. S. Department of State, and the U. S. Office of Education, will make stops all over the United States for observations of various colleges. His stay in Milledgeville and his trip to New Orleans will be Mr. Kusaka's only official views of the South. In his six months tour of American colleges, Mr. Kusaka wants to find what goes into the education of women in this country and what goes into the training of teachers.

In Japan Mr. Kusaka is the dean of a college with an enrollment of about 3,000 Japanese women, most of whom are studying to become teachers. In addition he has a very attractive wife, and his immediate family circle is rounded out by two little girls, ages three and seven.

After completing his tour of the United States, Mr. Kusaka plans to meet his wife and return to Japan by way of Europe.

A New Place To Study

By Carolyn Morris

Are you bored with studying in the same old dull place? Well, why not consider a change and come over to the new science building to study. The professors of the chemistry and biology departments have made arrangements for the building to be open every week night from 6:30 to 9:00 o'clock P.M., all day Saturday until 9:00 o'clock, and from 2:30 till 9:00 o'clock P.M. on Sundays.

Some of the luxuries that you may find will include a restful library with comfortable chairs, numerous scientific reference books, and the calculator which is located on the third floor, which enables one to calculate those inevitable labs!

The interesting exhibits found throughout the building will be of special interest to everyone. Dr. Stokes and Dr. Keeler demonstrate their creative ability and which have been prepared in the knowledge with their exhibits on second floor while Dr. Vincent decorates a showcase on the third floor. By the way, speaking of exhibits, have you seen Dr. Keeler's new blue parakeet? His name is "Marchi" which means "Little Boy Blue."

Also of special interest are our seminars which are held twice a month. This coming February 9,

"Buzzing Around"

Greetings to all the "Jessies." Well, I really enjoyed the seniors during High School Guest Assembly, but I sure was worn out from all the activities and parties I went to during the weekend. If the guests had as much fun as I did, then boy, they really had a big time. A round of applause goes to everyone on the campus for helping to make it the success it was. This school was really "topsy-turvy" with so many girls running around loose. Now, we can settle back to those books. After those mid-quarter exams, groan, groan, oh, my aching cranium, I surely need to study. How about you?

Monday night there was one surprised girl on this campus! I am speaking of Carolyn Morris, and it seems January 31 was her birthday. I know you are wondering, but don't ask for she doesn't divulge that secret. Being a special day for her, her boy friend, Bill, came over and took her to the Sanford House for supper. By some very odd coincidence her whole family was there, and Bill had with him a beautiful cake. It really was a lovely surprise, and a nice way to celebrate her birthday.

From what I have heard, a gay time was had by all when Jo Nan Ritchie had her sister, Dorothy, and a friend down for the weekend. Another visitor was Betty Ruth Kitchens, who visited Jean Cheeley in Beeson. Sure was nice to have her back with us, for we love our dear friend and enjoyed her visit.

From my eavesdropping on several conversations I learned that the Modern Dance Club is giving a dance program February 15. From what I could hear it really will be something to see. As for me, I'm going. By the way, Lee Lee Wheeler Martin, former vice president of the Modern Dance Club, has sailed to Germany to join her husband.

Well, news is short now, but I'll be back in the next issue with all the latest and remember, I'll be buzzin' around . . .

RAIN, SLEET, SNOW

A Cappella Choir Hits the Road

by Emolene Ennis

Those singing vagabonds are at it again. The first tour performance of the A Cappella Choir was held at the Gordon Methodist Church, Sunday, January ninth. Although one can never tell about a first performance, this one proved to be the one that tested the will of the members, and united them as a choir.

The next performance, at Warrenton, January sixteenth showed the effects of the first concert — a better performance.

Through sleet and snow, the valiant soldiers battled their way to Louisville and Sandersville, January 23, stopping every half-mile, it seemed, to wipe ice from the windshields.

The latest performances were at Madison and Covington. Everyone, including "Papa Noah", as Dr. Max Noah is affectionately called

the discussion will be on the plant, datura. Carolyn Register will discuss the history of the plant and Carolyn Morris will give the physiological effects. During the discussions, hot tea and cookies, which have been prepared in the new modern kitchen, will be served by everyone.

We sincerely hope that you will begin to use and enjoy the building; so I'll be seeing you while you study, or at the seminars!

by the choir members, will agree that these last performances topped them all. It should be noted that the people of Covington must have undoubtedly anticipated a hungry crew, for "they fed them to the very brim," nearly ruining the breathing of the choir — quote "Papa."

By this time the choir has definitely proved what it is capable of and will do. True, there is yet a lot of hard work and rough practice before perfection is achieved, but the members are rugged and the rewards are for winners.

Hard as it may sound, there is no "all work all the time" in choir. There are as many amusing things happening on the way to and from a trip as well as at school. Of course there is the usual "uke" on the bus, and everyone who is able usually joins in the singing, much to the torment of the old members who lecture, "Save your voices for the concert!" They are answered by a laugh and a song. Spirit runs high in this choir, and it is getting higher. If all goes well, this could easily be the best year in A Cappella history.

Beginning the week end of February 18, the choir will tour the southern part of Georgia performing in churches, high schools, and junior colleges, making as many as four appearances in one day. Then in March comes the "big" trip: Chicago, where the choir will spend several days, having given concerts in Tennessee and Ohio — and let us not forget Kentucky. On the return the choir will perform in Indiana and several other places; Cartersville, Georgia being the last.

Freshmen Class Presents Officers

(By Betty Jones)

Perhaps you would like to meet the officers of the Freshman Class who have taken office since Christmas.

Patti May, from Warner Robins, takes the job as secretary. She has chosen Elementary Education as her major. Patti's outstanding hobby is music, although she has many.

Mickey Young, from Savannah, is the new representative to C.G.A. Her major is in the field of physical education. She finds pleasure in swimming, as well as in a certain fellow, named Roy.

Coreda Jefferies, from McDonough, is the new representative to the Judiciary. She has been brave enough to tackle Chemistry as her major. Her hobbies are books and sports.

If you do not know these girls, make it a point to meet them.

Fashion's Fads

ANNE RAINWATER, Guest Writer

They say that a young man's fancy turns to love in the Spring! Better prepare yourselves, girls. Our favorite season is just around the corner. It's time to arouse your fashions interests in the vogues of a new Spring.

Princess styles are definitely a new switch for 1955. These dresses, made with unaccented waistlines and usually full skirts from the hipline down, are cardinal to any girl's wardrobe. Being most flattering and stylish, they are useful for dating or for church wear.

Dainty batiste blouses are never to be omitted from your Spring apparel. They are certainly neat when you accompany them with full skirts. Of course, full skirts must be worn with petticoats, crinolines, or hoops to produce the right effect. Among these three, the petticoats are easier to purchase. They may be bought in all sorts of fabrics and colors.

Speaking of colors, the new green that you have probably acquired a taste for is "avocado green." This exciting color may be found in shoes and handbags, as well as dresses. You would certainly have an adorable costume with matching dress, shoes, and handbag of avocado.

Artificial flowers add that certain fresh, spring look to your cottons. This year they will be even prettier. And jewelry! Did you ever think you would be wearing a wooden necklace? Believe it or not—wooden jewelry is in the spotlight for future accessories.

There is no hurry, girls. Old Man Winter is still hanging around. Maybe he could take a hint if you start wearing cotton blouses with bright checks and figures with your winter skirts,

DO YOU KNOW THAT

Dr. Fuller edits an "Armchair" bulletin?

Annetta Hobbs, freshman, is Georgia's State Marble Champion? GSCW has a former, State FHA Secretary, National Vice President, 2 State Vice-Presidents and a State Program Chairman?

Mary Ann Thomas's purpose in studying German is so that she will be able to greet her family

when she meets them in Europe this summer?

GSCW has a former State 4-H President, Vice-President and that there are seven Master 4-H Club members on campus?

A "Jessie" is a former State Farm Bureau Queen?

Many "Jessies" work their way through school, and that one paid the tuition by raising sheep.

STRICKLAND, OZBURN HEAD

Continued from Page One

Sophomore year, she was president of Phi Sigma, honorary scholastic society. She was also vice-president of the Literary Guild of which she is now President. Jo is a valuable member of the Penguin Club as well as secretary of the same organization. Fall quarter of this year she was a junior advisor and chairman of the theme and entrance committee for the junior class at Golden Slipper time. Jo rises to the position of President of College Government after seven quarters as a very active "Jessie." At present she serves as vice president of C.G.A.

NOTABLE BOOKS OF 1954

Continued from Page One

"Man's Unconquerable Mind," Gilbert Highet, "God's Country and Mine", Jacques M. Barzun, "My Several Worlds", Pearl Buck, "The Measure of Man," Joseph W. Krutch, and many, many more wonderful books of 1954.

This is another advantage offered you here at the Georgia State College for Women and it is your privilege to benefit yourself by reading some of these Notable Books of the past year of 1954.
