Ten Seniors Honored As Members In Phoneix

by Dot Kitchens

for the ten Seniors who have recently been honored with membership in the Phoenix Society for their outstanding scholastic achievement which places them in the upper seven per cent of their graduating class.

FRANCES ANNE KING has been granted a Carnegie Fellowship and will study for her Master's Degree in Library Science at Peabody College in Nashville, Tennessee.

EVA WEBB returned to our compus in January with several years of experience in teaching and secretarial work. After graduating in August of this year, Miss Webb plans to work in the field of regional library service. On April 25, 1959, CAROL JEAN FOX became Mrs. Gerald Bentley, Carol Jean will soon be working in the Bioligical Laboratory of the Communicable Disease Center in Atlanta.

SYLVIA BLACKWELL will begin her career in the field of Elementary Education next Fall, as elementary school in Monroe.

MARILYN McCRARY will-also The future holds great promise be teaching an intermediate or upper grade in an elementary school.

> EVELYN BOHLER plans to continue toward her goal of a career in the State Department by studying at the American Institute for Foreign Trade in Phoenix, Arizona.

MAXINE KLECKLY is currently doing her student teaching at Hapeville High School while comparing the merits of a career in the business world with those of the business education profession. BARBARE O'NEAL has been granted an Assistantship for the coming year at the University of Pittsburg, where she will study to become a laboratory technician. BILLIE ANN BECKHAM plans to teach commercial subjects at Roswell High School.

CAROL EADY CLAYTON will be living in Augusta next year as her husband is a student at the Medical College of Georgia.

Congratulations are in order for each of these girls who have she teaches the sixth grade of the brought honor to themselves and to GSCW.

Many Activities And Recognitions Characterize Honors Day This Year

Today, May 7, Georgia State College for Women is observing Honors Day. During a studentfaculty convocation campus leaders will be recognized, the Distinguished Service Award will be presented to Robert O. Arnold, chairman of the Board of Regents of the University System of Georgia, and Miss Katherine Comfort, supervisor of art in the Atlanta Public School system, will be named 1959 Distinguished Alumnae.

Activities will begin immediately following registration of parents and visitors. An opportunity to meet the President and the Administration will be provided at 10:45 a.m., when visitors

gather on the patio of the Student Uniion for refreshments. A tour of the campus will begin at eleven o'clock. Open House will be held at the Mamie Padgett Art Gallary, the Business Administration . Department, the Language Institute, the Science Building, and the Y apartment. Demonstrations will be given by the Modern Dance Club, the Penguin Club, and the Tumbling Club. The college choir will be in continuous rehearsal at Porter Auditorium.

Don't forget the picnic lunch to be served on front campus at 12:30.

Special ceremonies will begin with a formal procession into Russell Auditorium at 1:30. Dr. Robert E. Lee will deliver the convocation, following which Dr. Bar-. bara A. Chandler, Dean of Students, will present the major campus officers of 1958-59. These are: Cynthia Cunningham, Barbara Martin, Daisy Hammett, Janet Roquemore, Lynette Ard, Anne Blakely, Carolyn Hughes, Corinne McLemore, Ann Williams, Sandra Brock, Faye Teague, Lora Collins, Ann Googe, Peggy Eubanks, Betty McWhorter, and Charlotte Hollis. Dr. Donald H. MacMahon, Dean of Instruction, will present this year's nominees to Phoenix, the highest scholastic honor for seniors: Billie Ann Beckham, Sylvia Sarol Eady Clayton, Carol Jean Fox, Frances Anne King, Maxine Kleckley, Marilyn McCrary, Barbara O'Neal, and Eva Webb. Miss Alberta Goff, associate professor of music, will present, the GSCW Alumna Achievemen¹¹ Award to Miss Katherine Co fort. After Miss Comfort's ther tance speech the college cl give special music at thing the Dr. Lee will then hat many Distinguished Servi the South-Robert O. Faculty Committee Approves Changes

After the student body votes on a rule change, it must then be voted upon by the Faculty Committee on Student Relations. This Committee has passed the following rule changes:

1. That the Rec Halls be opened on Friday and Saturday nights to dates if the dormitory votes to do so.

2. That students be allowed to spend the night in another dorm on Friday and Saturday nights.

3. That NO ONE be allowed to smoke in the dormitory parlors. (Fathers, dates, etc.)

These rule changes are pending: 1. That students be allowed to wear sports clothes to lunch on Saturday.

drive their cars to other student's student union. Have you been School in Atlanta, Miss Comfort active in work for young people homes and other colleges on the weekend with parental permission given on blue sheet.

riage policy, section C.

4. That the GMC Officers Club proper credit can be given. The be placed on limits to girls with final date to submit your entries dates on weekends.

Did You Go To The ? Last Saturday Night?

Just because the GMC Cadets were on bivouac last Saturday night, that didn't deter the Jessies one bit! Almost 200 heads were counted that Saturday night and almost the same, number this previous Saturday.

And the jukebox! Doesn't it liven things up? And how about the new pennents? U of Ga., Auburn, Florida State, N. Ga., — Really helps, doesn't it? But, there are even more plans afoot. From the latest report by Mr. Meyer, there's a good possibility that when the Jessies return next fall, the ? will be completely redecorated!

In case you're wondering about the question marks in this article, table in the College Post Office --3. The rewording of the Mar- and, be sure and include your name with your entry so that

met with the British, French, and West German Four Geneva meeting, May 11. They reached campus. One slowly begins to sense a faint has said that she will refuse to accept this plan, haunting refrains or Terrell's "Bali Hai", and tiate on parts of it.

' The danger of the Communists taking over in Iraq is extremely serious. If premier Kassem gives in to Russia's latest demands, Iraq will probably be lost. The Communists have asked to be taken officially into the government and the army. If Russia does take over, there will be increasing pressure of Iraq's neighbors, and the Baghdad Pact would be outflanked. President Nasser of the United Arab Republic could be a great help in saving Iraq, but the West is still not sure how far the break between him and Russia has gone.

The Tibetan revolt is causing quite a stir in Red China. She charges that India and the West encouraged Tibet to start a rebellion. India's Prime Minister Nehru, although urged to change his foreign policy in light of these Communistic charges, is retaining his position of neutrality between the East and the West. However, there is some evidence that Nehru has been shocked by the tragedy in Tibet and hy the West has always distrusted Russia ping Jessies' spring hats. will change his stand of neutrality.

Have you noticed how "pink"

ciary, Treasurer of College Government Association, and Freshnan Representative on the Executive Committee of the choir Barbara is a member of Allegro and A Cappello.

Page 3

Although her calendar of camous activities is quite full, Barbara finds time to serve as Music Director of Baptist Student Union on Campus. She enjoys taking part in church work also.

Barbara, Miss Georgia Farm Bureau of 1958, admits that cooking s one of her favorite hobbies. Spring quarter has brought around an opportunity for Barbara to add to her varied interest the game of tennis. Although not an expert yet, Barbara enjoys playing and makes a special effort to set time aside from her schedule to improve her skill.

Rosalyn Barnes To Participate In Student Trainee Program At Oak Ridge

Rosalyn Barnes is to spend ten weeks this summer working and studying at Oak Ridge. Her work will be in the Division of Chemical Research. She is one of twenty college students from the Southeast who have been selected to participate in a pro-

gram which is part of the student trainee program offered by the Oak Ridge Institute of Studies. Rosalyn's nomination to take part in this program was made by Miss Trawick of the GSCW Science Department. She was recommended by two other members of the faculty and also sent in a transcript of her record and an outline of her future plans.

Rosalyn, a junior from Pine Mountain, has a double major in English and chemistry. She is not completely sure of her future plans, but she wants to do college teaching. He hobbies include reading Romantic poetry, hiking, raising bunnies, and exploring country roads.

Letter To Students

Reverend Harry Smith, our last Religious Focus Week speaker, brought out the fact that our greatest problem is that we have no problem. Could it be, too, that our greatest spiritual need is the fact that we recognize NO spiritual need?

You can never know what rich- cern our greatest spiritual need ly rewarding experiences can come from Religious Focus Week until your focus has been on your personal religious needs.

its attention on this week, but we're going to need your help in

Rosalyn Barnes deciding upon our greatest spiritual need. Through participation in taps on Monday night and with your cooperation in answering the questionnaires which will be given you on Thursday night, we can decide on our Religiion Focus

Week theme which should conon campus.

To guide our thinking during the 1960 Religious Focus will be Dr. John F. Anderson, minister of "Y" has already begun to focus the First Presbyterian Church in Orlando, Florida.

Schools of Georgia Invaded By Many **GSCW Student Teachers This Quarter**

Perhaps you've noticed the conspicuous absence in classrooms and on campus of a great many of our seniors. These girls haven't been expelled, nor are they having a "last" fling at cutting . . . indeed, they're now working harder than ever They are practice teaching.

School. Those teaching in the Atlanta

area are: Sylvia Blackwell, teach-

ing sixth grade at the James L.

carry all those "HOT" winter woolens home with you, if you're coming back to WHY school at G. S. C. W. next year?

> Here's the easy way to care for them The "Box Storage" Way.

Just let PROTECTIVE LAUNDRY & CLEANERS deliver a box to your dorm. Put all your winter clothes in, then call Protective.

We'll pick up the box – clean & moth-proof, and store your clothes until you come back to school next fall. Then we'll deliver them to your dorm-clean and freshly pressed-ready to wear. While they are stored with us they will be insured against any type of damage-moth, fire, or theft.

The cost—only the regular cleaning charges plus \$4.50 storage and insurance charges. CALL-3237 for information
