A Message To High School Seniors:

Welcome, you 400 prospective new students! We certainly hope you have been enjoying your visit and will continue to do so while you are here.

This year, High School Weekend has been done a little differently from past years: Georgia Military College coming to our campus instead of our goto their assembly in ing the afternoon; and, departmental visits and tours available on Friday afternoon. This new procedure will enable visitors to schedule more during their stay.

Large Audience Turns Out For **Ruth Page Chicago Opara Ballet**

by Jane Foy

The Community Concert Association of Milledgeville was host to the nationally famous Ruth Page Chicago Opera Ballet Wednesday night, February 7.

Included on the program of fine performances was the dramatic ballet, "Camille", starring Melissa Hayden and Kenneth Johnson. As the audience watched, the exciting cast of dancers revealed the story of the worldy courtesan, Camille, and her tragic love affair with the handsome and highly respected young man, Armand the assistant conductor. Mus-Duval.

"Divertissement", a short humerous ballet, gave to all an interesting glimpse into the personal lives and feelings of horses in love.

The last performance was the delightful and intriguing cert.

story of "The Merry Widow" starring Sonia Arova as the widow and Kennith Johnson as Prince Danilo with whom she falls in love. Enchanced by the title music of the opera, this performance proved to be as fascinating as those preceding it.

The balleta were staged and chogeographed by Ruth Page with Rolf Gerard managing the stage settings and scenery. Costumes were excuted by Karinska and the orchestra was under the direction of Neal Kayan with Kenri Ferber as ical adaptations were by Issac Van Grove and the ballet

master was Larry Long. A large audience of interested local citizens as well as many college students filled Russell Auditorium for the appearance of this fine con-

Woman's College Alumnae Reach Half-way Mark in Alumnae Fund

This year marks the eighth year of the annual giving program which is in lieu of Alumnae dues. All classes compete for the top ten spots. These are figured on a percentage of participation.

Through the years, the fund has primarily been to provide a scholarship program for both Freshmen and upperclassmen. In the ten year period scholarships or grants-in-aid have been given to 70 girls. These girls have received more than \$10,000.

For the past two years, this fund has underwritten for the college the National Defense Education Act for \$4.500 which makes available \$40,500 under this program. The Federal Government presents \$9 to every College Theater \$1 on the local level. 136 girls have been benefited by the Natonal Defense Act.

Of Pirates and Pixie Dust

By Jane Seal Do you believe in fairy tales? If you're not quite sure, why not let WCG's Penguin Club help you make up your mind? These agua maids have gone aqua mad for the past month what with composing themes, scripts, stunts and formations that this year's demonstration might be the best yet.

Complete with a fascinating Tinker Bell and a terrifying Crocodile, Peter Pan comes to our school via the Penguin Club February 22. With scubtukkatubg music from the original Mary Martin Brodway Musical, as well as thrilling sounds from other albums, the show promises to be well worth seeing.

Nancy Edlund, with instinctive skill and grace stars as the legendary Mr. Pan. Bouncy, vivavious Judy Norton was truly type cast as the Tinker Bell we've seen and read all of our lives. Lynn Mead lends a lovely rendition of Wendy, and Olvnda Butler and Linda Smith are wonderful as Mi chael and John.

The Little Lost Boys are: Becky Huckaby, Penny Robinson, Sue Borella, Emily Arrington, Nancy Brown.

Ann Settles, Sharon Thatcher, Sherry Williams, Sudy Vance, Mot O'Quinn and Mary Lowe Thompson are the mermaids.

The burly, robust priates are Max Williams, Libba Mitchell, Judy Dyer, Dell Pyron, and Elaine Crawford.

The Indians, screaming, painted and unafraid are Kay Morris, Nancy Alford, Jane Seal, Nanette Cargille, Judy Camp, Carole Davis, Pam Miller and Carol Dickerson.

Still rather wash your hair than come? Well then, if you've already seen Helen George as Captain Hook, and Penguin's Mascot, Doris Jacobs as the fercious crocodile: then maybe you'd be bored; but I doubt it.

Omicron Plans **Spring Activities**

There are forty-six chapters of Phi Upsilon Omicron in the United States, and one of these chapters, Alpha Eta is located on the campus of the Woman's College of Georgia. This chapter is one of two in Georgia, the other one being at the University of Georgia.

Phi Upsilon Omicron is the professional home economics society for junior and senior women. It's purposes are "to establish and strengthen bonds of friendship, to promote the moral and intellectual development of its members, and to advance and promote home economics."

In order to be selected for nembership, a girl must be at least a junior by winter quarter of the year she is pledged. and she must show outstanding qualities of character, leaderhip, and scholarship.

In addition to members from he student body, there are hoorary members, persons who have graduated from a school which offers a major in home conomics, and who have contributed something worthwhile to their profession. This year, Alpha Eta chapter initiated Dr. Ruth Sneed, Chairman of the home economics department on our campus, as an honorary member.

Poll: Student Point Out Features

by Sharon West What Feature Of The Woman's College Would You Like To Show The Visitors At **Guest Assembly?**

Sara Jayne Freeman like the varied academic program and the different organizations such as "Y". "Rec" and the choir. I also think we have fine teachers.

Cuba Spivey - The WGC campus has a very friendly atmosphere.

Gayle Still - I'd point out the honor system first. To be able to trust people gives you a warm feeling inside. Second, I'd point out the friendliness of the people.

Rita Perdue — The friendly relationship between the student body and the faculty is important. I'm also proud of the opportunity that we have to see noted performers in ** fine arts.

Rosemary Bates — When came to guest assembly last year I was particularly impressed by the fact that the blessing was sung in the din ing hall. I was impressed, too, by the cordial attitude dis played by both students and faculty. If you come here a total stranger, you leave, a friend

Helen Dulack - They have Phi Upsilon Omicron's ac tivities during this year have been centered around inform ing our campus with the chapt er. There have been a panel discussion and an exhibit case to show some of Phi U's work. Before the winter Dance, Phi U sponsored a campus wide Candlelight Dinner for the

girls and their dates. The work for the remainder of the year will be working as co-hastess for the National meeting to be held in June at the University of Georgia.

At the end of Spring Quarter each year, Phi Upsilon gives an award to a Freshman home economics major who has shown outsanding qualities of leadership, character, and scholarship.

a nice group of teachers here. There is a good faculty-student relationship which is important. Without it one loses a lot. Sandra Rattray — There is

an opportunity here for a well rounded education in all respects, if one will just take advantage of it.

Elizabeth Moran - I think the faculty are well qualified. Besides that there is a ratio of one faculty member to every 14 students.

Susan Cosey - Each department's having its own club gives a student a chance to become better acquainted with his field and an opportunity to work with others in the same field.

Rita Rattray — I'm proud of our friendly student body. Every student sems to take an interest and a part in things that go on on the campus.

Judy Knuckles — I'd point out the friendly atmosphere . and the honor system. Shirley Moore — We have

an excellent student-faculty relationship. Susan Gresham --- When I

came to guest assembly. I was intrigued by Dr. Lee.

Angie Shaw -- Something that has meant a lot to me is the wide variety of activities we have on campus and the equal emphasisps on the Three major organizations - GCA Rec, and "YWCA".

Anna Beall - I would point out the co-operation between students and the faculty and the high academic standards.

KATHY MCLEAN HEADS C. G. A.

To be president of such an mportant organization as CGA a very great honor as well as an important duty. In taking this office, Kathy realizes the many problems with which she has been confronted.

The plans which Kathy tends to execute are many but there are same that are more prominent. More students wareness of CGA's activities and more campus wide participation are very high yet very needed goals at which Kathy can aim. That many students think of CGA as an organizaion for a chosen few is a para nount problem which Kathy must confront and tackle to the best of her ability.

In Kathy's 3 years at the Woman's College she has held several important offices which will be a great advantage to her as president of CGA. She has been corresponding secre tary of CGA, secretary of "Y". and freshman representative to CGA. For 3 years. Kathy has gestions for improvements in been very active in Golden Slipper. College Theatre Reports

As usual College Theatre has followed a rugged schedule thus far this school year with more to follow soon.

The Fall Quarter production of "Mr. Pottinger" kept the cast in rehearsal nightly and afforded five freshmen and one tranfer the opportunity to become acquainted with requirement for membership in College Theatre.

With the play completed, the players could attend to other business at hand. That business was the election of officers and the induction of a new member. This new member was sophomore Kay Hussey. The Players then put her right to work by electing her secretary-treasurer for the group. Cindy Bender was elected president. Other active members of College Theatre are Joy Anderson, Pat Gibson, and Martha Crawford.
