

**Doctor of Nursing Practice Translational Research and Clinical Project  
Dissemination Approval Form**

Student Name: Jennifer Goldsberry

Student Signature: 

Methods of Dissemination proposed by student:

1. Poster presentation at GNLC DNP symposium on 11/14/15
2. Power point presentation to Student Health Services staff on 12/10/15
3. Manuscript submission for publication to JAANP

Approved:

Committee Chair Name: Leslie Moore, PhD, CNE, MBA

Committee Chair Signature: 

Committee Member Name: Deborah MacMillan, PhD, RNC, CNM

Committee Member Signature: 

Committee Member Name: Scott Butler, PhD, MPH, ACS

Committee Member Signature: 

Date: 11/11/2015

## DNP Translational Research and Clinical Project Final Approval Form

**Project Title:** STD Education and Awareness in Greek Society College Students **Defense Attempt** 1

**Candidate Name** Jennifer Goldsberry **Chair** Dr. Leslie Moore **Date** 11/11/15

The candidate addresses each Translational Research and Clinical component:	Approved	Approved with the following recommendations	Not Approved	Comments
Background information demonstrates the focused need or problem.	✓			
Literature review supports significance / relevance of problem / proposed project / intervention	✓			
Need, feasibility and significance are clearly presented	✓			
Problem/purpose clearly described	✓			
Scope of project realistic and appropriate	✓			
Framework (theoretical/conceptual/practice) is described/evident and applicable	✓			
Other:				
Literature, benchmarks and supporting data provided and organized into integrated synthesized summary	✓			
Project objectives stated in feasible and measurable terms	✓			

Congruence of organizations' strategic plan to project is described	✓			
Other:				
Appropriate for objectives	✓			
Clear rationale for actions/method	✓			
Setting and group clearly described	✓			
Implementation methods/tools are feasible and clearly described	✓			
Resources/supports and risks/threats and benefits noted	✓			
Time line is clearly described and feasible	✓			
Evaluation plan is coherent / consistent with project plan	✓			
Evaluation measures linked to objectives	✓			
Outcomes / evidence-based measures appropriate for objectives	✓			
Tools / instruments described and linked to measures and objectives	✓			
Method of analysis clearly described for each measurement.	✓			
Results organized in appropriate format.	✓			
Results linked to problem statement.	✓			
Described the extent to which the objectives were achieved.	✓			
Addressed key facilitators and barriers that impacted the project's objectives.	✓			

Described unintended consequences) both positive and negative.	✓			
Recommendations/Implications addressed for problem statement, supporting organization, key stakeholders, other settings, and student.	✓			
Included recommendations related to Identified facilitators/barriers and unintended consequences.	✓			
Addressed any ongoing activities or evaluations outside the scope of the DNP Translational Research and Clinical Project.	✓			
Recommendations are described within the framework of the organizations' strategic plan.	✓			
Contribution to Personal Goals in advance practice nursing.	✓			
APA format followed appropriately; writing is scholarly and clear; appropriate for doctoral level education.	✓			
Candidate articulates response to program/clinical questions arising from this project.	✓			
Extent to which candidate met goals/aims of project. If not, appropriate rationale and	✓			

explanation provided.				
Extent to which candidate integrated scientific curiosity and inquiry in project completion.	✓			
Extent to which candidate analyzed issues and provided critique of advanced nursing practice within the project.	✓			
Extent to which candidate demonstrated practice inquiry skills including appraising and translating evidence.	✓			
Evidence of candidate's ability to engage in collaborative partnership(s) in designing and implementing Translational Research and Clinical project.	✓			
Ability of candidate to articulate state of current knowledge as it relates to advanced practice nursing in the health care system.	✓			

**Overall Evaluation of the Translational Research and Clinical Project Presentation**

**Approved**  
 Summary Comments: *Goldberg - Student*

**Conditional Approved**  
 Required revisions:

**Not Approved**  
 Summary Comments:

*Chair - Leslie Moore 11/11/15*  
*Scott M. Butler 12-2-15*

<b>Background and Significance</b> Background information demonstrates the focused need or problem.	<b>Approved</b>	<b>Approved with the following recommendations</b>	<b>Not Approved</b>
	✓		

Literature review supports significance / relevance of problem / proposed project / intervention	✓		
Need, feasibility and significance are clearly presented	✓		
<b>Problem Statement or Purpose</b>			
Problem/purpose clearly described	✓		
Scope of project realistic and appropriate	✓		
<b>Theoretical Framework</b>			
Framework (theoretical/conceptual/practice) is described/evident and applicable		✓	change theory to planned behavior
Other:			
<b>Project Description</b>			
Literature, benchmarks and supporting data provided and organized into integrated synthesized summary	✓		
Project objectives stated in feasible and measurable terms	✓		
Congruence of organizations' strategic plan to project is described	✓		
Other:			
<b>Project Design</b>			
Appropriate for objectives	✓		
Clear rationale for actions/method	✓		
Setting and group clearly described	✓		
Implementation methods/tools are feasible and clearly described	✓		

Resources/supports and risks/threats and benefits noted	✓		
Time line is clearly described and feasible	✓		
Project includes well defined opportunities for student to demonstrate leadership.	✓		
<b>Evaluation Plan</b>			
Evaluation plan is coherent / consistent with project plan	✓		
Evaluation measures linked to objectives	✓		
Outcomes / evidence-based measures appropriate for objectives	✓		
Tools / instruments described and linked to measures and objectives	✓		
Method of analysis clearly described for each measurement.		✓	Continue to develop stats analysis plan
<b>References</b>			
References that are appropriate to the topic and in APA format	✓		
<b>Approvals</b>			
Letters of support/Statement of Mutual Agreement from cooperating agencies provided.	✓		
Informed Consent, if necessary, meets human subject requirements	✓		
All approvals are in place	✓		
<b>Writing and organization</b>			
APA format followed appropriately:	✓		

writing is scholarly and clear; appropriate for doctoral level education.			
<b>Relevant program/clinical questions</b>			
Student can articulate response to program/clinical questions arising from this proposal		✓ continue to develop your understanding of your project	
<b>Dissemination Plan</b>			
Plan for dissemination is realistic and provides a variety of opportunities for the student to complete before the end of the program.	✓
