FOUN DATIONS FOR AUDIO-RIUM NOW BEING MADE

The destruction, by fire, of the administration building last December has caused the college to work much harder to make up for the losses that have been greatly handicapped since that class room, several offices, administrative offices, and the administration were destroyed. The fact that this college suffered for the lack of rooms before the fire, added more to the terrible disaster.

During the last meeting of the Sophomores, Dr. Parks asked for assistance. The meeting found the entire group in sympathy with the college and appropriations for $100 were voted. Mrs. F. C. Gott, president of the board of trustees of the College for Women, the first edition of the title to the senate for consideration, and all four classes were represented.

Many noted women will be present. Among them are Miss Mary Har- rison, a flavorful speaker who will address the students on "The Realization of Halls," who has been general secretary of Young Women's Branch in National General of T. W. C. U. of Missouri, will be a part of the program. Mrs. W. B. Put- hoff, general secretary of Young Women's Branch in National General of T. W. C. U. is scheduled to address the Commencement.

With Anne Elizabeth Branch an editor, the following G. S. C. W. Girls will be present:
Dorothy Robert, Elizabeth Ross, Lillian Vardon, Sarah Con- nor, Nettie Shipley, Minnie Bone, Virginia Arnold, Annie Jamison Goodwin, Catherine Hall, Grace Lawrence, Elizabeth Harris, Daphne Lewis, Mrs. John F. Wilkins, pictured in this edition.

SOPH COMMISSION BEGINS YEAR AGAIN

WHO were those sophomores and members who made up the mem- bers and membership committee, who were back on our campus a whole day before school opened this fall? Why were they there? What could they do for the college a whole day if there were no classes for them to attend? Those who formed the Commission who had returned early along with the "W" workers, they came to help meet the girls, especially the freshmen, as they came up for the first time. However, no one knew what difficulties they could find to test the determination of these heros for the first night. Did you have a good feeling deep down in you when you came to meet these freshmen and found your class arrested? You can guess who helped do it. And then there were those sophomores who had come only to take entrance examinations. Just suppose they had been chosen to form the committee that might have been ready to go home on the first train the next morning. Maybe you would like to know just a little bit about Sophomore Commission. Last spring about a month before the fall term, a group of sophomores were chosen by the freshmen class to be on commission. With W. B. Puthoff as secretary, and Thelma Burt, undergraduate representatives, all of those girls were to serve for one year, and it was thought that the work could be accomplished if they continued as long as possible.

SOPH COMMISSION BEGINS YEAR AGAIN

WHO WERE THOSE SOPHOMORES AND MEMBERS WHO MADE UP THE MEMBERS AND MEMBERSHIP COMMITTEE, WHO WERE BACK ON OUR CAMPUS A WHOLE DAY BEFORE SCHOOL OPENED THIS FALL? WHY WERE THEY THERE? WHAT COULD THEY DO FOR THE COLLEGE A WHOLE DAY IF THERE WERE NO CLASSES FOR THEM TO ATTEND? THOSE WHO FORMED THE COMMISSION WHO HAD RETURNED EARLY ALONG WITH "W" WORKERS, THEY CAME TO HELP MEET THE GIRLS, ESPECIALLY THE FRESHMEN, AS THEY CAME UP FOR THE FIRST TIME. HOWEVER, NO ONE KNEW WHAT DIFFICULTIES THEY COULD FIND TO TEST THE DETERMINATION OF THESE HEROES FOR THE FIRST NIGHT.
