SENORS ELECT NEW PRESS, FOR SPRING TERM

At a meeting of the senior class on Friday, February 19, Margaret Cunningham was elected president of the class to fill the unexpired term caused by the resignation of Dorothy Lewis, who has planned for a degree in February. Margaret has the unique honor of being the president of the class before coming up to the senior class in February.

SPRING HOLIDAYS ANNOUNCED

"Beauties Special, automobiles, wagons and cars will leave Millig
dale at two o'clock Friday, March 11," announced President Boman in regard to the spring holidays which will last until Monday night, March 17. The usual custom has been to begin the spring and fall holidays on Saturday evening, and the addition of Friday afternoon is welcomed news for the students and others.

GERTRUDE GILMOR ELECTED SENIOR CLASS DEBATER

At a meeting of the senior class on Friday, February 19, Gertrude Gilmor was elected debater for the class. Gertrude was nominated by the reading of "Inductive McClure," the subject of the debate. Reading that Chance is Right in bearing that all Organizations are Extraordinary, Privileges in China on January 1, 1918, will be held in the auditorium on the evening of April 3.

The ability and aptitude of Gertrude with the support of the senior class was found to cause a struggle for the other side.

THE BABY CLASS TO RECEIVE SELF GOVERNMENT

Marie Goodwyn, president; Hattie England, vice-president; Thos. Hatch, secretary; are the officers elected. The treasurer has not been elected yet, but the primary election showed a class rare between Dorothy Lewis and Mary O'Neal.

On February 15, the class nominated ten girls from which to elect their officers. Those girls were: Nell England, Griffin; Dorothy Lewis; Nona Viola; Marie Goodwyn; Bruce; Thos. Hatch, Benzemeister; Frances Adams, Reynolds; Carolyn O'Neal in absentia; May O'Neal, Brunsfield; Marius Napier, Minton; Martha Shaw, Atlanta; Panda One, Miss, Miss.

After naming those officers it seems unfair unless to say that this class will be a real breaker in things other than class.

DO WOMEN DRESS TO PLEASE MEN?

MILDRED SHÜTTLEWORTH

One of the greatest joys of college life for me is the chance to dress up in beautiful clothes. When I was in college, I used to spend hours each day selecting just the right outfit for my classes. I think it's really important to make sure that you look your best at all times, whether you're wearing something casual or something more formal.

I also think that dressing well is an important part of self-expression. It's a way to show the world who you are and what you stand for. I was always careful to choose outfits that reflected my personality and values.

Suppose you're asked to present yourself to the world with the latest styles in clothing? Would you dress to please men? fashionable, or would you put your own preferences first?

WHAT A CHANCE!

There were two chances for me. One, and you, too, if you'd like.

And you get the chance for a week's vacation in Hawaii.

And you get the chance to see the world.

And you get the chance to see the world.

And you get the chance to see the world.

A MESSAGE FROM MARS

On Wednesday, February 2nd, the Mars Science Lab reported a signal from Mars. The signal was received from the Mars Science Laboratory, which is located in the Jezero crater on the surface of Mars.

The signal was picked up by a probe that was launched from Earth in 2015. The probe has been orbiting Mars ever since.

The signal was sent by a device called a Marsis, which is a radio telescope. The Marsis is designed to detect signals from Mars.

Elnor, Givithale, Sins, Carolino, Green.
At the loney party that Ma and
Pa give for Ere after they have
moved to the city, there are several
other boys and girls who appear in
the act. They are Larry Davis, Hal
Owry, Louise Gentry, Frances Bone
and Alma Bone.

"BRINGING OUT DAUGHTER" is the story told in a most delight-
ful and laughable manner by "The
Daughter," Kew's presentation to soci-
yety in "the city."

NEW UNIFORM

The very latest Park creations
were shown at the G. S. C. W. store
Friday morning February 7, before
the school assemblies. Some striking
eastern suits in various shades of
brown were featured. From this
were selected for the season.

A popular note was taken and
after much deliberation a style was
selected on by the student body. This
is an attractive sports model that
will do justice to any wearer.

The student body voted to change
the present uniform and adopt this
brown suit dress to be worn with the
old model blazer coat and hat. This
will form a chic ensemble that G. S.
C. W. girls should be proud to wear.

DO YOU AGREE—YOU AND ME
"And you know how I just love
musical comedies?"

"And me, too!" I exclaimed with
the originality of a rubber stamp
when I heard that Mr.—you see—G.
S. C. W.—are going to have a really
musical comedy! And imagine
my other delight when I discovered
that it was written by my delightful
poet and song writer—Mrs. N Willis
Wormell Elsin. Now, I have always
heard that a real musical comedy has
songs and more songs with some
smiles and—just as much as "Bringing
Out Daughter" is full of. And one of the best things
about the whole affair is that she is
putting it on for the Y. W. C. A.

"And you know how I just love
musical comedies?"

"And me, too!

DORM LIFE

Your roommate gaily singing
And writing to her bowl.
While you are thumbing through the
numbers in the bath.
You think you will go crazy
With all the stupid lot here!
A sound dash out into the hall
To hunt some hot retreat.
When there a commotion up the stair
Your matron says you next.
The weary day is done Lightly out.
You've all a bit too hard
In steps "the keeper of the hall.
And says, "Write out a cool
Your prejudice you suffer and drift to
sleep.
Your dreams are scarcely onto
For you're waited with towing sound
The rick'ly bell again."
