WELCOME ALUMNIAE AND THANKSGIVING

Heart Songs—November:

When it wasn't so long, When it wasn't so hard, You'd best remember what a good thing it is to have a heart song, and never do let your heart song get out of tune, forsyth.

One of our girls was third place in the heart song contest in Chicago, which goes to show that there is a need for a college collection after all.

Prior to University week, our questionnaires to our alumni body just to find out how they were getting along and how we could improve our alumni magazine were received with enthusiasm. These include not only songs but also suggestions for the future, some of which may be found in our next issue. The suggestions include the idea of a regular column devoted to alumni news and events, as well as a feature on alumni careers and professional development. There were also suggestions for more interactive alumni events, such as virtual alumni reunions and webinars, to keep alumni connected and engaged.

We hope to implement many of these suggestions in future issues of our magazine, and we look forward to hearing more feedback from our alumni and readers. In the meantime, we encourage you to keep in touch and stay connected with your alma mater.

DORMITORIES TAKE ON NEW HOME-LIKE APPEARANCE

We have had many improvements made to our dormitories in the last year and we are happy to say that they now look even better. The improvements include the addition of new furniture and decorative elements, as well as the installation of new windows and curtains. We are excited to see the reactions of the students and how they are benefiting from these changes.

Mary Stanfield, Commonwealth, and Mabel Stanfield, Commonwealth, are pleased with the improvements. They say that the dorm is now a much more welcoming and comfortable place to live.

We are grateful for the support of our alumni and friends, who have made it possible for us to continue to improve our campus and provide the best possible experience for our students. Thank you for your continued support.

Lotte Mooring, daughter of the late Peter Mooring, has been appointed Director of the University Alumni Association. She will be responsible for organizing events and building relationships with alumni around the world.

The University Alumni Association is committed to keeping alumni engaged and connected with the University. We encourage you to attend events, stay in touch, and share your experiences with others.

Welcome to the new year of the Class of 2022! We look forward to seeing you all at our upcoming events.

Sincerely,
The Alumni Association

MONTGOMERY THANKSGIVING
is here, hip, hip,
Let's prepare for a glorious day.
Look at the cat, not the trees all right.
We wanna be like the damsel tonight.
What time is the game?—You think it's at 2.
Oh! that's great, who's coming for you?
Jim! Will he be able to come?
Bill's coming too, now aren't that wonderful?
I've lost that Axol and Cub can't come,
Without them we'll have much more fun.
Oh have the boys, we must go.
But, money dear wants us to stay.
Bill's coming, well'll wait at one.
To dine with you and then, come on.
Laughter and giggles all morning long.
Then home, better be off,
But I'm the family head in the afternoon,
For the children here too, for too soon.
Here's to you, and to you.
