LOYALTY

There is something in human nature that makes us so responsive to the things that one has. The flowers in the next field are always the most beautiful and the deer one's own seems to have the most grace. Just as we go to college—why, they are parades on earth! The student does nothing but prepare for the day when he hopes to get his work at last. That work—life in a quite different.

And true, to human nature, some are giving entirely. But let us be different and be thankful. We cannot give as much as that. Can we? In this money-blessed. Our campus is surrounded by beauty, our faculty is a nucleus in its generosity and kindness, our directories are convenient and beautiful. A new library, beautiful and modern is every respect, is rapidly being built.

Field day all in pleasant and fascinating school spirit is here. From early morning until late at night the gymnastics and the campus also thrills the lungs and spirited pep meetings. The glee and spirit of the students is very evident but this active enthusiasm is a real matter of history. In its place let us take a deeper look and loyalty for our college more sternly.

If you have the "Blue" read the twenty-seventh Psalm.
If your pocketbook is empty, read the thirty-seventh Psalm.
If you seem subdued, read the fifteenth chapter of John.
If you are discouraged about your work, read the one hundred twenty-sixth Psalm.
