THE NEW LIBRARY

Now opened, with an abundance of fresh air and light—this is the architect’s picture of G. S. C. W. new library, which will be completed and ready for use in September. The sum of $50,000, which will be raised, will be turned over to the building fund. The building itself, will be in keeping with the other building plans of the college, will complete the conformity in style, making the architectural plan of the college.

This library will contain several hundred volumes, a reference collection, and a periodical section.

American and Foreign Institutions Represented

The faculty of the Georgia State College for Women is composed of seventy-eight members, seventy-five of whom have attended two or more colleges. Eleven have studied in foreign institutions. The faculty includes: 14 Doctors, 42 Masters, and 10 with Bachelor’s degrees.

Ninety colleges and universities of the United States and Europe are represented. The first American college to include the names of several of the more famous colleges of the world is the University of Pennsylvania. Indian universities are represented.

The Library.

At present a special drive is being made to enlarge the present library. Any one having willing to donate a picture of Johnson, W. E. B. DuBois, railroad, John Hancock, Edward Talbot, George Meade, General Infantry, George Gilbert, Newell Rutledge, or any of the governors from 1870-1932 will send a great favor to the college.

With the co-operation and assistance of interested Georgians the museum can have the most valuable collection in the state.

The museum now located on second floor, Parks Hall, has upon completion of the new auditorium and library will be given a permanent location there.
