The Faculty of Georgia Says "Eminence Chemist" in Address Here.

An interesting event of Wednesday, May 12, was the return to Millige-

The College of Georgia, of one of the college’s most important men, Dr. Charles H. Herty, emeritus, and chemist. Dr. Herty was born in 1843, and has spent more than 70 years of his life in the service of the state and profession of chemistry in America.

Dr. Herty arrived at 2 p.m. on Wednesday, and attended the morning conference of the College of Chemistry. He was then taken to the College of Chemistry, where he was received with great enthusiasm by the students.

Dr. Herty was also the guest of honor at a banquet given in his honor by the students of the College of Chemistry. The banquet was held in the President’s Dining Room of the College of Chemistry.

The Junior-Senior Banquet Held

The Junior class entertained the senior class at a banquet Friday evening, May 20, at the college. The banquet was attended by members of the classes of 1898 and 1899.

Dr. W. A. Sisson, president of the college, delivered the address of the day, and the president of the college, Dr. W. A. Sisson, delivered the address of the day.

Summer School to Open June 7

Dean E. H. Scott, director of the summer School at G. S. C. W., expressed satisfaction in the enrollment of the school for this year and ordered that applications on file in his office for dates greater than six weeks should be mailed out at once.

The school will open on June 7th and continue for six weeks, and students and instructors will be notified of this date.

The new teaching program will be added to the curriculum.

The summer school will be open for two weeks only, from June 7 to June 20.

Two new teachers will be added to the faculty:

Field Day Held

The annual Field Day was held at G. S. C. W. on the afternoon of May 17. The weekend of the campus, where the events were held, was an ideal setting.

The Stevens’ Tavern was the scene of the festival, and the place the students danced and played until they fell asleep.

The campus was decorated with flags and bunting. The students danced until the morning sun rose in the east.

Dr. W. A. Sisson, president of the college, delivered the address of the day.

Summary of Main Events of the Year

The events of the year have been...
S OON the first important goal in the lives of many of our
youths will be reached; a proud moment, indeed, and
one that deserves recognition. Should you number
among your friends or relatives an earnest young
graduate, you will want to symbolize your appreciation of his
or her achievement. Here are a few brief suggestions to
lighten the labor of selection and to accentuate the fact that
meritorious accomplishment brings rewards other than schoo-
lastic.
