Unique Entertainment Enjoyed By Student, Faculty Members

**MUSICAL PROGRAM AND OTHER FEATURES ENHANCED ON PROGRAM**

An unusual entertainment which was filled with variety and interest was presented in the college auditorium on Saturday evening, Sept. 14, under the supervision of Professor O. A. Thackston. The program consisted of piano, organ, and violin recitals by students and faculty members. The recital was concluded with a "two-act" arrangement which was especially artistic and melodious. The singing of the students used in the program was of superior quality and gave a pleasing effect to the ears.

Miss Margaret R. Smith and Miss Helen Mott have been awarded a program with a delightful group of programs which are being displayed all over the state in a "two-act" arrangement. The performers were especially talented and well practiced. The singing of the students used in the program was of superior quality and gave a pleasing effect to the ears.

**EDUCATION CLUB GIVES THE MANDAY**

Monday, September 26, the Education Club held its first meeting of the fall semester. The club's purpose is to promote the interest of education and to provide a forum for the exchange of ideas. The meeting was attended by a large number of students and faculty members, including the president and several members of the education faculty. The meeting was conducted in a congenial and friendly manner, with a spirit of cooperation and mutual respect among all participants. The club is expected to continue to grow and flourish, providing a valuable resource for the education community at the college.

**BIOLOGY BIRD WALK ENJOYED**

Miss Betty B. Smith, a biology student, led a bird-watching group on a nature walk in the local forest. The group had a delightful time observing and identifying various bird species in their natural habitats. The experience helped the group members to appreciate the beauty and diversity of avian life in their local environment.

**DEBRA WEBBER SPEAKS AT NEWGA CHURCH**

On Sunday afternoon Debra Webber, a local author, gave a talk at the Newga Methodist church. Her lecture, titled "The Secrets of My Success," focused on the importance of hard work, dedication, and perseverance in achieving personal goals. The audience was highly engaged, with many participants asking insightful questions and sharing their own experiences. Debra Webber's insights and anecdotes proved to be both inspiring and thought-provoking, leaving a lasting impression on the audience.

OLD SHOE HOME PRIZE INTERESTS.

Is there anyone who isn’t interested in the handsome old shoes that are in residence at the Old Shoe Home of the G.S.C. W. Gleanings? If so, there surely must be a reason for it. Perhaps you have never had an opportunity to view these fine old shoes. Perhaps you have never heard of them, or perhaps you have heard of them but have never been interested. Whatever the case may be, it is certain that these shoes hold a great deal of interest for many people.

The Old Shoe Home is located on a large plot of land near the center of town. It is surrounded by beautiful gardens and landscaping, and is accessible only by an enclosed walkway that leads from the main building to the shoes themselves. The shoes are arranged in a circular pattern, with each one being of a different design and style.

In addition to the shoes themselves, the Old Shoe Home is also home to a variety of other interesting items. There are antique clocks, rare books, and other collectibles on display throughout the building. The grounds are also teeming with wildlife, and visitors are encouraged to take a leisurely stroll through the gardens and enjoy the peaceful environment.

If you are interested in learning more about the Old Shoe Home and its collections, be sure to visit the website or call the museum for more information. You won’t be disappointed. The Old Shoe Home is a must-see for anyone who loves history and antiques.

A TRIP TO THE OLYMPICS A LA PEGASUS

Through the Week

WHAT'S IN A NAME?

A trip to the Olympics A La Pegasus

By PEGASUS

Let us imagine where the first Olympic Games were held. We will start our journey in Olympia, the ancient city in Peloponnese, Greece, which was the site of the first Olympic Games. The ancient Greeks believed that the Olympic Games were a gift from the gods, and that they brought good fortune to all who participated in them.

As we continue our journey, we will see the ancient stadium where the first Olympic Games were held. The stadium is made of stone and is still in excellent condition. We will also see the temple of Zeus, which was the center of the Olympic Games.

In the next city, we will find the Panathenaic Stadium, which was the site of the first modern Olympic Games. The stadium is made of marble and is still in use today. We will also see the Acropolis, which was the site of the ancient Parthenon.

As we continue our journey, we will see the sites of the other Olympic Games. We will see the ancient city of Athens, which was the site of the first modern Olympic Games. We will also see the ancient city of Rome, which was the site of the first modern Olympic Games.

In the final city, we will find the Olympic Village, which is where the athletes stay during the Olympic Games. We will also see the Olympic Stadium, which is where the Olympic Games are held.

As we complete our journey, we will have a better understanding of the Olympic Games and their significance. We will also have a better appreciation of the history and culture of Greece.
