ANNUAL HIKE PROVES GREAT EVENT FOR STUDENT BODY

SUNNY SCHOOL SUNDAY, October 13

College Girls and Faculty Members Enjoy Outing, Feast and Fun

The students of the Georgia State College for Women across the Oconee River Monday afternoon were the center of attention given by the college. The official staff, the faculty, the students and prominent Milbridge residents participated in this annual activity for the students.

At intervals during the hike, members of the student class distributed a large collection of cakes, cookies and fruits to the returning students. After the girls were washed in the river they went about their studies. Later in the evening, bonfires, music and games were enjoyed.

For a few miles of the hike was a bonfire around which the student class, dressed in many different costumes sung by beloved Misses Rachel Smith and Martha Garrett, the class president, presented a story. The students sang, in unison, by giving a gymnastic evening performance, the part of the story; Josephine Call, playing the guitar and singing, the part of the leader; Nellie Luft, the prose reader. The program was composed of Elizabeth Henry, Margaret Johnson, Ethel Witt, Viola Garrett, Grace Walth, Elizabeth Penrose, and Zula Hicks.
