WE BUILD

We stand now at the edge of a world. We are new, graduating, young men, and we have a world to inherit. We have an opportunity and a privilege to do something no one has done before. We have the chance to rewrite the history of the world. We are the future, and we are in control.

The Colonnade is a voice for our generation. It is a platform for our ideas, our opinions, and our dreams. It is a place where we can express our beliefs and challenge the status quo. It is a place where we can learn and grow as individuals and as a community.

We are the leaders of tomorrow. We are the ones who will shape the world. We are the ones who will make a difference. And we are ready.

So let us seize this moment. Let us embrace this opportunity. Let us build a world that is better than the one that came before us. Let us be the change we wish to see in the world.
