RIDLEY ELECTED SOPH PRESIDENT

James, Sutton, and Allen are Other Class Officers.

Carolyn Ridley, of Princeston, was elected president of the sophomore class at a meeting Tuesday. The other officers were: Violin, Mrs. Elizabeth Tarp; Vice-president, Misses Julia Brown; Secretary, Mrs. Elizabeth Wood, treasurer.

Carolyn Ridley is a member of Sophomore Commission. Last year she was vice-president of Freshman Council, treasurer of the class, secretary officer, and was voted one of the outstanding members of her class.

 Challengers in a member of Sophomore Commission. Last year, she was a member of Freshman Council, Activity Committee, and a class officer, and in junior year, she was the V. C. A. secretary. 

Dorothy Allen is a member of Sophomore Commission. During her junior year, she was a member of Freshman Council, activities officer and class officer of the Athlete Club.

Mrs. Howard McCall DAR Representative Talks in Chapel

On Tuesday Rev. Howard A. McCall, vice-president general of the National D. A. R., spoke in chapel on "The Ancestry of Our Country." Mrs. McCall has always been greatly interested in education, and she signed a long time as treasurer of the Beta Theta's College in Athens. The theme of her talk was: "The service we give to others is the very best we can give in turn to others." She stated: "Realism and imagination are needed in the service we render to others. We must be realistic and yet have imagination."

Mrs. McCall stressed the importance of imagination in our work and service to others. She reminded the students that even in the most difficult situations, imagination can help us to see things in a new light. She emphasized the importance of imagination in our daily lives and in our service to others.

NEW PRIVILEGES GIVEN CLASSMEN

New and more privileges will be the exclusive characteristics of 1931-32 in the classes of G. S. C. W. Freshmen are to be treated as well as senior students. The following changes have been made:

1. Optional breakfasts every morning will be available for those who wish.
2. The three classes a week will be extended to five classes a week.
3. Telephone calls to be received from student rooms on alternate days.
4. To ride with town friends, as the classes will be extended to five classes a week.
5. To have lunch in the public dining hall, as the classes will be extended to five classes a week.
6. To have dinner in the public dining hall, as the classes will be extended to five classes a week.
7. To have access to the library during the day, as the classes will be extended to five classes a week.
8. To have access to the public dining hall during the day, as the classes will be extended to five classes a week.
9. To have access to the public dining hall during the day, as the classes will be extended to five classes a week.
10. To have access to the public dining hall during the day, as the classes will be extended to five classes a week.

For these privileges, the students are required to attend all classes and maintain good attendance. The changes are designed to improve the academic experience and provide more opportunities for the students to participate in campus life.
Alumni Appreciative of One Man's Endeavor
