Book of Clipplings

GIVEN TO LIBRARY

In addition to over 25,000 books, the library also possesses various collections of interesting records, old newspapers, and other documents.

The complete collection of clipplings has also been placed in the library, Miss Mary Mun has had charge of this section so splendidly.

The clipplings from 1914-1934 present in the library is a large scrap book which contains clipplings from April 10, 1932 to May 16, 1933.

While the clipplings will be interesting to the students in general, they are definitely more valuable to the library and to the college as a matter of permanent record of everything that has appeared in Georgia newspapers concerning the State College for Women.

Council Presents

"Sleeping Beauty"

ACTIVITY COUNCIL MEMBERS WRITE FOUR-ACT DRAMA FOR PRESENTATION.

Once again we have another childhood dream relived when Activity Council's four-act play, "The Lopsided Chapter of Sleeping Beauty," was presented Monday night. The story was adapted from the aged story, "The Sleeping Beauty," and made modern by the ingenuity of Activity Council's committee. It is not a fairy tale merely made more interesting by centers of love and jealousy, praise and comedy. Adding much to the cleverness of the plot were the original songs and songs, wound through the act by Miss Mildred Wofford and Miss Ethel Sheppard, and a Yeman, Gesty Turner, Hilliard Kent, Virginia Turner, Winn, New Sheppard, Ollie. Welcome, President Wells.

Last week we were honored by a visit from the late Mr. John Wells, father of President J. L. Wells, by Chamblee Winn. We were very happy to have his opportunity to meet him and to express our admiration for all he did for the school.

We were with the Southwick concert and Mr. Wells, and we know how much he admired the campus and the school.

May we take this opportunity to express our thanks to President Wells, and to request our students to allow the late Mr. Wells to be the first to open the door to the school.
