Y President Elected National Council Leader in New Jersey

CASSELS HEADS STUDENTS FROM NINE REGIONS

Jane Cassels, American, president of the Y. W. C. A., was elected chair-
man of the national council of student
Y. W. C. A. organizations at the meeting of the national council which was held in McAlpine, M. D., August 25-September 6.

Miss Cassels has the honor of be-
ing the first northern student ever
to be elected chairman of the national
organization of Y. W. C. A. workers and is the second representative from G. & C. W. C. A. to hold that position. Miss
Cassels, past president of the Y. W. C. A. here, was elected to that office two years ago. G. & C. W. C. A. has the unusual distinction of hav-
ing the only two southern students ever to hold the office of chairman.

Miss Cassels was elected to the southern regional council of the Y. W. C. A. at the conference held at Blue Ridge, C. C., in June. The southern regional council meeting was held at King's Mountain, N. C., in August and it was decided there that Miss Cassels was chosen chair-
man of that group and sent as a rep-
sentative to the national group.

The southern regional council is a component of students from colleges in the ten southern states, while the national council is composed of rep-
sentatives from the nine regional councils.

In her position as serving as head of the Y. W. C. A. here, Miss Cassels is also vice-president of the state Y. W. C. A. She was awarded a scholarship to Columbia University for the past sum-
mer school term for special services in social service work.

Miss Smith, former leader of the Y. W. C. A. here, is now general secretary of the Y. W. C. A. at the College of Pacific at Stockton, California.

Student Leaders’ Retreat Held at Camp Joyville

The annual fall retreat for Student Government Council members, the Y. W. C. A. Cabinet, and Commonwealth officers of the Pennsylvania Asso-
ciation was held at Camp Joyville.

The Y. W. C. A. supervised the philosophy of the week and dollars for the past year; the Recreation Association had charge of all recre-
ation activities. Commonwealth Council and the Eastern States Council of the Clements Laurel Camp of the Pennsylvania Association are in charge of the camp for the conduct during camp. Details plans were designed at the Orientation Weekend, including the Big

Elevator plans, entertainment, etc.

Cultural study groups for the purpose of studying and interpreting intelligently the Student Gover-

nment constitution were arranged to study the problems, and the definite constructive duties of the three major organizations on the campus were assigned and methodized, with a view of offering something constructive for the campus and the campus, and thus, in order to range in the student life.

Choral Society

To Meet Tuesday in Auditorium

The first meeting of the Middlet-

on College Choral Society will be held in the G. & C. W. C. A. auditorium on Tues-

day night, October 14.

Solo voices are not necessary for membership, and music lovers in Middletown and G. & C. W. C. A. are invited to attend the first meeting of the society. The group will meet each Tuesday night from eight until
nine o'clock.

Storns Ahead with Flurries, Gales, Hail Already

What's in a name? Nothing, say G. & C. W. C. students who have the same names as famous movie stars and slow-witted, radio performers and even down to the heroine of the radio-soap-opera story of the times.

In the freshman class alone, be-

rides having the distinction of claim-

ing only one member of that large
class. Shirley Daphne Ford, Ann Pensinger, Helen Morgan, and Edna Guadalupe. The small number of Mary in the campus prove that that name is

is well-well-thought-of there are only 112 students (claiming that same, a mere twelfth of the entire student body.

However the Jemmy cannot lay claim to the only unusual name. In other claus, there is a Doris, Phoebe, Glad, Gail, Wine, and Residence Miss Cooke, who also lives at the Freshmen's Birthday.

Kathy Buddhism might easily say, "Mary Bert. " "Does the Folly?" and Miss Bert. ""Yes, I was the Freshman."
