Amateur Night Will Be Held Saturday in Auditorium

Major Burns led all his amateur students at O. S. C. W. in their glory on Saturday. At least 25 of the students took part in the show. A prominent citizen of Millidgeville will present the famous Major, and amateur actors are said to be coming from all the city.

In a real amateur show staged by the famous Major, the audience will be allowed to vote for the favorite performer. Ballots will be presented to the audience at the beginning of the show, and votes will be counted at the end of the performance. A staff of officers and recorders will be assigned to each business office to tabulate results. The winners will be announced as soon as they are discovered. Applause will be the only vote that can be cast, and a count of the applause will be announced as an indication of the winner.

Frosh and Upperclass Debate Tryouts Will Be Held Soon

Plans have been started for the reorganization of the debating club and for the selection of this year’s debating team which will represent O. S. C. W. in intercollegiate debate contests. According to the announcement made today by Dr. C. G. Cornish, club advisor and coach for the team, freshmen and upperclassmen will be selected at an early date and immediately after the selection work will be begun by the debaters. Tryouts for the freshmen will be held separately from upperclassmen students. The subject for the freshman team will be the question: “That Medicine Should Be Socialized.” This question is taken from the national high school and freshman subject for debates.

The subject for the upperclassmen team is “The Right of Women to Be Educated” contending with the proposition: “Women Should Have the Power to Overrule.” By a 5-to-4 decision made by the College Department of the Millidgeville Oratory Club, the debate will be held at the Millidgeville Oratory Club, the debate will be held at the Millidgeville Oratory Club.

The intercollegiate debate will be held at the Millidgeville Oratory Club. The weather is expected to be favorable, and all parts of the auditorium will be well lighted. The debate will be held at 8 p.m., and the audience is invited to attend.

Have You Anything to Say?

Wanted: one short story for chaplins, instructors, and anyone else who is or has been in the ministry. Stories should be original and should be short. The best story so far has been about a minister who, while on a mission trip to a foreign country, met a group of children who were visiting a school. The minister realized that the children were not only learning about their culture, but also gaining valuable life lessons.
