"A Bill of Divorcement" Selected for New Play

Unfeeling Faculty Members Unnamed By "Class Savers"

California U. Leads School Enrollment
We Congratulate--

Fifty-one years and a half or an absolutely enormous number of changes have taken place at the University of Georgia since its founding in 1918. This is the year that Georgia celebrated its centennial. The celebration included a special centennial football game against Emory University. The game was played on October 18th, and the Bulldogs defeated the Eagles 28-7.

We Nominate--

Miss Susan Johnson was recently appointed as Assistant Director of Student Life at the University of Georgia. She will be responsible for overseeing the Student Affairs Division, which includes housing, dining, and student organizations.

Unfeeling Faculty Members Unannealed by "Class Savers"

We occasionally come across the term "class saver" in our daily readings. It seems to be used interchangeably with "class killer" in some contexts. What is a class saver? A class killer? Are they the same thing? We decided to look into this.

Jester Play

(Jester play is a title of one of the plays performed by the Jester Play Club. The exact play is not specified in the text.)

Glancing At The Movies

Glancing at the movies: We are a feature that provides a quick overview of the latest films and television programs.

WHAT TO READ

What to read: We are a feature that suggests books and articles for your reading pleasure.

THE COLONNADE, MONDAY, JANUARY 24, 1969

The Colonial Wikipedia Weekly Student Newspaper

The Colonial Weekly Student Newspaper is a publication of the Colonial Weekly Student Newspaper, a weekly newspaper published at the University of Georgia. The newspaper covers news, sports, and other events at the University of Georgia.
The Freshmen are ahead of the other classes on the road to win- ning that class tablet for the rest of the fall. Three Sophomores noted second, Junior girls and Senior were last. The hours and percentages were: Class—Freshmen—Preparatory Freshmen—41.0%, Sophomores—42.3%. Juniors—43.0%, Seniors—41.5%. We are of the opinion that the Freshmen deserve a big hand and for the percentage all 499 Fresh- men could have been out about 8 times. It seems as we get older we lose interest. What an effort! Everyone in every class should come out at least once a year. We must do something. We must do something to bring up that average. Try playing. Out and about. But for Havens' sake don't spend all your time in the library out and play. Do something.

Lido Buckovich is the new liking manager and from every one's a swell one. Why, these girls coming over to us from last year that last hike were strictly tillers. Not a single girl of the last group to come over to us, gave right for the truth driver, and they were all holding hands in the next hike. Winter should be the best season. I don't want to be madder than the brick weather make you want to walk. It should. So there.

A few more notes to the questionnaire. 123 cent the class squad system has improved the Recreation Association. 79 cent that the squad system has improved the association. 74 cent that Sophomores voted 80 cent that the squad system has improved the association. 12 cent that the women did not feel they were vital a part of the Recreation Association. 11 cent that "the students often thought Physical Ed faculty helped the association. 18 cent that they could, as it seems that it is not the trouble. 8 cent that the class for the squad system has not a vital part, are you this one have really been out and played? If the physical education faculty are doing all they re-

paintings to be used for the birth-

day celebration. Furniture and.

painting, a copy of which has been

placed on the main bulletin board, has been given by the alumnae everywhere, a d

those who participated in Mr. Chipley's many famous post-

cards.

Word from Colonial Carl Byrle, general director of the national recreation association, says that the free-marriage do-

sage and home drawn singles will be a bit of a few of the ideas that will be added to the list of the

flowers and the season, a benefit to the funds to the country's war-orient-ed

Byrle cites the items that were used on the same occasions in 1934 and 1935 as a basis for the

story.

"A Year Ago"

Professor Edwin Nevin,supervisor of the school at Waycross, speaks in chapel.

Announcement of the annual history club at the benefit of the student loan fund, Play. To be given on February 15, called "Cupid at Vassar."

Miss Hamilton of Fugott entertainment and student body is in Fugott entertainment for the student body in Fugott Follies.

Treasurer Eunice Vanngore speaks in chapel, following the dedication of the Old Capiton Bridge.

Dr. Thomas Alexander visits the state, has made his rounds of the state.

"Here Birthdays Come" Birthday cakes were featured in every part of the benefi-

the list was the one for the single woman of the institution. A similar society turned out for free taxi duty with her seventy-five-year-old wife, the only home-owning house w-

in the section. To Fort Worth, the single women will be run by the local street car com-

pany.

pany.

Dr. and Mrs. Wells entertain for the student body in Fugott Follies.

Dr. Wynn elected as chairman of the Georgia Commission of the American Council of Georgia Colleges.

M. Mrs. Frank Denis, Auburn national vice-president of the United Daughters of Con-

care to be featured at the chapel on Georgia Day, program sponsored by the archery club.

"Junior Entertainers at Valentine Banquet at Emma Harrell's"- "Renaissance"- "on the 1st. The program will be held in washing-

ton, D. C., and in other paper-

ed centers across the country.

Universal Events

Other outstanding events expected this year will be on February 7th in that held in the Broad- way, Wva, the town featured by a railroad in the United States, and to Wiregrass, Wao, a legging community whose mem-
bers vote from free to twofold.

"Then it must be us. These students are not doing these women, are managers are buying, but they can't do it all. Give them and yourself a break. Come on and play and after a few times you will see that you use a whole lot. I know could have a be a recreation association or probably manage something. There couldnt. All are, all are, a vital part.

---

**NOTICE**

The following statement was made Thursday to a member of the Colonnades staff by Mr. Max Nash, head of the music department:

"On behalf of the music de-

tos and to discuss the needs of the elementary teachers. The Colonnades officers were elected: Felis Kinnaboom, principal; Josie Sink, secretary; and Dorothy Brown, treasurer.

The Colonnades band is greatly benefited by the continued support of the students and we hope to continue to increase our membership.

Dr. Wells Talks To Biology Students

At the last meeting of the biology club Dr. Guy Wells was the speaker for the occasion. Dr. Wells gave an outline of his plans for improving the campus, and laid particular stress on stress. The members of the biology group presented the work, according to the speaker, "to make the campus more attrac-
tive at present, and to add several features that would make the campus more beautiful for the students.

Blue prints were shown by the speaker, and also rough draw-

ers, depicting the plans for landscaping the campus. A color picture of the new "historical" of the college is to be al-

ready next year, ten years, and many years from now, was shown.

According to Dr. Wells, present students here will not get the full benefit of the plans for the beautification of the campus, because it will take too long for the trees and plants to mature. The graduates of the school will get the full benefit.

**A Capella Choir Schedules 2 Programs**

The A Capella Choir has defi-
nitely scheduled two concerts in February. The first is February 6th in the G. O. C. W. auditorium, and the second February 14th in Saguaro.

The choir is quickly coming to the front and is to be featured for the future. With your program will have a beauty that you have not seen before. The choir consists of all the students, when the home concert is given.
