I was rather surprised to receive a letter from you. You wrote about your hobby of raising roses. I think it is a lovely hobby. I hope you will write me again and tell me more about your rose garden.

Elect a Candidate for Mayor During School Year
Excerpt of an editorial on the school election process.

Editorial

Following the election Monday night of sixteen freshmen, sophomores, juniors and seniors who are either major or minor candidates, a second election will be held, with the selection of a mayor of the school. The election is to be held Thursday night, with the decision expected to be made during school hours.

The Calonndeau is pleased to see that the candidates are well prepared to deal with the issues of the school. The election is to be held on March 16, and the winner will be announced the following day.

The editorial suggests that the candidates should be active in the school and should be willing to take on responsibility.
