BOOK REVIEW

Dean Adams Finds Golden Slipper

Of special interest to pharmacists and chemists is Mr. Adams' new book "The Secret Beach." It is the story of a chemist and his wife's search for a rare, lost formula. The book is well-written and full of suspense, making it a great read for anyone interested in chemistry and mystery.

New Officers Fill YWCA Vacancies

The YWCA has announced the appointment of a new slate of officers to serve for the coming year. The new officers include: President, Mrs. Smith; Vice-President, Mrs. Brown; Secretary, Miss Johnson; and Treasurer, Mr. White. The YWCA is an organization dedicated to improving the lives of women and girls through various programs and services.

Spectrum Staff Elected Burge

Bart Burge was elected president of the Spectrum staff for the coming year. He will be responsible for overseeing the production and distribution of the student newspaper. Under his leadership, the Spectrum has become a respected voice on campus.

Brain Twister

Are you a genius? No, this is not the brain-twisting puzzle that you find in a logic puzzle book. It's a real-life brainteaser we have in our office every day. "Culverville is famous for its many gardens," said Dr. Samuel Johnson, "but first determine whether you have one!" say co-authors Robert Einstein and Fred Linn. Test your brain today with this mind-bending challenge.

A gruesome murder was committed in the city of Culverville last week. The victim, a wealthy and prominent woman, died from multiple stab wounds. The police are currently investigating the case, but no suspects have been identified yet.

Many Teachers Placed

(Continued from page 1) Our requests were received for additional teachers to staff this year. As a result, departments, such as science, social studies, and technology, have been given teachers to staff. This has resulted in another year of successful placements for our students.
