Lyceum Program Announced

Carl Sandburg To Be Heard in Spring

The faculty Entertainment Committee—set to be co-sponsored with the Cooperative Concert Association—has announced that Carl Sandburg will be the key speaker for the lyceum program which will be held on Wednesday, September 24. The program is expected to be held in the auditorium of the school and will feature a discussion on the history of the United States and its role in the world today.

Hines Album Praised by Reviewers

The Treasure Album of Milligrove and Baldwin County is likely to be received with enthusiasm as it marks the beginning of a new era for the school. The album is expected to be released in October, and the students are excited about the prospect of hearing the music they have written and recorded.

City Seeks Filming of Marshbook

The city is currently considering the possibility of filming a scene from the book "Marshbook" in order to attract visitors to the area. The film is expected to be shot in the fall, and the city hopes that it will help to promote the area's natural beauty and tourist attractions.

Freshmen Agree That "It Had To Happen"

The Golden Slipper, a historic tradition of the school, continues to be a source of pride for the students. This year's event was particularly memorable, and the freshmen are eager to participate in the festivities next year.

Library Given Chapel Site

The friends of the library have donated the chapel site to the school, and the library is expected to move into the new facility in the spring. This will provide additional space for the library and improve the overall learning environment for the students.

Freshman Dance

The freshman dance is scheduled for October 29, and the students are excited about the prospect of dancing and socializing with their classmates. The dance will be held at the school auditorium, and a special guest speaker will be invited to address the students.

Hodgson Will Come to Campus at Later Date

Hugh Hodgson, of the University of Georgia, who was scheduled to give a piano recital in chapel on Friday, was unable to come to Millville at that time and has written that he will come at a later date.

Mr. Hodgson is one of the outstanding pianists in the State, having taken the major part of his training at the University of Georgia and the University of Chicago. He has played several times in the West and has been invited to come here at a later date in a program which is expected to be of unusual merit for the near future.

The Boston Symphony Orchestra presented a concert in a small concert hall in Millville, but the audience was too small to attend the program. The concert included several famous pieces of music.

The Colorado staff has been selected for the successful performance of the orchestra at the recent concert. The staff included several famous musicians who are also students at Millville.

The students have been selected for their excellent performances on the concert. They are expected to attend the concert and perform well.
