Wells Announces Plans For Building Program

Program Includes Music and Health-Physical Ed. Buildings.

Four new buildings will be erected on the State College for Women this year in carrying out the plans of the building committee. In addition to the new buildings Dr. Guy H. Wells has announced that the Mayfair Hotel building has been acquired by the college. The acquisition by the college of the Mayfair Hotel is a part of the plan of the college to accommodate the college on the campus arising from the permanent growth of the college over the past few years," Dr. Wells said. "It will be used as a temporary housing place for junior students for the present.

Four new buildings have been approved and plans for two of them are now complete. They will include a health-physical education building costing $350,000, a new dormitory to house 100 students, and a gymnasium costing $250,000.
