THESE PEOPLE MAKE NEWS

At your reporter ambled along in search of her first victim, she ran across Fields Penland. When approached on the question—do you believe in long engagements?—Nile answered, "Oh, no, too many trivial things come up that can't be explained and then you might not be in love any more."

H. Penland

Her曾任记者问她是否相信长期交往时，她回答说："噢，不，太多琐事会来打断，你可能就不在爱了。"

H. Fountain

Twentieth Anniversary Commemorated

Calamities at the silver anniversary of the founding of GCSW will be the theme of Alumnae Day, June 30. The birth certificate, technically known as the charter, bears the date 1866 and the original Alumnae Banquet program will probably celebrate this important milestone in the life of the College.

Alumnae registration will begin Saturday morning, in the Alumnae Office. At 1 o'clock, all alumnae will march in a thronged Hall, among them the GCSW band, leaving the campus for an all-day reunion in Atlanta. A unique program, under the direction of Miss Katherine Burt, will entertainingly depict the outstanding achievements of the College for each decade since its founding. Among these who will appear on the program are Miss Mary Bacon, member of the first faculty; Mrs. Caroline Humphrey Hardy, first executive secretary of the Alumnae Association; Mrs. J. L. Beene, wife of GCSW's third president; Mrs. M. B. Miller, president of the Alumnae Association, and others.

Unusual Music Honored at Banquet

All who spent, blow, or lost anything from a piccolo to a harp will be invited to the banquet tonight in Emory Cotton's Banquet Hall, as a host to those who have done work in Orchestra and Band during the year.

Certificates will be given for one and two-year honorary membership to Margaret Hutt, Margaret Kao, Helen Morris, Lois McCormy, Florence Stephen, Sylvia Ebensohn, Bertha Wooten, Claudia Knight, Ruth Jone, Barbara Lucey, David Mullin, Linda Brown, and Evelyn Mathis. Two of these, Margaret Kao, and Bertha Wooten are People's body girls. Five members of the organization will receive plaques for three-year honorary membership.

Election of Josephine Bone to the position of President

Josephine Bond, who has not been here before, was named and elected to take her place.

The group immediately elected officers and made provision for the admission of new members. Frankel was elected President of the Alumnae Association, and the officers:

Should We Change The Point System Upward?

A committee was recently appointed by Student Council to consider and report on the present system of assigning credit points for activities on the various campus organizations and to suggest ways of improving it. The committee was charged with the task of changing the present system, and it was suggested that the new system might be used by all organizations.

We're Happy About The Whole Thing

Dear Editor,

Almost all of the letters you have received regarding this topic have been complaints, but this one is quite different.

We want to tell you that everyone on our freshman year at college has been "sick".

The atmosphere seems to be very conducive to the formation of new friendships, despite the fact that many have never met before.

President John B. Murphy, president of the Student Council, has been very successful in his efforts to create a more friendly atmosphere on campus.

At present, we feel that we are ready to make some changes in the present system.

Sincerely,

SEVERAL FRIENDS.

Why Don't We Get Our Annuals on Time?

Dear Editor:

We haven't received our annuals yet! We're not sure if they're lost or if they'll ever be sent out. Even though they should be distributed before election time, we're getting a bit concerned.

Perhaps it's the lack of airmail service for our community college system that has caused the delay. Failing that, we should be informed before the election.

On Saying Advice

It is customary to tell editors to observe certain editorial conventions at all times. The advice seems to be to keep our language simple and to the point. However, we would like to make a few suggestions.

Many thanks,

SEVERAL FRIENDS.

Activity Fee Approved By Students in 877-214 Vote

A vote was recently taken in the assembly student association to approve the recommendation of the Student Council and Faculty for a $3.00 activity fee for the current year. The total amount was approved by the Student Council and Faculty, and the vote was taken on Thursday night, May 21st. The vote was unanimous, and the fee will be used to finance a variety of activities throughout the year.

Melton, Shawn, Brisselli Year's Concert Highlights

IH R Acclaimed “One of GSC’s Best Activities”

Under the direction of Dr. IH R, the College Band Department has received an excellence in band music tournament rating this year.

The highlights of the year for those in the audience were the concert by the Savannah College Band. The Saughter Quartet and the Savannah College Band were the first to grace the stage with their unique and beautiful performances.

In a previous performance, the Savannah College Band performed at the Savannah Symphony Orchestra. This concert was a special occasion for the band, as they were able to showcase their talents to a large audience.

Four Buildings Dedicated as College Expands

As part of the annual growth of the University in the past few years, the College has added several buildings, including:

- The College Center
- The College Library
- The College Auditorium
- The College Laboratory

These additions have allowed for increased capacity and improved facilities for students and faculty.

The College Center is a hub for student activities, with space for clubs, the College newspaper, and the College radio station. The College Library has been expanded to accommodate more books and study areas. The College Auditorium has been renovated to host larger performances and events. The College Laboratory has been updated to meet the needs of science and engineering students.

Evelyn Perkins, crack bitter woman from Savannah University, says, "At the last concert. In the syr- tematic network, we held this year, the Savannah College Band and the Savannah College Orchestra performed. The Savannah College Band performed at the Savannah Symphony Orchestra. This concert was a special occasion for the band, as they were able to showcase their talents to a large audience."
Charming Smiles and Movie Doubles are GSC's Notables

The GSC's search for a new name for itssmile and movie double started last year when the group decided to change the name of the group. The group was originally known as the "Bull Dogs," but the members felt that the name was too conventional and decided to search for a new name. After much discussion, the group settled on "Charming Smiles and Movie Doubles." The new name was well received by the members and has since become the group's official name.

Suzanne's story was selected by the GSC's officers to represent GSC's students at the national convention in Atlanta. Suzanne, who is a senior majoring in business administration, is known for her leadership skills and her ability to organize events. The group was proud to have one of their own represent them at the national convention.
JOIN THE MARCH TO
Chesterfield
for REFRESHING MILDNESS
for BETTER TASTE
for MORE PLEASING AROMA

For the things they want in a cigarette, millions of smokers all over the country are turning to Chesterfields. There’s more real smoking pleasure in Chesterfield’s right combination of cigarette tobaccos than in any other cigarette you ever smoked.

When you try them you’ll know why Chesterfields satisfy legions of smokers from coast to coast
