Three of the main speakers for the graduation functions are shown above. Left to right, they are Dr. C. Darby Fulton, who will deliver the Alumnae Banquet, June 8; Dea. Agnes Ella Harris, scheduled to speak at the Alumnae Vespers Sunday, June 8; and Rev. L. Walden, professor of mathematics, who will teach the last session.

Other visiting instructors who will be here are: Maria S. Ciemia, Phys. Ed.; Mrs. John F. Dyer, Health; John P. Dyer, History; Rebekah Hash, Library Science; B. A. Lancaster, Education; Mrs. Amanda Little, Home Economics; Rebekah S. Lancaster, Physical Education; Ethel Parlin, Education; Nancy C. Read, English; Marge Seawright, Education; Ethel Sisson, Speech, Jan Turner, Home Economics; and J. H. Gutierrez, Education.

Each single course, which will carry credit equal to 0.25 quarter hours in three or one-third semester hours, will meet for two one-hour periods daily. In the first term, the two hours are at different periods of the day, being arranged to meet in three groups: First and fourth periods, second and fifth periods, and third and sixth periods. In the second term, the courses will meet in consecutive hours.

During the two sessions, a total of one hundred and fourteen courses will be offered, some of which being divided into different sections. This total is exclusive of the general recreation program and non-credit courses offered by the Physical Education Department.

REVIEW

Dr. C. Darby Fulton, executive secretary of the Presbyterian Committee on Foreign Missions, will deliver the Recessus lecture sermon on Sunday, June 8.

Dr. Fulton, son of missionaries, was born in Kobe, Japan. He spent his early life in Japan, coming to this country for his schooling. In 1917, he returned to Japan and served until 1935, when he was selected to serve as one of the secretaries of the Executive Committee.

In 1938, he became Executive Secretary. While traveling in the Orient, he has studied conditions in Brazil and Mexico.

Activity Fee for ‘40-‘41

Increased to $2.50

Through the efforts of College Government, the student activity fee increase from one dollar per quarter to two and a half dollars will go into effect the fall quarter.

Marvin Pittman At Graduation

President Marvin B. Pittman, of the South Georgia Teachers College, will deliver the commencement address at the graduation exercises planned for Monday, June 10. Chancellor Sneed V. Sanford, who was scheduled to speak, will be unable to come because of serious illness.

Relax and Read These Books

This Summer

By GEORGE BENNET

So you want to relax this summer. If you are busy with assignments for school or any other activities, you may not have much time to read. In that case, here are some suggestions for books that may be interesting.

1. "The Great Gatsby" by F. Scott Fitzgerald
2. "To Kill a Mockingbird" by Harper Lee
3. "1984" by George Orwell
4. "The Catcher in the Rye" by J.D. Salinger

But if you are looking for something more educational, here are some books that can help you:

1. "The Elements of Style" by William Strunk Jr. and E.B. White
2. "The Art of Computer Programming" by Donald E. Knuth
4. "The Feynman Lectures on Physics" by Richard P. Feynman
5. "The Principles of Economics" by David Ricardo

But if you are looking for something more enjoyable, here are some books that can help you:

1. "The Great Gatsby" by F. Scott Fitzgerald
2. "To Kill a Mockingbird" by Harper Lee
3. "1984" by George Orwell
4. "The Catcher in the Rye" by J.D. Salinger
On Twelve-Page Papers

We wonder if anyone has ever thought about the amount of time, effort, and trouble that went into printing each page of a book. A regular six-page paper is quite a small amount of work to do, but the twelve-page effect is a whole new level of complexity. We have heard of people who have spent years working on a twelve-page project, and we are impressed by their dedication to their craft. We are told that there are so many things that we didn't know about these people.

On A Finished Year

As we start predicting our moves and assessing the thought of leaving school, it seems almost inevitable that this year will be the last of our college years. We have put in countless hours of work and study, and we have come to see the value of our education. The future looks bright, but we know that it won't be easy. We have our family and friends to thank for their support and guidance.

On Nickelodeons, As Usual

We are writing about the ubiquitous nickelodeon question. We have all been curious about the history of the nickelodeon, and we have been investigating the various locations where it has been present. It is interesting to see how the nickelodeon has evolved over the years, and how it has been influenced by the changing social and economic conditions.

On World Affairs

We wish that we could get some unbiased news reports in our local papers. Of course, it is not easy to get honest, unbiased reports. We have learned that our local papers can be quite misleading, and that the truth is often hidden behind a veil of propaganda. We are striving to find a source of news that is reliable and trustworthy.

On Peace Pledges

There has been constant pressure put on people to sign peace pledges. It is a difficult decision, and one that we should consider carefully. We have learned that peace is not just about avoiding war, but about creating a world that is safe and secure for all. We have been encouraged to think about the consequences of our actions, and to consider the impact of our decisions.

Letter To The Editor

Several years ago, many of us had the same concerns, but we never spoke up for fear of being persecuted. The Oxford movement, a fascinating, intellectual, and political club, was open to all races, but we were afraid that our voices would be ignored. Today, however, we are more confident and brave.

Campus Camera

For the first time in many years, the paper was shown four honor society in the annual Art Show. The students were still smiling, and we were awarded the CIBO County Trophy for editorial excellence. This is our cue to make a public plea to the person who gave us these newspapers, Marianne Weaver, editor, and we will do so.

K. Mansfield's Scrapbook Offered to Reading Public

This fine collection of the history of the world of television is given to the public through the editor of her husband, J. Mansfield. Mrs. Mansfield has been collecting items that have to do with television for many years. She has a vast collection of memorabilia, and she is eager to share it with the public.

On the Seniors

It has been nice knowing you. You have done well at the campus of this year and you have shown you are capable of doing anything you set your mind to. We wish you good luck in your future endeavors.

Life is A Song

"Looking Ahead"

"I'm a Wondering Soul"

"Waltzing with a Dream"

"For the Night"

"The Two of Us"

"An Old Dutch Classic"

"Good Morning, America"

As the sun rises, the sky begins to light up, and the world awakens to the day. Throughout the morning, music fills the air with songs that lift the spirits and set the tone for the day. Whether it's a morning coffee or a walk in the park, music surrounds us, and we can't help but sing along.

The end of the day is no different. As the sun sets and the day comes to a close, music fills the air once again. Whether it's a cozy meal with friends or a quiet moment alone, music provides the perfect accompaniment. From classic rock to contemporaryль, music brings us together and fills us with joy.

As we move through life, music is a constant companion. It's there to lift us up when we're feeling down, and it's there to comfort us when we're feeling lost. So, let's take a moment to appreciate the beauty of music and the way it brings us together.

In the end, life is a song, and we're all just trying to find our own melody.

Radio Program Changed To Regular Hour

The Georgia State College for Women radio program on Sunday, June 1, returned to the schedule after a three-month absence. The program, which is heard over the radio station WAG, is broadcast from the university’s studio. The program is heard on WAG from 7:00 to 9:00 p.m. every Sunday night. Miss Dorothea Moore, the program’s producer, has been working on the program during her summer vacation. Miss Moore is also the head of the Student Union, the organization that produces the radio program. The program is heard on WAG from 7:00 to 9:00 p.m. every Sunday night. September

1. October—Boy Scout is one of the most important events of our association. The idea is to help the students to learn about the organization and to encourage them to participate in its activities. The organizers of the Boy Scout program will be giving an introduction to the organization and discussing its importance for the students. During the introduction, the organizers will explain the goals and objectives of the Boy Scout program. The first day of the program will be at the school of the American Association of Allergy Risk, and the last day of the program will be at the school of the American Association of Allergy Risk.

2. Volleyball Practice began last week, with both teams from the different communities coming together.

3. Dairy City Dairy began its second season in the same meeting. Pamela Price and Carolyn Ewing attended this weekend’s exhibition.
