GSC Class
Visits Parks
In Macon

Visit to playgrounds in Macon and other communities was the agenda of a field trip taken Friday by 16 students in a class in Recreation Leadership of GSCW. The field trip, under the direction of Dr. Corinne Maron, took the students on guided tours of inspection of playgrounds and recreation centers. They visited various types of recreation centers and playgrounds in Macon.

In Macon the students were the guests of Mrs. Wilma Bregg, Superintendent of the Recreation Department of Macon, and Miss Irma James, WPA Recreation Supervisor.

The Placement Bureau is receiving calls for teachers to begin work in January and requests that those students desiring to teach after Christmas get in touch with the Bureau immediately.

Shirley Guest
At Vespers

As featured speaker of the Vesper program Sunday night, Dec. 1, Miss Marys Nolin, special student at GSCW, will give WHERE TRUTH IS BORN, a story by Elisa Minor.

Miss Shirley has done post graduate work at Harvard and has studied at Columbia University. For the past two years she has lived in New Mexico. This quarter she is taking courses in home economics in preparation for her work as Head of the Home Economics department at the Academy for the Blind in Macon, which she will begin in January.

The Peabody Vesper Speaking Club, under the direction of Miss Maritan Pulteight, will also be on the program.

Mr. Leo Leuker directs a scene from the production "Oedipus, The King," to be presented by the College Theatre Dec. 6. In this scene are Blanche Maidlow and Dearing Nash.

Mieczyslaw Munz, Polish pianist, who will be heard in Russell Auditorium under the auspices of the Cooperative Concert Association. Munz was in this country, planning a concert tour, when his brother, a prominent lawyer, his brother, an officer in a Polish army, was in Krakow, home of the Munz family. The German invasion of Poland Munz has heard nothing from his family.

Munz knows the fate of none of his friends, among them prima donna of the Wien Operna Company who was killed by a bomb as she sat in the last room of her home. After prima ballet, with the same company, had been last accepted. He has had the good news.

Munz will present Thursday evening, Dec. 6, a program of Polish and Hungarian music. Munz is to present Thursday evening, Dec. 6, a program of Polish and Hungarian music.

"Stop Me If You've Heard Number 453"

University of Minnesota students have started a move to publish a list of all jokes read by their professors; a list that will classify and number all witticisms and favorite stories of the pedagogue. Saving of time is the main reason for the effort, for in the future when the instructor feels the moment has arrived for a clash of levity he need only give the number of the joke.

V W Brooks Writes New Literary Saga

By Melville Banker

An announcement was made recently that V. W. Brooks has brought his popular galaxy of recent novels into the literary scene.

In an easily readable style, his novel depicts the lives of various characters in a small town, and is a reflection of the times and the people of the area.

The setting for the novel is a small town in the middle of the country, where the characters live and work. The novel is a study of the people of the town, their hopes and dreams, and their struggles.

The novel is well received by critics, who praise its realistic portrayal of small-town life and its exploration of the human condition.

Paths on Back Camp

Make Reimbursement Impossible

The one place on our campus for outdoor athletics is the area bounded by Grant, Tulip, and the Physical Education and Health building, commonly known as the "Back Camp." The area is separated from the other parts of the campus by a tall fence.

Until the opening of the tennis courts and the new field in the P.E. and Health building, this field was marred by only one looker on the field, which is now the necessity of greenwood.

To which I might add, it is very interesting to the fact that most of the students thoughtfully.

We ask that all students call on the facilities, the rich and all the students who are interested in the use of the facility, the tennis courts, and the new field, be sure to open the doors for the same purpose, to be saved.

Mrs. Miniver

I should like to add that Mrs. Miniver began the print work on the campus magazine in the fall of 1940, and at a cost of about $250 for the first issue. The magazine is published every two weeks, and is available to all students for a small fee.

Sleep and Rest in America

We are in the process of making a survey of all the sleep and rest problems of the country. We hope to have a report ready for the purpose of study.

WHILE THE RAMPARTS WE WATCH...  

By PROSY LAC EY

WAR-time France and correspondent Germy have been no more exciting, I'm sure, than the current U.S. Senate investigation... War Irving, NSC, still has his hands on the switch... He assembles a panel of experts to comprise the Senate committee... His plan is to give them the opportunity to study and analyze the nation's foreign policy, including the role of the United States in world affairs, with particular emphasis on the United Nations system...

The committee is expected to meet on a regular basis, beginning next week, to consider the various aspects of foreign policy.

The committee will be composed of members from both parties, with a majority from the Democratic Party... The Senate majority leader, Senator Robert Byrd, is the chairman of the committee, and has appointed a bipartisan team of experts to assist him...

The committee will begin its work by examining the role of the United States in the United Nations, focusing on the UN's role in maintaining peace and security and in promoting human rights. It will also explore the role of the UN in addressing global issues such as climate change, poverty, and international trade.

The committee will then move on to consider the United States' foreign policy in other regions of the world, including Asia, Europe, Latin America, and the Middle East. It will examine the effectiveness of U.S. policies in these regions, including military interventions, economic sanctions, and diplomatic relations.

The committee will also consider the role of the United States in international organizations, such as the World Trade Organization, the International Monetary Fund, and the International Criminal Court.

Finally, the committee will assess the impact of the current U.S.-China trade war on the global economy and examine whether the United States is effectively using its economic leverage to promote its foreign policy goals.

In summary, the Senate committee on foreign policy is expected to provide a comprehensive analysis of the United States' foreign policy, with a focus on the role of the United Nations system. The committee will hear from a wide range of experts and will hold public hearings to gather input from the American people.
