Edgerton Appears Wed. On Appreciation Hour

Jewel Coeard Edgerton, coloratura soprano of North Carolina, will appear in a song recital at GSOW on Wednesday, Jan. 29, at 7:15 o'clock in Russell Auditorium.

Jewel Edgerton began her voice study at Guilford College, North Carolina, under Max Noah, former head of the Guilford College music department and now head of the music department at GSOW.

During her student days she was twice soprano soloist in the annual performances of Handel's "Messiah", given under the leadership of Mr. Noah by the Guilford College Community Choir.

Since her graduation from Guilford College, Jewel Edgerton has been studying under Bertha Levine, opera coach and voice teacher of Philadelphia and New York.

She comes to Milfordsville following a recital in Greensboro, N. C., on January 23. She will be accompanied by Blanche Donald Moore, choir director and organist of Greensboro.

The complete program for her recital is:

Aris! in te (Aria from "The Magic Flute"), by Mozart; All'ingiua (Aria from "Ariadne"), by Mozart; "Veni, veni, messias" (Aria from "Caro Nome") by Rossini; "Cara Mia" by Verdi; and "The Romansnightingale" by Richard Strauss.

To Each Student

Letter to the Colonnade:

This is not a letter to the editor, but to each student at Georgia College.

Monday we had a major political event in the Student Union. We had a great crowd, and it was a wonderful experience to be there.

We have been talking a lot about the political events that are happening in the world right now. It is important to stay informed and engaged in these issues, as they affect our lives and the lives of those around us.

Thanks

Dear Editors:

I would like to express my gratitude and thanks to the staff of the Colonnade for their hard work and dedication in creating a space where students can share their thoughts and perspectives.

The SMOKE'S THE THING!

EXTRA MILDNESS  EXTRA COOLNESS  EXTRA FLAVOR

AND ANOTHER BIG ADVANTAGE FOR YOU IN CAMELS —

the smoke of slower-burning Camels contains

28% LESS NICOTINE

than the average of the 4 other, largest-selling cigarettes tested — less than any of them — according to independent scientific tests of the smoke itself.

WHEN all is said and done, the thing in smoking is the smoke.
Your test tells you that the smoke of slower-burning Camels gives you extra mildness, extra coolness, —- extra flavor.
Now Science tells you another important — and welcome — fact about Camels' slower burning.

Less nicotine — in the smoke! 20% less nicotine than the average of the other brands tested — in the smoke! Less than any of them — in the smoke! And it's the smoke that matters.

Mark up another advantage for slow burning — and for you!
Try Camels — the slower-burning cigarette — the cigarette with more mildness, more coolness, more flavor, and less nicotine in the smoke! And more smoking, too — as explained below, right.

"SMOKING OUT" THE FACTS about nicotine.
Experts, chemists, scientists, smoke the smoke of 5 of the largest-selling brands — and then that smoke of slower-burning Camels contains less nicotine than any of the other brands tested.

CAMEL — THE SLOWER-BURNING CIGARETTE

By burning 25% slower
than the average of the 4 other of the largest-selling brands tested — slower than any of them — Camels also give you a smoking plus equal, on the average, to

Learning the Hard Way

Freshmen Buddle Cappelli of Colgate university learned that chipping mud is bad on hands that are not used to typing on a st. Cappelli is one of 15 students who were restricted to supply win- ter foods for two local churches near Hamilton, N. Y., "to keep the law of working."

Three On a Soda

One way to cut down on expenses is to entertain two girls at once and to one soda. It's a familiar sight at the college drug-stores on the campus of the University of Tennessee. Have Brown Palmer, another one Kappa Delta sisters Emma Clarke and Billi Meader.

A Pound of Cake for Each Player

Final touch of football training table at the University of New Hampshire were served as Captain Mary Flaherty cut the symbolic cake at the last meeting of the squad. Assembling the region is Mrs. Flaherty, who aided her husband during twenty games as head coach of cheerleader. Mrs. George Smith of the Wildcat coach, supervised the traditional cutting as chef James Appleby watches approvingly.

She's Really Frightened

You have heard much talk about "whirl fright," but this photo, taken during an actual broadcast by Lawrence college students, graphically pictures the feeling. The speaker is June Glazier, Kappa Alpha Theta, and take her word for it — she's not acting.

Another "Long Count"

Sid Freedman, Millie Deen and Capt. Otto Oppenheimer of the University of Wisconsin football team till the victory bell 44 times after the 4-4-0 season they gave Miami university's Buckeyes. Miami lost only the bell in 1888 but rebelled U. C. rosters "fright" the bell and brought it to the Cincinnati campus where it has been held for many years.
Coach Receives Award

Tomm McLaughry, right, head football mentor of Brown who coached the Bears all nine to victory over the New York Giants last fall, was presented with a trophy in appreciation of his nine years of service in the university by the Brown Daily Herald. From Hyatt H. Wadsworth, president of the paper, was made the presentation.

Populous

But Not en Mass

Circled above is the picture of Henrietta Gage, Vassar freshman, which appeared in a recent issue of College Digest. Within a few days after the issue was distributed she was accompanied with letters and telegrams sent by these and Vassarites from all over the country. Henrietta pledged for Cola and is picturing a right with country sisters going through the same work. P.S. Each sorority sister took a letter and received it "personally" for Henri. That's sisterly love for you.

Four-in-One

"We're in the army, but not until July," these four Washington State college senior's seem to say. All four were in the first batch of students to be drafted for military training, but as college students they will be exempt until early July.

Curtain Drops on 1940 Football

Here Are Some of Season's Highlights

Football propheseors found that the 1940 season produced more major upsets than any in recent history. Every week found many of the top teams going down in defeat. Two of the major setbacks were suffered when Dartmouth upset Harvard 30-0, and Texas one touchdown victory over Texas A & M.

Aboye Pete Layden, shown scoring that famous backfield touchdown.

Outstanding player of the year is Midle's Tommy Harmon, shown here as he held the ball for the last time in his collegiate career. No player since Red Grange has received the publicly accorded Harmon. Tommy caught in on it to the tune of $30 in the first two weeks after he hung up his mohawks.

"Miracle coach" of the year is Chuck Shugger, who, in his first year at Stanford, taught the Stanford Indians through an unparalleled season and placed them in the Rose Bowl.

Top honors as the nation's leading ground pointer go to Johnny Knott of Cornell's one back. Knott scored 1,409 yards during the season, compared with 1,368 for Tommy Harmon.

Best passing record of the season was set by quarterback Bill Glenn of Eastern Illinois State in the season in eight games three completed 71 out of 109; passing, for an average of 65.14 percent. None of his passes were touchdown plays and only three were intercepted.
Glorifying College Youth

Springfield college’s exhibition team, under the direction of Prof. Leslie J. Judd, symbolizes physically-fit youth by presenting its famed statuary of youth tableaux. The team, which appears annually before some 35,000 spectators, has given performances in the United States, Canada and Mexico. During a Christian vacation trip the human statues presented their ballet in several eastern and mid-western cities. Many of the poses depict various college sports such as the football player at the left.

"The Forward Pass." This scene is dedicated to Dr. J. H. McCardy, who first used the pass at Springfield college in 1902.

Prof. Judd covers the cast with a special aluminum paint and glycerine mixture. The non-poisonous paint is easily removed by applying soap and water.

Announcing
Collegiate Digest’s Fourth Annual
PHOTO SALON

Collegiate Digest’s nationwide search for the best in camera art has started. Recognized as the outstanding event of the year in college camera circles, this Salon Edition competition is open to all student and faculty camera devotees.

In the spring, an entire issue of Collegiate Digest will be devoted to the presentation of the prize-winning prints. Later, the photos will comprise the Traveling Salon which will be exhibited at leading college art centers in all sections of the country. A twenty-five dollar prize awaits the best photograph submitted and other prizes totaling fifty dollars will be distributed. Plan to enter the contest now. Many winners in past years have used only the most elementary kind of cameras — so don’t let equipment stop you. Deadline for the contest is April 1. Complete rules will be announced in this section in the near future — watch for them!
