‘Life’ Exhibit ‘Kyoto’ Shown

In Porter Fine Arts Until Oct. 26

The GSCW art department has arranged to exhibit an exhibition prepared by the editors of the magazine,‘Kyoto’, on Porter Fine Arts Hall through Oct. 26.

Under the curatorship of the ‘Kyoto’ family, the exhibition features a group of small hand-painted silk fabrics and the activities of small hamlet-Silk fabrics are presented as they were used for the seren. Repeated by the people of Kyoto, by the collection of fabrics, by the collection of fabrics, and as it is reflected in its civilization.

The editors of ‘Life’ have drawn on the collection of the remarkable art photography of photographs made in the ‘Kyoto’ by Dr. Harry M. Ward.

Religion in Japan, which so often appears complex if not incomprehensible to the Western mind, has been considered in the city of Kyoto for some 1,200 years. The term of its capital in 1868, the city of Kyoto was also the capital of Japan and the city of the long preserved 8,000 temples and shrines were used by the thousands of small shrines used by the thousands of people, which make Kyoto, and not only Kyoto, the true center of Japan.

The preceding description of religious orders, however, is not the establishment of the Buddhist faith by SCUP brought about such changes and to a certain extent restored the old religious Japan.

The photographs show in detail a harvest festival dance and a purification ceremony at the shrine of the Nara period. Many of the shinto shrines were destroyed by SCUP brought about such changes and to a certain extent restored the old religious Japan.

Pat Schwall Attends UN Institute
At Finch College and Lake Success

Pat Schwall of American, a student at Georgia State College, was one of 83 students attending the Fifth Annual Interim Benevolent Institute on the United Nations recently held at Finch College in New York. At Finch College on November 13, by invitation of the United Nations Institute for Women, a panel of prominent women delegates was assembled to discuss the problems of the United Nations from the women's viewpoint.

Three women from the United States and five from Europe comprised the panel. They discussed the role of women in the United Nations, the problems of women in the world, and the need for international cooperation in solving these problems.

The panelists were: Miss Anna Lee Thompson, former president of the League of Women Voters; Miss Mary L. McKeen, former president of the American Red Cross; and Miss Mary Jane E. Fothergill, former president of the National Council of Women of the United States.

The meeting was held in the large auditorium of the College of Education, and was attended by a large audience of students and faculty members.

Sports Day

Hailed Success

If you happen to know the end-of-the-year October 7th, you might want to know that the United States Board of Education has declared Sports Day a success. The day began with a physical education class which was followed by a track meet.

Sports Day observations were held at the college for the first time. The meets were held on the college grounds and the events included running, jumping, and throwing.

Mrs. D. M. Schwall, the college's principal, said that the day was a success. "The day was well planned and executed," she said. "The students were enthusiastic and the weather was perfect."
