Foreign Language Lauded

Two Foreign Students Remain After Super Session

Doubles enrollment at GSCW has boosted the Foreign Language Institute located in what used to be Moseley dormitory, but now many of us realize, is for a family organized, capable institution of its kind.

The Foreign Language Institute was established March under a staff consisting of Mr. R. C. Martin, Mrs. Celeste Watters, and Miss Emily Treppin of Moseley. Under their guidance, the Institute has been definitely recognized by the Office of Education as the official center for foreign students in the southeast. A number of neighboring schools plan to send their foreign students here as well.

A workshop was held at the Institute just prior to the super session. There were three students from Venezuela, ten from students from Cuba. One of these was a teacher of English who came for a refresher course.

Of these students, four came with practically no knowledge of English, but after five weeks they could speak quite fluently. Through vocabulary classes, teaching of pronunciation by song, and supervision of lab work, and active vocabulary of 2,600 words and a recognition vocabulary of 1,000 words was achieved. Proof of the finest achievement was Miss Georgia Niini, a present student in this school.

The Institute continued until the end of the month and the students will return for a regular summer course meeting of the Assosiated College Preus in Chicago.

FOREIGN STUDENTS on Admrrs for the summer season

RICHMOND, VA. (Special) — Most important characteristics of foreign students is their general adaptability, according to a report by the World Student Union, which has been gathering data on the foreign students in the United States for several years. The report states that foreign students are generally well-organized, capable and adaptable to the American way of life. They are also noted for their enthusiasm and willingness to learn. The report recommends that American universities provide adequate facilities and resources to support foreign students and encourage their integration into the American community.

Sanford Defended 40 To 36 By Top-Notch Faculty Team

As you all know Bell Hall and Sanford are currently the two teams in the area. The scores are, as you know, Sanford 40 and Bell Hall 36. Our team has been working very hard all week to prepare for this game. Our coaches have been with us every day and have put in a lot of effort. We have studied our opponents, practiced our plays, and have been working on our weaknesses. We have been working hard to ensure that we are prepared for this game.

The game started with a bang. Sanford scored a touchdown on the first play of the game. Bell Hall was not able to respond to this and was forced to punt. Sanford then scored another touchdown on the next possession. Bell Hall was able to score a touchdown late in the first quarter, but Sanford was able to respond with a field goal to take a 14-7 lead into halftime.

In the second half, Sanford continued to dominate. They scored three more touchdowns in the third quarter and added another field goal in the fourth quarter. Bell Hall was not able to score in the second half. Sanford's defense was key to their victory, holding Bell Hall to just 12 points.

Sanford's quarterback, John Smith, had a strong performance. He threw for 240 yards and two touchdowns. The team will be looking for a similar performance in the next game.

Coach Johnson was pleased with the team's performance:

"Our team worked hard this week and it paid off. We did everything we could to prepare for this game. We were able to capitalize on our opportunities and put points on the board. We will continue to work hard and prepare for the next game."
The Snooper ---
Snoops At Senior Dance,
Tech Homecoming

You can really call the Snooper the Snooper this time. His name really has 'A-Snooper'. This past week-end offered the perfect occasion, what with the Senior Dance, Tech Homecoming and the rest of the social whirl filled to the brim.

The seniors really did their stuff to the tune of the Harvest moon. A telegram from Miss Mary Thorne, telling them to take advantage of that moon, Congrats and Flowers from California to deliver, Miss Margaret Medora and good wishes from many students. Underclassmen who admired them from afar thought the dance was the perfect ball and the Snooper wonders too. Miss Abbie, Jean, Sister, Nancy Hunt, Billie Harris, still wearing beautiful white corsages on Sunday, Twenty Poin, Thib Smith, Pat Wall, Betty Medora, among the multitude wearing lavender and purple corsages. The most outstanding couple at the dance was that of the Mystery Man, who turned out to be Betty Gilliard's fiancé, A black opal and a diamond of course. Pat called their dance over the Tech Phi Delta Theta.

Nona Woodard going to Mensen for the week-end of her third anniversary. Glenda Big for third week-end, and this sounds like ice cream. Glenda Xmas coming and xmas over the Mensen weekend.

At the dock—Barbara Johnson and friend Bartley getting their best tickled to some of Harry Prater's favorite numbers. That one Phil Dell from G'a. Whose tarted to Jane Mitchell is getting to be an old friend of all the Bell girls. They all think that mighty cute.
