SOPHOMORES in the seniors' advisory committee were discussing the senior class's plans for the year, when one of the members, John Smith, suggested they organize a final meeting. The others agreed, and they set a date for the meeting.

The final meeting was held in the seniors' lounge, where everyone was present. The meeting started with the treasurer, Sarah Johnson, presenting the budget for the year. She explained that the budget had been approved by the seniors' advisory committee and was ready to be presented to the principal.

The principal, Mr. Brown, was present and thanked the seniors for their hard work and dedication. He also announced that the seniors' advisory committee would be receiving a small grant to support their upcoming events.

The meeting then moved on to the planning of the senior class's final party. The committee members discussed different ideas and came up with the plan for a beach party. They decided to hire a DJ and a caterer and to decorate the school with beach-themed decorations.

The meeting concluded with the principal thanking the seniors again for their hard work and wishing them the best for the rest of their high school years.
