Welcome To College Day

Offices and Prizes

Won by Homemakers

Bath Brown was elected president of the Georgia Home Economics Society today in a secret ballot election. The election was held at the Georgia State College for Women on April 12. Bath Brown, a junior at the college, was the only candidate for the office.

Choretime Warn, Jo Ann McCallum, Rosalyn Wofford, and Bob Bolton were the delegates from GSCW, Miss Gilbert, Committee Secretary, was also present to submit her report. The committee was given the responsibility of electing the next president of the Georgia Home Economics Society.

Recognition Given To Honor Students

The word “Phoenix” seems to have been misspelled in the article. It is correct in all other instances.

This year’s Phoenix includes the following: Dr. Christopher Banks, brave in his research; Dr. Ann Arnold; Bobbi, brave in her research; Louise Jackson, brave in her research; Frank Jones; Ruth Kennings, brave in her research; Horace May; R. Joanna Huley; Louie Amanda Chafin; Pauline Jones Farr; Jeanine Claire Price; and Margaret Reed.

GSCW is rightfuly proud of the students in the class of 1965, all having attended them in the Phoenix Day."
Georgia's Historic Governor's Mansion erected in 1838, center of celebration the week of May 2. This rare old picture was made when it was the home of our Governors.

Spring Fever

This Friday will mark the middle of the quarter when many are surely ready with little help from Spring Fever. It is an easy task to avoid thinking of the season, as the temperature remains at a comfortable level. However, the time is soon approaching when some of us will begin to feel the effects of the change in weather. Fortunately, it is not necessary to dread the impending cold, as there are several effective remedies available to alleviate the symptoms of Spring Fever.

Letter To The Parents

Dear Parents,

Today you will be respectfully welcomed and told how good the school is that you have been.

Your child is already in the process of learning and growing, and your role as a parent is crucial in this development. I understand that you are proud of your child, and they should be too. It is important to encourage your child to continue to work hard and take advantage of the opportunities presented to them.

Sincerely,
A DAUGHTER

Great Places Made For Seaside-Centennial

As long as you have gathered yourself to enjoy the last days of winter, Michail Laudeucentennial will be a great opportunity to get away from the busy life and relax.

Honor is Due Today

Honor is due today to those students who have shown themselves to be exemplary in their work, both academically and socially. A special assembly will be held to recognize their achievements, and we encourage all students to attend.

Honor is Due Today

Honor is due today to those students who have shown themselves to be exemplary in their work, both academically and socially. A special assembly will be held to recognize their achievements, and we encourage all students to attend.

News From Other Students

"I have been reading about the importance of self-care in recent articles. It is crucial to take care of ourselves and prioritize our physical and mental health. I encourage everyone to practice self-care daily, whether it be through exercise, meditation, or spending time with loved ones. The benefits of self-care are endless, and it is essential to prioritize our well-being."

Anon

"I have been working on a science project for school, and it has been challenging. However, I am learning a lot and feeling more confident in my abilities. I encourage anyone interested in pursuing a career in science to continue to challenge themselves and push their limits."

Anonymous

"I have been reading books in my free time, and it has been a great way to relax and explore new ideas. I encourage everyone to make time for reading, as it is a great way to expand your knowledge and improve your critical thinking skills."

Anonymous

Griffith and Malcolm
Head 1954 Spectrum

"I have been learning about the history of space travel and how it has progressed over the years. It is fascinating to see how far we have come and how much we still have to learn. I encourage anyone interested in space exploration to continue to follow developments in the field and stay informed."

Dr. McMacee Will Receive
The 1953 Herty Medal Here

"I have been following the news and am excited to hear about the 1953 Herty Medal. It is a great honor to receive such recognition for my work, and it is a reminder of the importance of being dedicated to my field. I encourage anyone working in a research or academic position to continue to pursue excellence in their work and contribute to the advancement of knowledge."

Laura Dell Trappnell
Gives Voice Recital
Laura Dell Trappnell, massa- an-
prize, resident of Millbridge, a
music major and member of the
Class of '54, gave her senior voice
recital in Porter Auditorium Mon-
day, April 28 at 8:00 p.m. Ber-
nie Thompson, lyrics, guitar, accompanist. Laura Dell at the
piano and played a group of in-
strumental numbers herself. Laura Dell has an unusual voice
with a wide range and mature qua-
Lori. She has served as soloist in
the 4-Cappella Choir the past two years and has sung for church
services, and state groups for many
years. Her program was planned
to represent the various periods of
composers and their music.

LOVE
Across the gateway of my heart
I wrote "To Thorehugers.

"I enter everywhere."

Blue Moon" Reigns
At Freshman Dance
The freshman dance Saturday
turned out to be a great suc-
cess. R. P. Perry organized the
Dunhill furnished the music for
the occasion.

The theme of the dance was" Blue Moon" and the decoration
committee, under the direction of
Benjamin Brenner, did a magnifi-
cent job. A big moon was the cen-
ter of attention.

Other committee chairman
were: Ann McMillin, General Club-
man; Betty Churchwell, entertain-
ment; Carolyne Clark, pictures;
Glenna Erwin, clean-up, and
Bobby Fuller, invitations.

Don't you want to try a cigarette
with a record like this?

1. THE QUALITY CONTRAST between Chesterfield and other leading cigarettes is a
revealing story. Recent chemical analyses give an index of good quality for the
country's six leading cigarette brands.

The index of good quality table—a ratio of high sugar to low nicotine—
shows Chesterfield quality highest

. . . 15% higher than its nearest competitor and Chesterfield quality 31% higher than
the average of the five other leading brands.

2. First to Give You Premium Quality in Regular and King-size . . . much milder
with an extraordinarily good
taste—and for your pocketbook,
Chesterfield is today's best
cigarette buy.

3. A Report Never Before
Made About a Cigarette.
For a full year a medical
specialist has been giving a group of Chesterfield
smokers regular examination
every two months. He reports . . . no adverse effects
to nose, throat and sinuses from smoking Chesterfield.

Y's OWL
I just happened to be zapping
by the "Y" apartment on my way
Monday night when I heard that
something toward the west was
parking. I thought that I'd better
stop and make an in-depth in-
vestigation. Do you know what I heard when I blew the whistle
for the door? . . . no door chime,
just a way of having suspicious
people's upstairs signals correctly.
I decided to send them to fellow students who are so desperately in need of beer instead of matching a ticket to
them.

Suddenly the doors buzzed ser-
erous as their owners discussed a
very concerning problem . . . peo-
ple who are disturbed during the
blasting of our food in the din-
ing hall. It seems that they were
thinking they finally came up with
plan to help solve the problem by
changing the meaning of what is sung or said in a word phrase before we all
down to our daily food. Just to see
if the problem was as serious as they considered it, I swept in to
the dining hall and other mon-
ning just before my breakfast and
found the situation pretty bad. Some guilty tortillas were eating,
others who seemed incriminately
out, but no signs or signals and no
attempts to prevent people aware that a prop-
er was watching. I was not able to com-
promisingly hope that people can un-
derstand complexly about this
obtainable situation when the new
plan goes through.

After a clear "God save the
Mr. Magellan and Miss Vaida-
field that an attention student to
the "Y" scholarship plan on the
new year was announced. She is
found an English student, but
after a second "God save the
queen from Miss Vaid," from
sister Angel-sister's way's that
suggestion was quickly discard-
ed. It was finally decided that a
northern European would be just
what the campus needs.

The Vampires committee, plann-
ers of those impressive Pro-Ear-
ser services, were consulted by
President Caldwell on a job well
done while a Mills Ross. He had a
chance to say that they'd heard
from the WCW at Winbyan and
they will be visiting our fair cam-
pus on April 9th. They will be
here for supper and then present
repertoire and by meeting with
cabinet & hosts . . . that must
be an accomplishment.

As though these girls don't have
fun enough while they work they
are now planning fun more and
more. A round and galop with
the student nurses who are among
the State Hospital is being planned for some Tuesday evening soon. Note: when it may
encourage? if suitable guide
were provided this "Y" Owlet
might be able to flutter out to such a party?

Young nurses are to return the
visit with a trip to Lake Lure
for an afternoon of reforming
coming and more fun. They know the way there and tell friends shouldn't keep me waiting.

About this time a red bird pop-
pered at a corner and properly
announced that at Bible Study
Breakfast the next Friday
be in and age no less. They were
everything for the Sunday
and been told that the study there is
pliable. This I'll have to fly
by next Tuesday at 7:30 A.M. and
see for myself.

As I was muking this resolution
processing back to the room
reasoning, so I prepared myself for a
quick sweep out of the back do
the room exploded into a chatter-
ning laughing crowd of girls,
who were excited enough to
celage full of festivities for metal, intellectual and social
development for every single Jesus.

Knowledge is the only instru-
ment against that is not sub-
ject to diminishing returns.
