Y'S OWL

Hello, hello, hello! First time since Christmas I've gotten to talk normally with you, Jessie, and I want you to tell all about our meeting. I really want to know what people are doing these days. My first flight was to Tallahassee where I stayed a while with my apartment mate and met her friends. Two very cute little boys they are, and I was thankful to see them. Otherwise, they remained their usual. After leaving the Rogers household I traveled south to check on Miami boats — I had a feeling things might be in an upsurge after our Tony lands there — but things were quiet. There was Tony in the middle of an adoring circle of males turned down due with Lex Barker while various girls sat excitedly behind the grunges of the group. Our girls seemed to be happy. It didn't last long. My next flight was a long one that carried me up to Alabama, where I visited the Presbyterian Student Assembly on our way north to the center. They seemed to be engrossed in discussing a Christmas movie. "The Christmas Miracle" is so I stopped off a few meetings to see if I could find out too. I heard and saw and did so much there that I decided I'd better do something wild. That's how I ended up at Lawrence, Kansas to meet my Methodist friends. With dramatic events and outstanding speakers we were shown. I had to get home in time to welcome back all returning students, so I didn't stay to ride back on the bus with the businessmen. S C Y. 

"I smoke REGULAR Chesterfield," says

"I like KING-SIZE Chesterfield," says
Peter Lind Hayes.

SMOKE REGULAR OR KING-SIZE CHESTERFIELD... AMERICA'S MOST POPULAR 2-WAY CIGARETTE

THE QUALITY YOU WANT

No matter which size Chesterfield you buy you get the same premium quality cigarette, and all the flavor and mildness that go with it. You get the world's best tobacco, selected by Chesterfield buyers with the help of our research chemists... and proven, by actual tobacco tests, to be highest in quality.

THE LOW NICOTINE YOU WANT

Before we buy tobacco for Chesterfields, our laboratories take samples from all over the tobacco country and analyze them for low nicotine content. The extra care pays off! In recent "tobacco tests," the six leading brands of cigarettes were chemically analyzed. The findings? Of them all, Chesterfield is highest in quality — low in nicotine.

THE PROOF YOU OUGHT TO HAVE

A group of Chesterfield smokers have been examined by a doctor every two months for almost two years. 46% of them — on the average — have been smoking Chesterfield for well over 10 years. The doctor's examination show... no adverse effects to the nose, throat and lungs from smoking Chesterfield.

Consider Chesterfield's record with these smokers — with millions of other smokers throughout America. Change to Chesterfield and enjoy the taste and mildness you want — in highest in quality — low in nicotine

Those new dishes have really been a get-go since they have been here. They took the sideboard with the chocolate cake baked by Halt the last Thursday night.
