March of Dimes Report

GSCW students and faculty contributed generously to the March of Dimes, with a total of $1,383.31. The total amount collected at the college was $121.82. Dr. Beam was pleased with the response and expressed appreciation to the students and faculty for their cooperation in this worthy cause.

In conclusion, Dr. Beam stated that they had a wonderful response and that the March of Dimes is an important cause that we should all support. He encouraged everyone to continue to support the March of Dimes and other important causes.

The Art Department hopes that this report will encourage all students to participate in the March of Dimes and to support other important causes.

LET'S GET THE 95%!

Two hundred GSW students did not vote. Why? The election was uncontested by other candidates. Let's set a goal of 95% participation in the election.

The Colonneau editor, Robert D. Hammond, writes:

The goal is to have 95% of the students participate in the election.

Japon, Visits Campus

Lucia Basset

Japon, a former State Department official, visited the George School for Women campus this week. She met with students and faculty to discuss issues related to the brutal suppression of democracy in Japan. Basset, who is a vocal critic of the Japanese government's human rights record, expressed concern about the country's treatment of women, particularly in the areas of sexual harassment and domestic violence.

A New Place to Study
By Carolyn Morris
Are you tired of studying in the dining hall? Are you not satisfied with the crowded, noisy atmosphere? If so, you might want to consider the new study area located on the second floor of the building. The study area is open from 8:00 a.m. to 10:00 p.m., Monday through Friday.

The study area is equipped with comfortable chairs, study tables, and a variety of reference materials. It also offers a quiet, focused environment for students to work on their assignments.

This new study area is a great resource for students who need a quiet place to study. So why not give it a try and see how much more effective your studying can be!
