College Theaor Group Production
"Blithe Spirit" Presented May 5 and 6

By Peggy Foster

Have you ever wondered what would happen if the spirit of a man's wife come back to haunt him during his second marriage? If you have, come see the College Theatre production, "Blithe Spirit," by Noel Coward, which is presented again tonight.

This supernatural comedy has been called by Mr. Coward an "impossible situation brought out in a funny way." In the role of Dr. Hilary Jones, in June Bay, is Dr. Schuster, a well-known and respected spirit by Dr. Coward.

The place cards at the banquet will contain a study of the spirit's effect on the room, and a small leaflet giving tips on spiritual hygiene.

The spirit will haunt the room, and the small leaflet giving tips on spiritual hygiene will be handed out to all guests.

The Finest Arts Festival Celebration

Programs by Jennie Blakeslee

The Festive Arts Festival Program is designed to bring together various art forms and to encourage the appreciation of the arts.

The evening will begin with a presentation of "Art in Action," followed by a performance of "Art in the City," and conclude with a display of contemporary art in the gallery.

Faculty Accepts Changes In Rules By Student Body

by Betty Martin

The faculty has accepted the changes in the dress code. The students have been horrised and prevented by the rules. The students are willing to follow the rules.

"When special permission is given, the faculty must give needed help at night during the week. It will not be allowed until then."

Dr. F. E. Robe is still president of the school. The school is doing well. The faculty has been involved in the planning of the school.

All who attend the school are welcome to join the faculty. The school is doing well.

**All Those Formulas and Not One Is How to Catch A Man**

by Edith Green

These are not formulaic words. They are true. Of course we know it.

Everyone concerned with your wages and you know too everyone desires that sense of importance is the question in the philosophy of work. The best way to do is to find a job.

In the study of attendance, some results have been made to become aware of the following.

Some of the results have been made to become aware of the following.

Their voices in bulletin boards are heard. As a result, this study never. The more practical in the report, the more the students are interested.

Where should responsibility be found. Only with their eyes right again. Above them, they feel no help. They never think of "does".

**THE EYE**

I've been keeping my eyes open the last two weeks and I'm glad to find new ones. I've been looking at a little squeaker and a little noseless ECPD. -when you look at our sidewalks, I've noticed some of them. This is a great story.

**Because Only Viceroys Gives You A Pure, Non-Mineral, Non-Toxic Filter With 20,000 Filter Traps In Every Filter Tip!**

1. Only Viceroys has this filter composed of 20,000 Filter Traps. You cannot obtain the same filter action in any other cigarette.

2. Viceroys are not being marketed or non-tan, this filter contains no silver or other metals.

3. The Viceroys filter won't get whipped up and raised in price to match the new and excellent filter tips removed for cigarettes. Viceroys pioneered. Research more than 60 years ago to create the pure and perfect filter.

4. Studies on over 100 report that filtered Viceroys have a 74% flavor even than cigarette without filtered. Small, soothing, yet pleasantly mild.

5. Viceroys would like to know that you would have found that it even had a filter tip… and Viceroys not only a penny or two more than cigarette without filter.

That’s why your college men and women smoke VICEROYS than any other filter cigarette, that’s why VICEROYS is the largest-selling filter cigarette in the world!
**Fashion's Fads**

By ANNE AIME

One of the most outstanding features in spring's trend is the use of colored chiffon scarves. Florals have become the most popular choice, followed by plaids, stripes, and pinks. A new head scarf style has also appeared this spring.

Several years ago the chiffon fabric was used in their color and size to imitate the 70's. This season, as in years past, the scarf is being used in similar ways. It's a way to add a pop of color to any outfit.

Recently received by the New York Historical Library, GWU are the two collections of authors’ books in the Wynn Collection of Authors’ Books Presented Library, now open to the public.

**SPORTS & FEATURES**

**Inside the Jessie Sports World**

By Mike Young

In the sally of the great Jessie, the event of the week was the spring meet of the State Wrestling Association. The meet was held in the school's own gymnasium, and the competition was fierce.

The meet featured a variety of events, including wrestling, track, and field. The highlight of the meet was the championship match between two schools who had been struggling for years.

The meet was a huge success, and the attendees were excited about the future of Jessie sports.

**Music Department Members Entertain Campus With Recitals and Concerts**

**Carol Taylor**

The music department wants to be certain that everyone has something to do, so they have scheduled a series of musical events. Beginning next Tuesday, May 10, there will be a recital every day except Saturday. Everyone is cordially invited to attend all of these, but if you cannot come to each one, be making plans to attend as many as you can.

Frances Anderson, treasurer and Shirley LeRoy, sophomore, will give a piano recital in Russell Auditorium at 4:15 p.m. on Tuesday, May 10. Each girl will play several numbers, and they will close with some duets. They will play "The Minute Waltz," with her other freshman, Jane of "Mary's Deterring" with Frances.

Wednesday night at 8:30 p.m., the GSCB band will perform in Russell Auditorium. They have several times.data their organization at the beginning of the school year, and they are looking forward to one of these as the best of all. The band will be paid by a piano recital of "Carnival Suite."

Elizabeth Watson and Carol Taylor, both freshmen, will give a piano recital Thursday at 8:30 p.m. in Peabody Hall. They, too, have included some number that can be played to suit any occasion. The Senior Student body will be directed in "Mary's Little Lamb" and "Brahms Interludes" played on two pianos.

June Smith will give her junior voice recital on Friday at 3 p.m. in Presbyterian Church and will accompany in "Carnival Suite."

**A Cappella Choir**

**Present to "Elizibah"**

**At Homecoming**

By Betty Martin

The A Cappella Choir and Concert band would like to extend the invitation of Dr. Max Noon to present an annual concert in the Russell Auditorium. "Elizibah" was selected by the other choirs as the more famous "Musical." The choral arrangement was Mr. Justice and Mr. Bevis of the University of Alabama, who will direct the choirs. The choirs will be under the care of Mrs. Roger, Barbara Frey, the Ruff, and others.

Dr. Martin Buck will accompany the students in "Community Call." What do you think?---And next Friday, May 10, will accompany them on the piano.

May 18 is the day the Choir members will enter into their concert and dress. A great deal of work goes into this performance, and this one has to be "tops." This weekend is the Homecoming for the Choir. Members from all over will arrive in the million of the performance, and the Choir has to be at its best.

**Private Exhibit In Porter Gallery**

**Features Work of Senior Art Majors**

On May 12-13 a joint art exhibit in Porter Fine Arts will feature the works of Charles Prickett and Shirley Lancefield. The works will be featured are an accumulation of their four years in college, through the majority of it has been done in the last two years. It will include not only paintings and drawings, but they will also have their experiences. They will start their show on June 23, and it will continue until the full term starts in September.

Dr. Burkholder is at the University to carry on new work that he is conducting all over the country. He brought with him a 2028 electron microscope, which is one of the first of its kind in the state of Georgia. Georgia Tech has the other only one. Dr. Burkholder's work consists of examining the Georgia Tech and all of the other alcions, such as photomicrography, etchings and paintings. All the departments are modern and the work is new.
