Students Choose Representative For Entrance in Best Dressed Contest

The search is drawing to an end. We're closer than ever to finding out "who's it". The intake banquet committee who chose the best dressed girl on campus was started two weeks ago by the director, who chose them in turn. Each representative modeled three outfits, an evening gown, and a evening dress. The competition was entered by Russell Anderson and all the other girls invited to the contest. The remaining girls will be chosen by the judges and announced at a later date.

The original contestants and their evening gown models are as follows: 
- Miss Carol White, who is associated with the women's basketball team and is a senior.
- Miss Nellie Brown, who is a member of the women's tennis team and is a junior.
- Miss Mary Smith, who is a member of the women's volleyball team and is a senior.

The final selection will take place at the intake banquet on Friday, May 15.

Spring Quarter Brings Rule Changes
Mary Hall Foeller
Why not turn our group into an organized institution? Spring quarter promises an opportunity for us to define the rules by which we shall govern ourselves. I think it would be most useful if we could lay out the rules that we should make some changes in the way we conduct our business. It will be more important to us to take stock of the business end of the club, and to consider the financial welfare of the entire student body. As a result of this, I propose that we study a few suggestions for the immediate welfare of the student body. We have some suggestions that are well supported by the evidence and should be kept in mind.

A Respectful Request by Josephine King
I have a suggestion that I think we should consider more fully. I feel that the students in our group are not getting the attention they deserve. It seems to me that we should pay more attention to the student body.

Danilo Marchi, a well-known manager at the sporting goods store, has made it clear that he will support any rule changes that will benefit the student body. He has offered to provide us with discounts on our purchases and to donate a portion of our sales to the club. I believe that we should consider this offer seriously.

Pell: Rule Changes
Pell should rule changes be made on the need dates or do they have to be made only on the dates set aside for rule changes? The new rule changes should be made on the need dates, because many rule changes should be made on a regular basis. The new rule changes should be made as soon as possible.

Kathy Nelson: If rule changes were needed, I feel that it would be more efficient to concentrate on the issue of rule changes. The new rule changes should be made in May, I believe.

Carla Williams: I believe that the new rule changes should be made as soon as possible. It is very important that we get these changes implemented. It would be helpful to have these changes in the calendar.

Calling All Students: They should come in as early as two weeks later, when everyone is ready to join.

Nancy Williams: The rules will be discussed.
