Organization Presidents Chosen Tuesday in Campus Election

Jerry Elizabeth Strickland has been elected to fill the position of Student Government President for the next year. Jerry is the daughter of Ernest F. Strickland of Jessup, Ga. With a major in elementary education and a minor in sociology, Jerry plans to teach at the senior or fourth grade following graduation.

She says, of her plans for the coming year: "I would like to broaden the cabinet positions, involve more people in college government, and make decisions on some of our major issues. I'd like in work in the area of bringing the world in our campus to classroom use, and make our campus more like the real world." Marta Lee Wilson, newly elected President of YWCA, says that her aim is "to see the campus become more familiar with the activities of others and to become more involved. Each girl has such different YB and Y, in turn, has much to offer each other's work both ways, however."

Marta, a native of Atlanta, is the daughter of Dr. and Mrs. Richard Wil- lson, who is majoring in biology.

Marta Evelyn Curtis, of Waverly Hall, Georgia, is president of the Reich Recreation Association. A Physical Education major with a minor in Biology, Marta plans to teach in high school and to do graduate study in her field.

She is concerned about the lack of communication between the three major organiza-
tions and would like to see this changed. "I in-
tend to make a careful survey of all the existing activities in REA," she con-
tinued, because "I don't think we should create any new organization. I believe we per-
suaded to work at the present pace of things we have now."

Margot is the daughter of Mrs. Rebecca Curtis.

Contest To Be Delayed

In response to requests from many colleges, Grove Ponga, world famous reporter, has accepted the deadline for entries in its "Inkee Contest," until March 31, 1965. The con-
test, directed toward prizes and open only to college students, had been due at the end of February 25, 1963.

Further information about the contest can be found in the January 28 issue of The Colonnade.

Noted Author Visits In Feb

By Pat Kitchen

For Americans today, cut-off from China for almost a decade, Mr. Snow's latest reports of his travels represent the freshest news available. Owing to the failure of the U.S. and China to reach a recipro-
cal agreement on the exchange of correspond-
ents, and to America's policy of non-recognition of China, major American publications have been without representation in China for many years. Due to old friendships formed during the early revolu-
tionary days, Mr. Snow, was received in China "as a writer not a correspondent," and was permitted by the State Department to take advantage of the rare opportunity.

Mr. Snow arrived in Peking in June 1960 and is believed to be the only Western writer to inter-
view Mao Tse-tung since 1947 and his interviews with Premier Chou En-lai are unprecedented in length and candor.

"Four of Mr. Snow's ten books have been book club choices in the U.S. "Best Seller" lists. The "Red Star Over China," Prior to the publication of this book, Mr. Snow had lived and work-
ed in China seven years, "indoors and out," and taught at a Chinese University.

The story of Mr. Snow's twenty-six years as a ro-
ing, foreign correspondent is told in his recent au-
tobiography, "Journey to the Beginning."
Dear Editor,

Other College Speaks Out About Politics

- This section discusses various political issues and perspectives at different colleges. It includes quotes and opinions from students and faculty members.

A Capella, SAI Busy As Ever with Plans, Concerts, Meetings

- This section provides information about the activities and preparations for upcoming events.

College Speaks Out

- This section includes quotes from various college students expressing their opinions on different topics.

How Sweet the Sound

- This section features a poem about the beauty of music and how it brings joy and connection.

Life Long Graduation

- This section discusses the importance of lifelong learning and the benefits of continuing education.

Cerly at Chapel

- This section describes a recent chapel service, highlighting the themes of faith, community, and personal growth.

- This section includes quotes from students and faculty members, as well as reflections on their experiences and perspectives.

College Speaks Out

- This section includes further quotes and perspectives on various topics, showcasing the diverse voices of college students.

- This section provides an ending for the column, summarizing the key points and encouraging readers to think about the importance of education and personal growth.

- This section includes a final quote and a reflection on the challenges and opportunities of modern college life.

- This section includes a final quote and a reflection on the impact of technology on education and personal development.

- This section includes a final quote and a reflection on the role of college in preparing students for the future.

- This section includes a final quote and a reflection on the importance of community and connection in college life.

- This section includes a final quote and a reflection on the value of college education and personal growth.

- This section includes a final quote and a reflection on the impact of college on shaping individuals for the future.
The new lights on campus are another sign of the progress that seems to be overtaking the campus. While lacking the old-fashioned charm of the familiar three-globed lights, the new ones really cast light on the subject.

These students accustomed to fumbling their way down from campus at night will have to get used to the police line-up glare, and those who have been taking advantage of the darkness in dark gardens to pack rooms might as well give up. The new light in the circle may be a great help to late-in-night library users, but there are rumors going around that the Irish are innocent at the desecration of the Barnary Stone and are plotting a rebellion.

Rec’s Ramblings

By Pam Nelson
Basketball intramurals have been very exciting, but there seems to be a lack of spectators. Why not find out when your class plays and come to the gym to cheer them on to victory. Thus far the Sophomores are undefeated and the Juniors are running a close second with only one loss.

If your favorite meal is spaghetti, you’ll really enjoy the Spaghetti Dinner and Card Party that Rec is sponsoring in Enns Rec Hall Saturday night, February 9. (If it’s one, come anyway! The price is only fifty cents.)
Friday, February 15, an Evening of Dance, Drama and Music will take place in Russell. During the evening the Modern Dance Club will present several productions, including the dramatic “Force and Persuasion” and the religious “Oh, Freedom.” Following the performances in Russell, the folk and square dance club will present a demonstration in Terrell Rec Hall. The evening promises to be very entertaining—try not to miss it.

In case there is a slight possibility that you haven’t heard, World University Service week is approaching! Now that you have heard it, don’t forget it.
