Distinguished Duo-Pianists Give Recital

Music majors and non music majors alike delighted in a concert when Arthur Gold and Robert Findlay, in connection with the Community Concert Association, presented a two-piano recital in Russell Auditorium on January 14;...This pair is distinguished in that it is the first pair of artists to give a performance in Pullman Hall in New York, where they have made three appearances in five years—more than any other piano duo has. Their plans include the completion of one-hundred tours set up the United States and abroad. This tour program includes recitals with twenty United States Symphony Orchestras. The pair has appeared on The Telephone Hour, The Tonight Show, and NBC’s Recital Hall on radio and television.

Both Gold and Findlay began music studies at an early age. From this year they joined the Juilliard School of Music in New York, and after studying with a two-piano combination for their own amusement, they decided to put their efforts together and become a team. For their recital here at the Woman’s College Gold and Findlay played compositions by Bach, Mozart, Milhaud, and Boulez, who wrote a special four-movement concerto for the pair.

Registrar Lists

Enrollment

The office of the Registrar has announced that the total enrollment for Winter Quarter of this year was 912 students. Of this number, 135 are freshmen, 194 are juniors, 213 are sophomores, 191 are seniors, and 33 are special students. There are 42 new students, but there has been a decrease of 94 students.

Guest Assembly Begins Today

High School weekend officially begins Friday, Feb. 7, 1964. Beginning with lunch at 1:00 and until lunch on Saturday, Woman’s College students will be hostesses to several hundred high school students who have come to observe life at the Woman’s College Campus. Many activities have been planned for the visitors and nearly every moment will be filled with interviews, classes, and entertainment.

Dean deCollagey has asked his guests to accompany them to as many places as possible and to acquaint them with the campus,

Though short, high school weekend is full of activities and it promises to be fun and educational for both student and guest.

Display Begins

In Mamie Padgett Gallery

The display, "Textiles used in the Post-revolutionary Strifes of America" opened February 5 in the Mamie Padgett Gallery of the Woman’s College. This exhibit, from the Sante Fe Museum of Textiles consists of textiles used in the restoration of homes of famous American pioneers of the late Georgia period at the end of the 18th century, and the Federal, Empire, Greek period and early Victorian eras of the 19th century. Included in the exhibit are textiles selected by Mrs. Kennedy during her restoration of the White House.

The exhibit will remain on display through February 28.

It Does Exist
By Lynn Horton
There has been much talk on cam-
pus during the last few weeks con-
cerning the Four Peeps contest. The
general consensus seems to be that it
does lack substance and that the
group could not live up to the
prestige that the Four Peeps con-
test has in the past. However, there
is no need to worry, for this year's
Four Peeps will be very interesting.

The other day an interesting article in
the campus paper raised the question
of whether the Four Peeps contest
was worth holding. It was as if
everyone was trying to bring about,
and most everyone was attempting
to avoid getting involved. This
brought about a great deal of thought.
Last week, Gold and Flashlight, one
of the four non-student teams in
the country, appeared as part of the
Community Concert Series. Each W&G
girl is a member of the Community
Concert Association by virtue of being a
student here. The entire concert lasted
over three hours from her perspective
and was interesting. Probably not more than
half of the students attended it.

The talented Atlantic Symphony Orchestra will present its
famous four concert series. The price of admission is $1.00-
even when you consider what we gain in exposure. How many
of you know the history of the Four Peeps contest, or its
origins? Well, you're going to find out.

The contest began during the last
few years. The Four Peeps are always
considered to be the strongest on
campus. This year's contest was
announced last week with much
excitement. There were no protests,
but it was decided that the students would have a chance
with each other for the first time to select their favorite
activity. The results of the contest will be announced on
Thursday night. The Four Peeps are

An Open Letter To The High School Students

From Bernard Greene
President of College Board

As a member of the College Board, we are proud of our affiliation with the College Board and we urge you to take advantage of our programs. Each student organiza-
tion has its own unique characteristics and the College Board is dedicated to helping you achieve your goals.

The College Board is a unique organization that provides opportunities for high school students. We encourage you to take advantage of these opportunities and to participate in our programs.

The College Board also provides scholarships and grants to help support your college education. We encourage you to apply for these scholarships and grants to help support your education.

We believe that college is an important step in your education and we want to help you make the most of your college experience. We encourage you to take advantage of the opportunities provided by the College Board and to participate in our programs.

The College Board is committed to helping you achieve your goals and we look forward to your participation in our programs.

Sincerely,

Bernard Greene
President of College Board

Judiciary

By Brenda Groene
Chairman of the Student Assembly

The Judiciary is a very important part of our college community. It provides a forum for discussing and resolving conflicts that may arise between students and the college administration.

The Judiciary is composed of a team of faculty members and students who are elected by the student body. They are responsible for hearing and deciding cases that involve violations of the student code of conduct.

The Judiciary is an independent body that operates separately from the college administration. It is designed to provide a fair and impartial forum for resolving disputes.

The Judiciary is committed to upholding the principles of fairness and justice. We encourage you to participate in the Judiciary and to help us in our efforts to maintain a just and fair college community.

Sincerely,

Brenda Groene
Chairman of the Student Assembly

Pickled Oysters Peanut Butter Sandwiches

Tomato Soup

When we first began working on this project, our reasoning centered around the idea of creating a vehicle for the promotion of local restaurants. We decided to create a book that would feature local restaurants and their menus, as well as recipes for some of their dishes.

To create this book, we gathered information from local restaurants and reached out to those who were interested in participating. We then compiled this information into a cookbook that we distributed to various locations such as libraries, grocery stores, and local businesses.

The response was overwhelming, with many people expressing interest in learning more about the local food scene. We continued to work on this project, expanding our reach and creating new recipes for future editions.

Our goal was to promote local restaurants and support the community. We believe that by doing so, we can contribute to the growth and development of local businesses.

We hope that you enjoy this cookbook and that it inspires you to explore the local food scene further. Thank you for your support and we look forward to creating more editions in the future.

Record Crowd Boosts Club

Phil Upsilon Omicron

The previous small, slow-growing, inactive association for Childhood Education International Club finally came to life when an enthusiastic effort for recruitment of Elementary Education Major members, which made the club on to many members and won a membership of near 20. A record number of nearly 75 Elementary Education Majors formally declared their interest in the club on Wednesday, January 29, filling all available booths—there were six.

The club has been named Phil Upsilon Omicron, to honor President of the AELC and has been introduced to the general body of the institution, Miss Martha Oiler. President of ACE, and is also introduced to the other officers and committees. The club aims to discuss and bring to the fore various projects the club might undertake. Ailing these are a teacher-made project for Peabody Lab School classrooms, a scholarship program in the library and a research program for faculty at the Peabody Science Center, and other facilities of the Peabody Science Center.

Upsilon Omicron is a national honorary society for the honor of academic achievement in elementary education. The club has been organized by the administration and will be historically connected with the University of Illinois. The officers are: President, Martha Oiler; Vice President, Emily Claggett; Secretary, Emily Claggett; Treasurer, Emily Claggett; and Editor, Emily Claggett.

KLM Representative Visits Campus

Mr. Roger E. Ackley, representing KLM Royal Dutch Airlines, was on our campus recently to discuss the possibility of KLM students taking a flight to Europe and returning via New Orleans. Ackley met with a number of South American students interested in participating. The flight would leave New Orleans on April 5th and return on April 17th. The students would have the opportunity to visit Paris, Amsterdam, and London. The round-trip fare is approximately $500. For further information, contact Mr. Ackley at the KLM office in New Orleans.
Welcome, future Jessica, not only in our campus but also to our town. You'll find the merchandise of Milledgeville is very friendly and helpful, and stock their stores with you in mind.

You will find in Milledgeville a number of dress shops which can cater to the latest collegiate styles in a wide price range. Hay-rolle's is known for its campus styles by Bobbie Brooks and Country Set. The latest in shoes fashions, at Hebel's, you'll find Vassarette Lingerie and Aspen Sportswear, along with a variety of other brand names in both dress and casual wear.

Kinc Dress Shop is known for the wonderful Girls from W.C. spend many hours trying on these brand names of Milledgeville's. Milledgeville's largest department store, carries clothes for the whole family and busses a well-needed fabric department for all your sewing needs.

Vincent's Men's Shop carries a complete line of merchandise and has a sales staff always willing to help you select the perfect gift for that special man in your life. Speaking of gifts, not only does the Drug Company have an excellent pharmacy - they will find a good gift selection and a variety of greeting cards for all occasions. We have in Milledgeville two shoe-crafter shops: The Glove Shoe Hospital and McMullen's Shoe Service, both of which offer you excellent work and courteous service.

The Glove features a fine cladding and stitching service for just $25. At Milledgeville's you can choose from a full supply of shoe care items, including shoe polish, shoe-make-up, and polishing brushes and kits. The Milledgeville Beauty center in town has become a favorite spot for many girls. There you can receive beauty tips from professional and buy the tops in quality make-up.

If any of your electrical appliances need to be fixed, you're at college, Crawford's Electric Service offers the skill and know-how to do the job well. On the wonderful day arrives that you can keep a car on campus, remember that Chenier Hodges Sinclair Service Station is the place to go to keep your car in top condition.

Entertainment-wise, the Campus Theatre is the nightspot of downtown Milledgeville. After the show, you might enjoy dropping in at Grady's Restaurant for a snack and some more relaxation. The Safeway Store offers excellent southern cooking in an anti-Sellin atmosphere at reasonable prices.

If you would rather have some home-cooked food for a change, you might enjoy shopping at Jesse's Market, where they feature hot barbecued chicken, or the Piggly Wiggly directly across from the campus, where many Jessica purchase one of their favorite hobbies-collecting 5 & 10 Green Stamps.

Dance Club Presents Lecture
The Modern Dance Club, under the leadership of Dr. Betty Poindexter, presented a lecture demonstration at the Health and Physical Education Club meeting held in the Health and Physical Education Dance Studio January 22, Miss Patzy Bringman, secretary, and President of the Health and Physical Education Club introduced the program. The lecture was then turned over to Dr. Betty Poindexter who lectured during the demonstration.

The demonstration included studies in techniques, health, direction, focus, level, dimension, dynamics, note values, improvisation, rhythm, and name patterns. This was followed by a dance from the school's own dance studio, performed by Dr. Betty Poindexter and her students.

Looking Ahead
If you are planning to help the world's hungry people feed themselves in the future, CARE delivers food to nourish school children while they get an education. In order to make known to our farm families until their first crop comes to; to pay villagers while they build roads and other facilities to increase commerce and earnings. Contributions to the CARE Food Crusade, New York 101, will help make such programs possible.
