**FRESHMAN SETS**

The freshman class members included some alumni from former class offices as the 1971-72 year gets underway this Wednesday, October 25th. No one will suffer in being elected as several people have petitioned for each office. A key member of this set had to have a 2:0 average.

There are four candidates running for the office of President. Chuck Tucker, a native of Columbus, Georgia, graduated from Hardaway High School. He is a home economics major and a member of the Delta Delta Delta Home Economics Club at Georgia College.

Benjamin, Publications—Tony Armstrong, Student Activitites—Harvey Bopry; General Investigations—Terence Walker, and Academic Dean Jim Smith may be selected for the class set in the following order: a member of the Academic Committee, to speak on the last of the proposed core curriculum changes. The last included the dropping of English 200 and 301 from the humanities requirements and substituting two other courses of several related courses, such as the addition of Physics 102 to the math-sciences requirements to form a physics course sequence; and the offering of a second sequence of two courses of American History or current sequence of Western Civilizations courses, either of which is added to the social science division of the core. The core approved the changes unanimously.

Georgia College announced that former Bill 15—The Declaration of Student Rights—has been reworking the process and submitted at the next Senate Meeting. The next two meetings will be held on November 18 in December.

**1970 GC Follows Suit**

On Tuesday October 27, 1970, the Day Student Organization under the supervision of Bobby Steven and Steve Simpson, held a mock election for Governor and Lt. Governor for the upcoming election. The mock election came exactly one week before the real election as the polls to decide upon this state’s next chief executive.

There were only four names, those of the Buchanan candidates, Bob and Frank Miller for Governor and John and Lester Maddox for Lieutenant Governor. For both candidates was provided for write-in candidates.

The vote was taken in six as on the DSO had not given much publicity to the mock election and many students to this day are unaware what the election even held. In the race for Lt. Governor, Governor Lester Maddox led his Republican opponent, Frank Miller, with a total of 212 votes to Miller’s 172. This gave Maddox 164 percent of the vote. Miller 44 percent and the remaining 3 percent was divided among write-in candidates.

**Jeff Comer-Did You Help?**

Jeff Comer, the once 6 year old who was cheated out of his life by cancer, had made a plea to Georgia College to help in the college’s fight. The article appeared in last week’s O’Klockoade about the tragic story; as the appeal to the students was made to give help to Jeff Comer. There was a table set up in front of Parkers to take up the collection. There was $341.00 given the first day, $147.00 the second, and $461.13 the third. The fund drive will continue until Friday. All further donations may be sent to the campaign in the mail at the college, but to be sure to tell them what the money is for. Go on and make the college great for Georgia College and Miller High School.

For the office of Secretary-

**Follow Suit, Go Home**

Tuesday, November 3, thousands of Georgians will go to the polls to cast their vote for Governor of this fair state. Thus, provided you keep your Common sense, you are ready citizens of a progress and actions of their community, be it local, state, or national.

The Georgia College Student Senate has been in the forefront of the gubernatorial election and since 1964 has followed the precedent of the Student Senate. We have been involved in a number of states. In order that Georgia resident students who did not secure an absentee ballot to their hometowns to vote. This should be respected by each student as a duty the heritage of life too often neglected not just one for school and relaxation.

It's true. I have heard of students who have no intention of voting, but they will be voting because of their school spirit. The Student Senate is working hard to make sure that every student has the opportunity to vote.

Unfamiliar Faces

Mrs. Catherine Tharston

Mrs. Catherine E. Tharston, assistant professor of Education joined the staff in June. Starting out as a lab technician, she obtained her bachelor's degree from Georgia State College for Women.

Mrs. Tharston has had 20 years of experience in the public schools, 12 of which were in the junior high schools. She has also been principal of a small rural school and does research for the Federal government which resulted in the Progress 13 Reading Center.

Since she also obtained her Master of Education degree from this school when it was Women's College of Georgia, Mrs. Tharston does not feel like a newcomer to G.C. She enjoys teaching, and says that the faculty is very supportive and helpful.

Mrs. Tharston represents the college on the Elementary Commission of the Southern Association of Colleges and Schools.

Mrs. Doris Moody

Mrs. Doris C. Moody, a part time instructor in biology, is the new teacher in Microbiology. She is from Eatonton, Georgia. She received her Associate of Arts at Emory University, Bachelor of Science at University of Georgia, Masters at Medical College of Georgia at Augusta.

Mrs. Moody came to Georgia College because her husband is a physician at the State Hospital. She wishes to continue teaching part time as she has two young children. She has a girl, Paige, 7, and a son Kyle, 6. Mrs. Moody likes Georgia College very much. The students she has come in contact with are very polite to her. Along with teaching, Mrs. Moody does some cooking and sewing, of the two cooking is her favorite.

Mrs. Edithogene Spurka

Mrs. Edithogene Spurka, Assistant Professor of Education comes to us from University of South Florida in Tampa. She has lived in Georgia for several years and likes the state very much. She has a degree in Nursing from University of Cincinnati, a Bachelor of Education from Oglethorpe, and a Masters degree from Emory. She also taught at Oglethorpe and Emory.

Mrs. Spurka was very pleased with Georgia College; she likes the beautiful old buildings. She likes a small school, where there is more communication between professor and student.
