Fall Jamboree Scheduled

by Susie Griggs

River been a fall jamboree? It's great fun. Almost on the lines of an elementary school carnival, it brings back many fond memories. This year, CUP plans are out-doing all others in trying to plan activities for the Georgia College Student. It's newest plan is a jamboree to be held Friday, November 30. The jamboree will get off in a manner start at 4 PM with a tricycle race for faculty and students. Anyone interested in being in the competition should sign up at his/her own tricycle. Entries may be representatives from school organizations, or just some one who wants to have a good time. All applications must be in by Nov. 15. Sign up in student activities office.

After the race and the winner being awarded, interest will turn to the interior of the Student Union. There, organizations including dormitories, campus reservations and clubs, will display booths. Games will be played, refreshments made available, and all kinds of just good clean fun...all for the receiving.

Eight o'clock will bring another highlight in the evening of the 30th. A dance held upstairs will entertain all with the group "Hot Botton" from Atlanta. The dance will be free of admission with 1.0.

As you can see, November 30th will be a Red Letter day here at Georgia College. If you are a member of a school function and plan to participate in the booth activities, applications will be made available in Student Union Lounge at the dead. Following is an outline of the rules and regulations of the booth activities. Make plans in your schedule and I'll miss this exciting jamboree.

Interns Sought

by Patty McCormick

Georgia College is a participant in the Georgia Intern Program. The program allows students to gain applied knowledge derived from experience working in an agency, office, or institution of the State of Georgia. Any students enrolled in an academic program offered by the College is eligible for the internship subject in the academic regulations of the College.

The following Intern Programs are designed to give students an opportunity to gain educationally beneficial experiences by off-campus work that is related to their field of study.

Georgia Intern Program: Students work for state and local government agencies; salary is determined on a sliding scale with a total of 15 quarter hour credits. Deadline for application for this program is October 22.

Senior Nunn Intern Program: Students work in Washington D.C. and earn $800.00 every two months. 15 quarter hours are earned also. Deadline was Oct. 15.

Congressman Stucker Program: Students work over the summer for the 4th Congress District earning $175.00 a week plus 15 quarter hours.

Legislative Intern Program: Students work for the Georgia General Assembly during the winter semester. Spending a 10 week period in Atlanta, Ga., the

Changes in Advisement Policies

Schedule Planning Sheets for Winter Quarter will be stamped by the student's major department after consultation with his faculty advisor during the week November 5-6. Students failing to obtain this validation stamp during Advisement Week will be denied in registering on January 3, 1974 until late afternoon.

Faculty Advisors will post an appointment "sign up" sheet during the week October 20-21, November 2 for students' convenience in selecting a time for consultation with their advisors.

Information obtained during Advisement Week will assist departments in planning for adequate numbers of classes and sections in order to provide better service to the student. It is imperative that students who plan to attend Georgia College in the spring term consult with their advisors during Advisement Week.

Remember—failure to obtain the Departmental validation stamp, or failure of the validated Schedule Planning Sheets before registration, will result in the returning student not being permitted to register at his regularly scheduled time on January 3, 1974, but may register with "free" students later.

Alpha Delta Pi Update

The sisters of Alpha Delta Pi were very pleased to have as their guest last week Nina Missie Ekblad, the National Grand President of Alpha Delta Pi, and the Providence President, Mrs. L. E. Moore. Miss Ekblad, from Seattle, Washington, came to Atlanta for the dedication of the Alpha Delta Pi Lodge at Emory University and received several tokens from Millie Milligan to meet the women. The welcome to the new chapter at Georgia College. A banquet was given for the guests in the Blue Room of the Emory Student Union. Miss Ekblad will again be visiting Georgia College during October.

Know Your Student Body

By Paddy McCowan

For the week "Know Your Student Body," the Colonnade club, a student club, conducted a survey, which included a letter to the student body asking for their names and addresses. The student body was also asked to specify any special interests or hobbies.

The survey was conducted on October 15th and 16th. A total of 400 students participated in the survey. The results showed that the majority of students were interested in music, sports, and arts. The survey also revealed that the majority of students were interested in the campus activities and events.

The survey findings will be used to plan future events and activities for the student body. The Colonnade club will also use the information to improve the club's services and improve the student experience.

The Atlanta Rhythm Section

The Atlanta Rhythm Section, whose debut album "Out of Love," sold almost 500,000 copies in its first month of release, has been one of the most successful bands in recent years. The band's success has been attributed to their unique sound and their ability to connect with listeners. The band's members have been described as having a strong sense of camaraderie, which has helped them to create music that is both commercially successful and critically acclaimed.

The band has released several successful albums, including "In the Backyard," "The Great American Band," and "Out of Love." Their music has been featured in many films and television shows, and they have toured extensively across the United States and internationally. The band's members have also been involved in various philanthropic efforts and community outreach programs, which have helped to further their success.

The band's sound is a combination of rock, country, and blues, and they are known for their tight harmonies and powerful vocals. Their music has been described as "soulful" and "heartfelt," and they are considered one of the most important bands of the 1970s. The band's success has been attributed to their ability to create music that resonates with listeners, and they have continued to be a force in the music industry for over four decades.
Alone With Nature

by Swelles Griggs

Ailing alone among the rocks, I remain silent, contented, listening to the sounds of nature.

In the small pool of water below, much weeds and fungi formed its simple beauty. Thriving in the stagnant water lies a miniature community. Decaying ripples of water cross the pool, are caught by tadpoles feeding on their lives habitat. They appear undisturbed as they search each boulder, always looking for new adventures. The bull frogs sit on the rocks and croak their approval.

Cricket seems to sing a happy chorus as their wings and legs harmonize together. And there are the calls of the birds, calling of what happened today. The sparrows and chipmunks busy gathering nuts for the cold winter, much too involved to stop and listen to the melody.

The fall winds blow, softly from the earth, carrying with them forewarnings of the coming snow. As the winds pass, the golden leaves are released from their imprisonment. Freshly, carefully, almost infinitely they fall. Now you only death awaits at the end of their journey.

The gliding sun slowly at first, then with great majesty, sets into the western horizon. It leaves nature's world to sleep and prepares for yet another day.

In the midst of all these wondrous happenings of nature, I sit alone. The sun has set, leaving only darkness, and I go.

Carolyn Nicholas

Mr. Handy

Our loves bloom,
like Spring's first flower. Reaching for the sun, toward it's golden warmth.

Fragile to earth's strong force, but able to bloom among Winter's last snow. Shining brightly upon the white blanket.

Undead

Under common bonds, our lives form one. To travel down life's road Till eternal sleep divides!

Offerty Song

Make me

Your comforter

Make me one

Who will put the smile back into your eyes

One who will shoulder all your tears

One who understands

And advise

Or one who admits

What we both cannot understand

And offers consolation in our conflicts.

Make me one who is yours. I give you myself.

All I have

Make me one

With you.

Dare to follow your feelings, no matter how long or how far. Dare to dream, and dreams are what reality is of.

Dare to love, knowing not why or if it is right.

Dare to be different, for difference does not mean.

Dare to know yourself, even if you are not what you want.

Dare to think, because a profit gains.

Dare to meet God, He is a different Kind.

Dare these actions, but sure one more.

Dare to live today for today, for yesterday is gone and tomorrow is not yet made.

has co-written the hit "Rigby Clouds of Joy" and "Cherry Hill Park" among others. One of Rigo Orizaba's Candlesmen, he remained with the group after they went on their own pace, signing with ABC Records. While with the Candlesmen, Nix played the top American clubs and concert halls and toured Canada, England, Scotland, Ireland, France, Belgium, Holland, Sweden, Australia and New Zealand.

Robert Juno - Lead vocalist Noktyo Juno started music education at St. Petersburg, Florida Junior College where he played percussion instruments. Juno, who was born in New York and raised in Florida, worked with the Candlesmen before joining the Atlanta Rhythm Section.

Paul Goddard - Bassist Paul Goddard, who played on the first recording date in 1964, worked with Roy Orizaba and Columbia's recording studio. His style is similar to the Atlanta Rhythm Section. He is the other member of the group, Goddard participated in arranging and writing the material on Atlanta's debut album.

Dean Daughtry - Daughtry, who worked with Juno and Nix in the Candlesmen before joining Dennis Yost and the Classics IV, started playing keyboards at the age of five in Coffee County, Alabama churches. He co-wrote the single "Another Man's Woman" with Buddy Blue and Robert Nix.

Barris Bailey - Decatur, Georgia native Barry Bailey, who plays lead guitar with the Atlanta Rhythm Section, took formal guitar lessons at the age of 11 and started music theory in college. He also plays piano, bass and drums. Before joining Atlanta, he worked with luminaries of the 70's, Brian Ropps and Steve Karsik, and is a member of the Holy Smoke Band. Bailey is acknowledged by his musical peers as being one of the country's top guitarists.
