Nursing Dept. Authorized To Spend Money

A total of $21.7 million in capitalization grants has been released by the Department of Health, Education, and Welfare, to be used for academic and nursing facilities. Georgia College has been authorized to spend the remaining $27,717 of a $23,552 grant authorized earlier. Until recently, the college had been authorized to spend only $670 of the original amount allotted. Release of the funds is the result of a successful legal suit brought by the Southern Regional League for Nursing against Roy A. Meier, director of the Office of Management and Budget, and Caspar Weinberger, Secretary of Health, Education, and Welfare.

The NLR law suit, one of the five cases brought against the administration, was initiated in 1973 in an effort to have the $23,552 nursing capitalization grants appropriated by Congress. The fiscal year 1973, only $18,989, had been obligated by the Secretary to schools of nursing. The administration had indicated the other $21.5 million in the

Here's To A Love That's True

This rose which I am offering you
Is a token of a love that's true
The very sadness of this love
Reflects the sunshine in which
My love grows.

The beauty of love is the willingness to give
My only desire is for this rose to live
And in harmony we will live and share
So that others will take notice and compare.

Whenever you see me, I will have
My rose
And every now and then, I will
Hold it very close
to my heart, which belongs to you.
And whisper, "Here's to a love
That's true."

Drifting

Walted gently by the
Breeze of Life
We are borne along the
River of Time,
Shielding the
Rapids of Erosion,
Dipping in and out of
Cups of Content,
And, notwithstanding
The Falls of Failure,
We come, finally, to
Rest within the eternal
Pool of Peace.

Jason Byram

God Is Not Dead!

Some people say God is dead;
They live their lives in misery, hate and dread.
These people must not have eyes, or maybe
They are just blind
And cannot see.
For if they could behold
A love or even the
Smallest humble bee;
Or saw in a field a playing deer,
Or walked out on a canoe's wooden pier;
If by chance, these
Things they missed,
They could look in the
Mirror and themselves
They did see.
Then dear God they know
Of them.
