Scholarships Awarded

Three Georgia College music majors — from McDonough, Fitzgerald, and Milledgeville — were selected recently to receive Max Nash Music Scholarship Awards for 1975-76.

The students, selected from auditions held April 25 at the college, are Mary Elizabeth Phillips of McDonough, a rising junior; Lisa Garrett of Fitzgerald, a rising senior; and Nadine Sims of Milledgeville, a rising senior.

The scholarship fund, begun approximately 40 years ago by Max Nash and members of the Milledgeville College Choir, has made it possible for a number of students to continue their musical studies at GC. The fund was created in 1934 in honor of Nash, a former chairman of the music department and a member of the A Cappella Choir at the College.

Max Nash retired from the GC faculty in 1968 and now lives in Statesboro.

Students eligible for the scholarship must be rising junior and senior music majors.

Miss Phillips is a pianist student of Maribel Benton, associate professor of music at GC. Miss Garrett is a voice student of Laura Hillman, assistant professor of music.

Aliff Honored

Dr. John V. Aliff, assistant professor of biology at Georgia College, was elected to two posts in the Georgia Academy of Sciences at a recent meeting of the organization at Valdosta State College.

Dr. Aliff was named secretary of the biology section of the academy for 1975 and chairman of the section for 1976.

In his new posts, he will compile and edit abstracts of papers to be presented at the next meeting of the academy, evaluate abstracts for awards and serve as announcer for the papers to be presented.

Dr. Aliff, who earned his degree at Marshall College in West Virginia and the University of Kentucky, came to GC in 1966.
Cont

Tune It
by John Hennessey

That feisty hoedown, Diana
Marincek began the April 27 singing
concert with several pages of her
original verse and literature, in
which she performed at the grand
pace of Spanish Andalucia. Between the
songs, Miss Marincek looked comedi-
ously with several posts dallying her performance.
She played on, Diana's songs
drawn from "handkneeling
dancing." When
Diana ended her
concert I had the pleasure
of interviewing her. I asked her
four questions, which I
thought were answered very
satisfactorily.

Diana is from Montreal.
Carried in 13 years old. She
has been performing for 2 years
in various spots in the
province of Quebec, and was
drawn of thinking it was
by the best of things that she
had ever hit the country. It's
impossible," said Miss Marincek
after Interlude that transformed
the Our Gang apel of the
Singing Star. Jim Stafford
is said to many, including myself to be
the "wisest dude that has ever
walked on the entire OC pages.
Mr. Stafford was most uncradling
in performance showing a large
audience building songs. Mr.
Stafford performed such songs as
"Flowers of the Rising Sun,
Mr. Stafford's first, one of the
energy released and many more.
This was in the 1- and second order
students the most beautiful
song may be heard. The language
and singing song was "Spiders
and Snakes." Glenda

Fashion News

The new Fashion Marketing
Club at Counterpoint College
was getting off to a flying start.
On April 27, the new professional
model, will be back in the
classroom as a guest speaker at 5:30
p.m. in Chapel 139. The continuation
model will be presented by
qwerty, Georgia. She is an
advanced student at Counterpoint College
from Robert E. Lee's school in
the Accounting Program at the
state's largest city.

Mr. Rodgers will speak on
the topic of "The Four Towers of
Fashion Show." He will
be the next talented help.

Barbary Amon Waste

With the Queen's Walk-A-Thon
coming up May 1, this year's
event will benefit the Queen's
Waste group. The event will
raise funds for the Queen's
Waste chapterwise. The
fundraising event will consist of
a 5K run, a walk, and a
bike ride. The event will be held
on May 1 at the Queen's
Waste campus. For more
details, please visit the
Queen's Walk-A-Thon page on
the Queen's Waste website.

A Rainy Day In
The Life Of A Soldier

Today, my love, was the usual
day. My love, was the usual
day. But not because I didn't like it.
I've earned my stripes.

The stronger side wins it. Not as
War proves.

Who's Who Election Upcoming

Along with the month of May comes the election of Who's Who Among Students in American Universities and Colleges. Being selected as a Who's Who Student is considered quite an honor. This title can be very rewarding. It is a symbol of seeking employment, admission to graduate colleges, acceptance for future positions, etc. Each student selected will have his picture and name printed this year in Who's Who Among Students in American Universities and Colleges.

Students are recognized for leadership, contributions to campus life, and potential for future service to the community, state and nation. Each student must receive a 3.4 average and must graduate in June or August of this year.

Faculty members

by Mark Smith

What's it all about? I can't really give you a true account if you haven't been there, and I can't picture anyone who has attended Georgia College and has not been a patron of the fine dining hall nearly every meal.

Ever since the Flanneau was "put out", the campus diet has been better than ever. And, as you regular customers know, once you come turned those carved wood doors, the taste is worth the walk. The food is liquid. A mug, a pitcher, or a giant glass "gushing" a cold liquid, and they can supply your thirst. The campus dining hall is really pretty nice. Wood paneling, carpet, a twenty foot bar, etc.; all the glamour of your race.

The Pub

by E. Yancey Walker III

If you are tired of getting out of bed at an unreasonable hour, just find a parking place on campus, then take advantage of the new parking area. The parking lot is located across the street from the main building, at the corner of West Montgomery and North Columbia streets.

This parking lot is obtained from the City of Milledgeville by the College Government Association in an effort to make parking at Georgia College less of an empty problem, but, so far, it has not been used.

There have been complaints by residents on West Montgomery street, over the location of the new driveways, so please do not park your car of anyone's driveway. If you live in the dormitory, please walk to class and not park. This is a student's chance to find a better parking place, but if you find a parking place around the main campus, there is always a place available at the softball game. Take advantage of it.

Last Words

by Bill Hunter

GIRLS IT'S OVERT...FINISHED...THROUGH...I have changed the lock on my apartment. I won't answer any mail.

I realize that you all think I am overreacting. I'm sorry, I can't be helped. I'm leaving home. I'm going to stay in front of Park Hall, leaning against a pillar and fighting you away as you go in your dorms. IT'S DONE, stop crying, it will do no good. Me and my daughter have been "handled", "marked", "hated", etc.

But I have a few tips for you as you return to your dorms. 1) Don't try to catch a hornet with that paper bag. (2) Give butter, not margarine (3) Shh! never watch a race.

THE COLONNADE

MAY 1, 1974

Students For Busbee

A Students for Busbee Committee headed by Wayne N. Wilson, has recently been formed on the University of Alabama through Rep. Floyd Harrington, of Milledgeville. Students interested in getting involved are encouraged to contact Wilson, campus box 995, as soon as possible.

Distribution of campaign materials and information about the candidate will be the main goal of the committee, along with voter registration of students, and various other activities. This is a great opportunity for students who have never been involved in a state gubernatorial election.

I'm Bored

by John Williams

Do you ever sit in class bored? I mean bored that you would like to tell the instructor to hang it up or to talk in class. Many of us are guilty of this. Why? Is it because the instructor is a bore? The answer, in my opinion, is that final selections are made on the need to dominate in this area. Many individuals who are less than adequate and feel themselves deserving for this honor may dominate themselves. This is not true in purest form and shall be made out as 

I'm tired of being on time, and if I were not up with the change and I was not up with the grind on the floor. This is the Pub at times, where you can see everyone and have a great time. Perhaps in closing I should say that you have made my life more enjoyable, because your company is more enjoyable than being stuck in a book. I am glad to see the doors closed and the final from the floor. This is the Pub at times, where you can see everyone and have a great time.

Diet Time

by Beatle Griggs

Yes, for many, it is diet time. Those extra pounds must come all that pleasant thing goes on. The question is, just what kind of diet do you go on?

Being female, naturally I have been in interest in all diets. It is a hobby of mine to make it a point to read all of the "Super Diet" books. "Diets of those who like to eat", or those intrigues "たなびき" is my work. My interests have increased in the nature of things, not because of increased diet, but because I have an interest in losing weight and my nutrition.

Did you know the average female needs at least 6 grams of protein, 10 grams of carbohydrates, 200 grams of fat, all plus all minerals and micro minerals found in these little one a diet can provide.
